

WILL PREPARE FULL TICKET

City Committee Decides to Place Complete List of Names on Primary Ballot.

DONE AS A PROTECTION

Nominees May Withdraw Later and Committeemen Will Have Power to Fill the Vacancies.

The democrats of the city will have a full ticket to vote on at the primary election. This was decided last evening at the meeting of the city committee and other democrats at the Turner hall.

In order to protect the interests of the party against such a contingency as an undesirable nomination by such methods, it was decided to circulate petitions for a full ticket, the understanding being that if the men named do not care to remain in the field as candidates, they will have the privilege of withdrawing.

The city committee, in case of any such withdrawals after the primary, can, up to a certain time, fill the vacancies in the ticket by nominating other men, if it is desired to present a full ticket at the election.

A motion by Alderman C. J. Smith, following a suggestion by Alderman F. W. Bloehlinger, was adopted, providing that the committee select a full ticket and circulate the necessary petitions to have these names placed on the primary ballot.

S. A. LaVaunay today filed a petition as a candidate for the democratic nomination for alderman in the Third ward. C. L. Speckhart, 1004 Thirtieth avenue, has filed a petition for the democratic nomination for alderman in the Second ward.

J. K. Scott today filed his petition for the republican nomination for mayor. J. C. Auld has filed his petition for the democratic nomination for assessor.

The socialists of Rock Island have filed their list of candidates for the city primaries as follows: Mayor—Charles Gantert.

Alderman, Second Ward—Herman Sieghartner. Alderman, Third Ward—B. W. Newton.

Alderman, Fourth Ward—Nicholas Huesman. Alderman, Fifth Ward—Warren Conkling.

Alderman, Sixth Ward—Vacant. Alderman, Seventh Ward—P. J. Carlson.

A meeting of live stock shippers of Mercer and adjoining counties, including the lower end of this county, is being held at Alledo today for the purpose of considering matters of mutual interest.

TO PLAY DIXIE ON LINCOLN DAY

Great Air of the South to be One of Band's Selections at Augustana College.

SOME OBJECTIONS RAISED

But Sectional Feeling No Longer Prevails—J. B. Oakleaf Accepts Invitation to Deliver the Address.

No "Mason and Dixon line" scruples will interfere with the celebration of Lincoln's centennial at Augustana college. Among other selections to be played by the college band at the celebration next Friday evening will be "Dixie," and this in spite of the numerous objections which have been voiced throughout the north against the southern martial air.

"Why shouldn't 'Dixie' be played?" asked one professor. "These objections that have been raised show only a narrow-minded spirit. If Lincoln were alive today I am sure that he would enjoy hearing the famous old southern battle air. He certainly would be the last person to dig up sectional differences."

It is a well known fact that "Dixie," when played before an audience anywhere in the northern states, always stirs the hearers and is greeted with the same enthusiastic applause that follows "America" or "The Star Spangled Banner."

And so "Dixie" will be played at Augustana. The other arrangements for the program are practically complete.

Other patriotic airs will be played by the band, and the Wennerberg male chorus will sing. Attorney J. B. Oakleaf of Moline has accepted the faculty's invitation to make the Lincoln address. This will insure a good speaker, as Mr. Oakleaf is acknowledged to be one of the best authorities on Lincoln in the state.

Invitations are now being sent out by the faculty to friends in the tricity. The public at large is also invited to attend. A half-holiday will be observed at the college in honor of the day.

Lincoln day will be observed by the union men of the three cities with a banquet at the Rock Island Industrial home building, to which only union members will be admitted. Already 500 seats have been engaged, and the event promises to be a great success.

Special Lincoln programs will be given in many of the churches tomorrow evening. At the First Methodist church William McConochie will tell of Lincoln from a soldier's viewpoint. At the German Methodist church there will be program of orations, recitations and special musical numbers.

The annual Lincoln day banquet of the Rock Island Club promises to be of a particularly inspiring and patriotic nature this year. The invitation committee, composed of Gus Tegeler, W. H. Reck, J. W. Parker, H. O. Rolfs and Ferd Levy, having spared no pains in the arrangements. Attractive invitations were issued yesterday. The speakers have been heretofore announced.

The day will be a legal holiday, and the banks will be closed and holiday hours will prevail in the government offices. Fitting exercises are to be held in the public schools in the afternoon.

retary, E. L. Hance, and already Herman Doering and Charles Oswald have filed petitions for the nomination for assistant supervisors, and J. H. Cleland and P. H. Wells as candidates for justice of the peace.

Many Sleepless Nights, Owing to a Persistent Cough—Relief Found at Last.

"For several winters past my wife has been troubled with a most persistent and disagreeable cough, which invariably extended over a period of several weeks and caused her many sleepless nights," writes Will J. Haynes, editor of the Burley, Colo., Bulletin. "Various remedies were tried each year, with no beneficial results. In November last the cough again put in an appearance and my wife, acting on the suggestion of a friend, purchased a bottle of Chamberlain's Cough Remedy. The result was, indeed, marvelous. After three doses the cough entirely disappeared and has not manifested itself since." This remedy is for sale by all druggists.
