## GAMES TOMORROW.

Rock Island at Davenport.  
Dubuque at Cedar Rapids.  
Peoria at Bloomington.  
Decatur at Springfield.

Dubuque, Iowa, Aug. 31.—(Special.)—Rock Island won a 10-inning contest here yesterday that was characterized by rugged playing and poor umpiring. The visiting players declared that Umpire McKenzie was in no condition to officiate and that his decisions cost them a couple of runs that they really earned in the early part of the game. McKenzie kicked so vigorously on strikes called on him that he was sent to the bench and the outfield was switched around. Jacobsen going to right and Melan to left. Kelley was again back in the lineup and was the victim of the wrath of the umpire on one occasion.

**Tie in Ninth.**  
Rock Island seemed to have the game safely won in the seventh, but the Miners tied it up in the ninth. In the 10th the visitors hammered in three runs. Lakoff proved steadier in the pinches than Ferrias and Ray, who posed him on the slab. Score:

## ROCK ISLANDER IS STAR

Engman at Third for Durant in Iowa City Game.

Iowa City defeated Durant at Iowa City Sunday by the score of 5 to 1 in the third game of a series. The pitching of O'Brien for Iowa City was the big feature of the game. He struck out 14 men, and allowed four hits, which were kept well scattered. Engman of Rock Island, who is playing third for Durant, played a great game, making many sensational stops. He also secured two of the four hits which Durant got, driving in Durant's only score with a hit of the two-base variety. Score:

## FIGHT TERMS GO; JEFFRIES

Champion Cables to Berger That Everything Is Satisfactory.

San Francisco, Aug. 31.—Sam Berger has received a cablegram from Jeffries, who is at Carlsbad, Germany, ratifying the action of Berger in arranging articles for the fight between Jeffries and Jack Johnson. The cable reads:

"Agreement satisfactory. Inform newspapers. Your action authorized by me."

Berger naturally is elated over the complete ratification from Jeffries and declares it makes certain that the heavyweight fight will take place.

## SERMONS ON BALL FIELDS.

Chicago Minister Advocates Opening Sunday Games With Prayer.

A sermon would be a fitting opening to each major league baseball game played on Sunday, according to Bruce Barton, son of the Rev. W. E. Barton, pastor of the First Congregational church, Oak Park, Chicago. He declared the other night that, although he did not favor Sunday baseball, he thought the plan feasible.

Barton said he had mentioned the matter to some of the prominent ministers of Chicago and also has set the facts before persons connected with the management of major league teams and that in all instances his suggestion had been approved. Barton says that the matter has been approved by both President Charles Murphy of the Chicago Nationals and Charles Elbert of Brooklyn.

**Nelson Gets Fast Auto Ride.**  
Erie, Pa., Aug. 31.—Barney Oldfield established a new record for a half mile track here yesterday by going a mile in 1:12 1/5, thus lowering his own record of 1:14 3/5. Battling Nelson was a passenger in the car with Oldfield when the record was made.

**East End Juniors Win.**  
The East End Juniors yesterday defeated the LaVelle Juniors, 23 to 3, the game being played on the Thirty-second street grounds. Leverich and Baker formed the winning battery, being opposed by Cash and Williams.

## WOMEN ON LINKS

Western Championship Golf Tournament Opens at Homewood Club.

## SEVENTY PLAYERS IN IT

Entries for National Tourney to be Held at Wheaton Closed but Names Are Not Given.

Chicago, Aug. 31.—The seventh annual women's western golf championship tournament opened on the links of the Homewood Country club today with more than 70 contestants. An 18-hole qualifying round was scheduled for today and 16 will qualify in the championship flight.

**Entries for Big Event Closed.**  
New York, Aug. 31.—Entries for the annual amateur golf championship of the United States at Wheaton, Ill., beginning Monday, closed last night, but 24 hours are allowed before the list will be announced. The easterners are uncertain to whom they pin their faith. The rush of spring tournaments in and about New York, followed by the death of summer competitions, is held to be a mistake, as the west has had its best competitions in the last six weeks.

