MODEL E E—This garment is cut with extreme dip, very long lapel, and with two side seams, giving it a very close-fitting back. While the flaps and cuffs are not freakish, they are extremely snappy. This garment is designed for the young man who wants a little different kind of a garment than he is apt to find in any other make but the Clothcraft All Wool kind.

MODEL T.

MODEL R.

MODEL T is cut with a graceful long lapel and patch pockets. If the material is fancy, it is of the double faced kind with fancy plaid or stripe back.

MODEL R is a neat, gentleman's garment at all times. Made of black-chibet or fancy worsted. These garments bear the CLOTHCRAFT label, which means All Wool. They are rain-proof.

MODEL B—This model is designed for men of conservative taste, who want a garment that is not too extreme, but has style expressed in the lines and designing, rather than in the details of pockets and sleeves. A gentleman's garment at all times. Always all wool.
