SELLING DOLLARS

Does not differ any from selling calico, or engines. Money can be sold just as fairly as any other commodity. "And we are doing it."

We make a business of loaning money on pianos, teams, or furniture, and we tell you "right off the handle" what the entire cost is going to be, and then render you a written statement of it, when the loan is made.

We want you to know this: That you can trust the Tri-City Loan Company to give you and every customer the squarest kind of a deal.

72 cents is the weekly payment on a \$20 loan for 50 weeks. \$1.56 is the weekly payment on a \$65 loan for 50 weeks.

We make loans anywhere within 40 miles of Davenport, and a letter will bring our confidential agent to explain our plans. Write or telephone.