**Travis in Stump.**  
The chief hope here rests upon Walter J. Travis and Fred Herreshoff, but the present form of both is problematic. Travis this summer relaxed from his splendid form in the spring, when he won the Metropolitan championship. Herreshoff has been considered invincible, but has never captured the title since his school days.

## LINE O' DOPE

Harry Berte, formerly manager of the Jacksonville team, has joined Keokuk.

Peoria, with its team winning more than half its games, drew 1,700 Sunday, which is about a record there for the season.

The Islanders arrived home from Dubuque at 11 this morning and this afternoon opened with Davenport across the creek.

Kinsella is reported to have paid \$1,250 for First Baseman Metz, the Texan who has joined his team and who has been sold to the Giants to report at the end of the season.

Charles Irby, an outfielder from the Tacoma club, has reported at Davenport as material for next year, though he is expected to work regularly from now on. Another new man is Ruben Ellis, a youngster who has been playing independent ball in the Dakotas. He will not be likely to have a chance to work much this season.

Otto Vogel has begun to work out after the accident which put him out of the game with a broken bone in his right hand. He got out under orders from Manager Tighe and caught and threw the ball a little. He found that the hand does not bother him very much except in throwing, and he hopes that he will overcome this difficulty in a few days. The hand is still swollen a little but it is rapidly rounding into proper shape and he will probably be in the game before the season closes despite the fact that he was thought to be out for the remainder of the year.

If Springfield loses and Davenport wins once more the Prodigals will be in second place. It is the fond hope of the fans across the river that their team will eventually land second, anyway. Springfield, it is said, has virtually quit the race. The Senators had hoped to land first, and seeing their chances slip away has taken the heart out of them. On the other hand, Davenporters have had little hope at any stage of winning the pennant, second place being as high as they have allowed their hopes to soar, and so they will fight valiantly to the end of the season, while Springfield may be expected to slip still further back.

Glad we are through with Dubuque for this year. Getting baseball scores out of that town at night is like getting a wireless from Greenland. Because of either soreness, indifference or a mistaken sense of humor on the part of the usual sources of information, erroneous bulletins were sent out all over the league last evening. The first bulletin left the score tied in the ninth; the next gave the game to Dubuque 5 to 4 in the 10th. Persistent inquiry finally brought the correct count. If the public generally takes the same attitude toward the game as those who furnish the nightly bulletins it is no wonder the city is on the verge of losing its franchise.

Cedar Rapids and Dubuque newspapers are not willing to concede that there is any sentiment in either city favoring the dropping of baseball and in both cases the people are being urged to raise the attendance to 30,000 by Sept. 26, the close of the season. The Cedar Rapids Gazette says:

"Cedar Rapids cannot afford to lose its Three-Eye franchise. If it does it will be the first indication that Cedar Rapids is losing its grip, just as Waterloo and some of the other towns of the state are claiming. If necessary, the

## READY FOR RACES

Island City Boat Club Making Final Plans for Labor Day Program.

## WILL HAVE FIVE EVENTS

Two Loving Cups Among Prizes—Club Has Had Prosperous Year Under Good Management.

At the regular meeting of the Island City Boating association, which is to take place Thursday evening at the club house, the final plans will be made for the annual races on Labor day. The race committee has been busy for several days arranging the boats in classes and securing suitable prizes for the different events, and this part of the work has been about completed. There will be five different races, and two and maybe three cups will be competed for. The big race of the day will be the 10-mile free for all, in which the prize is the Ramsay trophy. This cup was won last year by Commodore W. H. Gosch of Davenport in his speed boat Marcella. The Marcella has ceased to be, however, and there are a number of speed boats both from this city and from Davenport which have hopes of getting the trophy this year. Another cup will be raced for in the class B race, which is for boats from 20 to 26 feet in length. This race is to be over a four-mile course. The other three races on the program include a race for boats under 20 feet in length, and two handicap races, one for boats under 20 feet and one for boats between 20 and 26 feet. Just what method of handicapping will be used has not been determined as yet, but it is likely that the best times made over the course by the different boats will be used as a basis to figure the handicaps.
