NEW SCHEDULE TO BE SHORTER

Baseball Season Lasted Too Long Last Year on Account of Late Start.

HAVE FEWER OFF DAYS

Same Number of Games to Be Played in Briefer Time—Behring to Submit Drafts.

The Three-Eye league delegates did not devote much time to discussing next year's schedule at their meeting in Chicago Monday, but it was quite evident that they were not entirely satisfied with the schedule which they followed last season. The consensus of opinion seemed to be that the season ought to begin earlier than it did last year and close considerably earlier. Last year the first game on the schedule took place May 6 and the final contest was played Sept. 26. This made it necessary to play 140 games, exclusive of ties and postponed games. In 147 days, and towards the end of the schedule the interest began to lag, as the weather was more like football than baseball weather.

There was no disposition on the part of the clubs to change the number of games to be played during the year, but all of them were of the opinion that the schedule ought to begin earlier. In the meeting it was suggested that there be fewer off days and that the number of days covered by the schedule be the same as the number of games to be played.

Behring to Draft Schedule.

Wilson Behring of Decatur, who is generally recognized as one of the best men in the country at drafting a schedule, has been called upon to submit three drafts of a schedule for next year. He was asked to commence the games about a week earlier than last year, or about May 1, and to close about two weeks earlier than last year, which would end the schedule about Sept. 15.

Another probable feature of the schedule this year will be the breaking away from the old idea that on every holiday the two cities nearest together ought to be matched against each other. For instance, on Memorial day, the Fourth of July and Labor day, Rock Island and Davenport have always been opponents, and the delegates believed that the patrons of the game are getting tired of having the same old holiday opponents each year. The mileage can be cut down considerably by carrying out this change and at the same time the holiday patrons will get to see a new team in action.

To Meet in January.

It is expected that Mr. Behring will be able to submit several drafts of schedules, at the meeting which the league directors will hold in January at the call of President Al Kearney. If any of the drafts are acceptable it will be taken by the league and adopted at once in order that it may be printed early in the season for the benefit of those who wish to know the locations of the different teams on certain days.

ZBYSZKO COMING

Not a New Variety from Medicine Hat but a Big Polish Wrestler.

HAS GO ON IN DAVENPORT

Will Meet John Gordon of Minneapolis at Burtis Dec. 7—After Gotsch's Crown.

Zbyszko (get that?) will wrestle in Davenport Dec. 7. That is enough for the first sentence to anyone who is not a follower of the wrestling game. Those who keep tab on the mat artists know that Zbyszko is the biggest Polish that has come to light since the north pole was discovered. He is described as the greatest mountain of beef that ever walked on two legs and wore a

WHAT IS HYOMEI?

You Have Heard About the Catarrh Cure H. O. Rolf's Guarantees.

Hyomei is a wonderful antiseptic, so powerful that it promptly destroys germ life, yet its action on the mucous membrane is extremely soothing and healing. It relieves catarrh in five minutes; it cures in a few weeks or money back.

It is made chiefly of eucalyptus and eucalyptol taken from the eucalyptus forests of inland Australia. The medical profession knows that eucalyptus is an absolutely certain germ destroyer and with the active principles of eucalyptus as a base Hyomei is made more efficient, pleasant and quick acting by the addition of Thymol, an antiseptic and disinfectant largely employed in the Listerian system. Guaiacol and other important medicinal agents are also included in the Hyomei formula, which, without doubt, is the greatest destroyer of catarrh germs the world has ever known.

Hyomei is a powerful, penetrating antiseptic that is pleasant to use. It does not contain a particle of cocaine, opium or any habit-forming or injurious drug.

No dosing the stomach when you use Hyomei. Just breathe it in through the small inhaler that comes with every outfit. Sold by leading druggists everywhere and in Rock Island by H. O. Rolf's, \$1.00 for complete outfit.

mustache. He weighs about 250 pounds and is largely muscle. He looks like a living ad for the newest breakfast food, and then some, but he is a wrestler of class and Frank Gotsch, who meets him for the world's championship at Buffalo, N. Y., Thanksgiving night, has a wholesome respect for him.

Since coming to this country a few weeks ago Zbyszko has downed everything he has gone up against, including our restaurant fare, and has not, as yet, been compelled to show his limits. It is now impossible for him to get as a rule, anything but handicap matches, in which he is compelled to throw three or more men at one round, or to down a man in a limited time.

Has Worthy Opponent.

When he appears at Davenport, however, he will have a sturdy man to meet. His opponent will be John Gordon of Minneapolis, the champion policeman, he having defeated Rooney of Chicago some time since. Gordon is also after Gotsch's title and means to force the issue into a match, if possible. Regardless of the outcome of the contest at Buffalo tomorrow night the go in Davenport Dec. 7, which will take place at the Burtis, ought to be good sport.

MT. CARROLL LOSES

Rock Island Y. M. C. A. Basketball Team Wins Opening Game.

CLOSE SCORE OF 39 TO 35

Rock Island Boys Play Snappily in First Half—Handicapped by Slippery Floor.

The Rock Island Y. M. C. A. basketball five defeated the Mt. Carroll team last evening in the first game of the season for the local team. The game was played at Mt. Carroll. It was played on a slippery dance floor and it is very difficult to even stand up on such a surface, let alone play on it. The game throughout was a struggle and it was unnecessary for the officials to call many fouls. Each team threw one foul basket.

In the first half the Rock Island five got in some superb team work and ran up 26 points while the other team gathered in 12. In the second half the result was just the other way. The Mt. Carroll men braced up and the result was 23 to 13 in their favor. Final score, 39 to 35.

All of the local men put up a good game. Voss rolled in eight field baskets and one foul goal. Gifford, the right forward of Mt. Carroll, put up a snappy exhibition. In the second half he made seven field baskets and a total of nine for the game.

CONVICTED OF RACE "FAKE"

Member of Maybray Crowd Found Guilty of \$30,000 Stool.

Council Bluffs, Iowa, Nov. 24.—The jury in the case of John R. Dobbins, on trial for alleged grand larceny in connection with the loss by T. W. Ballew, a Princeton, Mo., banker, of \$30,000, on a "fake" horse race in this city more than a year ago, returned a verdict of guilty shortly after midnight.

Dobbins' case was the first of several brought in connection with the alleged fleeing of many victims throughout the country by J. C. Maybray and several associates.

FREEPORT IS TO STICK

Posts Forfeit Money and Will Raise Fund for Franchise.

Freeport, Ill., Nov. 24.—Freeport retains its franchise in the Wisconsin-Illinois league. This decision was reached at a meeting of the league's directors, held at Milwaukee, at which representatives of the Freeport club posted the required forfeit money, \$500, and assured the league heads that a guarantee fund had been raised which would enable Freeport to fulfill all obligations. "Kid" Leewe has been reengaged to manage the team next season.

After South Bend Ball Club.

South Bend, Ind., Nov. 24.—Eddie Wheeler, formerly manager of the Denver club in the Western league and last year with St. Paul, has asked Bert Annis for a price on the South Bend Central league team, being unusually anxious to locate here. Wheeler at first wanted to buy the Grand Rapids club, but Annis asked too much money for his holdings in the Furniture city. In case Wheeler buys the South Bend club "Aggie" Grant, the local manager, will become the leader of Grand Rapids.

Waterloo Gets Pitcher.

Terre Haute, Ind., Nov. 24.—Terre Haute Central league club has traded Pitcher Claude Douthett to Waterloo, Iowa, for Outfielder Curtis.

Croup is most prevalent during the dry cold weather of the early winter months. Parents of young children should be prepared for it. All that is needed is a bottle of Chamberlain's Cough Remedy. PLAY LAST GAMES

Football Season Will Wind Up After Contests Tomorrow—Locals Meet Peoria.

ABSENCE OF LIITT HURTS

High Hopes to Win Nevertheless—Moline and Davenport Play Annual Game.

Tomorrow winds up the football season in this vicinity and in practically all parts of the country. Furthermore the exhibitions tomorrow may be the last of the present style of football which are ever given. There has been so much agitation for a change in the rules that it seems inevitable that they will come and that when another year rolls around the game of football will be materially changed.

Rock Island high school plays its last game of the year at Exposition park with the high school team from Peoria and the Turkey day contest ought to be a good one. Both teams have put up a good class of ball this year and so far as scores go they appear pretty evenly matched. The local team will not present its full strength, as Captain Dick Liitt will not be in the game. The backfield will suffer by his absence to a considerable extent, but Coach Gray feels that he has enough good men available to make his backstop strong enough to score several times on the visitors. Just what combination will be used has not been decided as yet, but the players from whom it will be chosen are Riche, MacMannus, Carty, Salzman and Kittelsen. The line will present its usual solid front and the coach does not fear that the Peoria boys will be able to put up a strong offensive game.

Moline at Davenport.

The only other game of note in the tri-city for Thanksgiving day is the contest in Davenport between Moline and Davenport high schools. The Iowans are confident of winning the contest on account of their having held Clinton to a tie game recently and also on account of the lack of condition on the part of the Moline team. The followers of the maroon and white are gray worried about the outcome of the game, as several of their strongest men are in no fit condition to play. In case the Davenporters win the game they will claim the tri-city championship, a title which has not been clear for two years.

SCHRECK IS A MARK

Langford Stands Him Up in a Corner and Punches Him to Finish.

STOP FIGHT IN 12 SECONDS

Fiasco at Pittsburg Does Not Improve Estimate of Colored Middleweight.

Pittsburg, Pa., Nov. 24.—If Sam Langford by disposing of Mike Schreck of Cincinnati in quick order, expects to get credit and hurrah, furthering his ambitions to meet Johnson, he will be disappointed. And if any more such matches are put on in Pittsburg, the fighting game, now booming as well as any city in the country, will get a set-back.

Schreck, who wobbled into the ring, carrying fat amidsip, a-beam and every place else, made a feeble attempt to punch the negro, and Langford, plugging him up in his corner, was battering away at his head, while Schreck's arms were at his side, when the fight was stopped. It went about 12 seconds. Then poor, old, fat Schreck, having done his part of being beat up, was led away. Langford then said he had \$10,000 with a New York newspaper for a fight with Johnson.

In this bout Billy Corcoran, the promoter, secured a good house, by staging Langford. Langford took no chances with old Schreck. Langford stood to make fight fans notice by disposing of the Cincinnati man in five time. Any fighter could have dropped Schreck in the condition he was in when he entered the ring last night. The whole bout was a fizzle, and the big crowd that turned out for it was not slow in saying so.

Calloway, colored, of California, to stand punishment, together with his gameness, enabled him to last nine rounds against Jim Barry of Chicago at the Armory Athletic association last night. Calloway was knocked out in the tenth round.

Graney Will Bid for Fight.

San Francisco, Nov. 24.—Eddy Graney, the prize fight referee, left for New York yesterday with a check for \$5,000 which he intends to place as a forfeit for a bid he will make for the Jeffries-Johnson bout. Graney will not say what the amount of his bid will be, but intimates that it would be at least \$100,000. Graney plans to obtain a permit to hold the fight within the city limits here, and claims that if he is successful he can afford to bid more than James Coffroth, whose arena is in an adjoining county.

TWO OUT OF THREE HEATS TO DECIDE

American Association of Trotting Horse Breeders Does Away With 3 Out of 5.

New York, Nov. 24.—Two out of three heats will hereafter constitute a victory in trotting races recognized by the American Association of Trotting Horse Breeders, according to an announcement made at the annual meeting of the association in New York last night. In a vote taken by mail replies were received from nearly one-half of the \$39 members of the association and opposition to the three-in-five races was registered by a vote of 265 to 38.

The proposal made last year for the establishment of a national stake for the trotting championship of the United States was renewed at yesterday's meeting by Frank J. Kilpatrick of Santa Rosa, Cal., and W. E. Stokes of Kentucky. United States Senator Joseph W. Bailey of Texas, president of the association, who presided, said that the national championship idea had the approval of the association and that the plan would be taken up for action when \$20,000 stakes were guaranteed.

Senator Bailey was reelected president and all other officers were re-elected. Delaware was admitted to membership.

GIVES GOLF PLAYER JOB

Taft Appoints J. F. Curtis, College Champion, to Customs Post.

Washington, Nov. 24.—A golf player who will be able to set a pace for President Taft on the links has been named to succeed James B. Reynolds as assistant secretary of the treasury in charge of customs. He is James Freeman Curtis of Boston, also the home of Mr. Reynolds, and when he was in Harvard, class of '99, he held the collegiate championship. Secretary of the Treasury MacVane, who has known him for several years, laughingly admits that he called Mr. Curtis' golfing record to President Taft's attention when recommending him for appointment as one of his assistants.

Mr. Curtis, however, possesses other qualifications to make him a valuable member of this administration. He is at present assistant district attorney at Boston.

Another Record Smashing Stock Show at Hand.

Once more the International Live Stock exposition, which will be held in Chicago from Nov. 27 to Dec. 10, has accomplished the seemingly impossible by again showing a most phenomenal increase in entries. Once more all past records have been demolished and once more we are brought to realize that interest is growing in this, the greatest of live stock shows—this leading exponent of the live stock industry—and that this great annual event is becoming more popular from year to year. Even though feeding operations have been exceedingly light during the past year, we still find an increased number of entries in the cattle department. The draft horse exhibit will be the greatest ever seen in this or any other country. Horses, whose lineage dates back into the dark ages, will be seen in the ring beside the most splendid specimens of the English and Scottish types, whose equals have never before been brought together in such numbers in the history of the show ring. The number of exhibitors in the sheep department exceeds that of any previous year, and in quality their exhibits will far surpass anything ever seen here in the past, as the entries show them to contain some of the choicest importations made to this country in recent years. In the swine department all the leading types will again be represented and the quality will be superior to that of any show ever seen on this continent. All these and many other new features give promise of making the coming exposition the greatest in the history of this splendid series of events, and no one, be he ever so distantly connected with live stock—the right arm of our basic industry, agriculture—can afford to miss this exceptional opportunity for education, entertainment and a pleasure trip in one.

BILLY SUNDAY PICKS JEFF

Evangelist From Pulpit Gives Views on Coming Fight.

Chicago, Nov. 24.—"Billy" Sunday recently hesitated in his celestial campaign long enough to remark that James J. Jeffries will put Jack Johnson on the "has been" list. "Jeff'll lick him so quick he won't know what his name is," said Sunday from the pulpit. "I tell you when you knock out old Jim you'll have to put a Missouri mule in the ring against him, and it's no 100 to 1 shot then." It was this same "Billy" who predicted that the Tigers would hang it on the Pirates.
