WIN GAME IN WALK

Y. M. C. A. Basketball Team Puts It Over High School 50 to 22.

JENSEN STAR PERFORMER

Single-Handed He Makes Enough Points to Bag Victory for His Five—Is Clean Exhibition.

The Y. M. C. A. basketball team won from the high school last evening at the Y. M. C. A. The final score was 50 to 22. The first half resulted 29 to 10 and in this half the association team made enough points to win the game. In the second half, the training of the high school boys kept the score down to 21 to 12. Jensen, the center on the "Y" team, rolled the ball into the basket at will. During the game he made 12 baskets, or 24 points, enough to win the game without the assistance of his teammates. The Y. M. C. A. team has been in the field somewhat longer than the high school team and the members are older and more experienced players. When the teams meet again the game will probably be closer. The "Y" team manipulated some very fine team work which the high school boys could not break up. Streckfus was the star for the high school, making 14 points. In the first half, Will Voss, one of the association guards, injured his knee in a fall on the floor and it was necessary for him to retire. Behnman was put in his place.

In the second half, the lineup of the high school team was changed. Mac Manus went to center and Lift was switched to left forward, Riche having been taken out. Both teams played a clean game.

OIL CO. IN REPLY

Standard Finds Many Grounds Upon Which to Object to Injunction.

RESTRAINING OPERATIONS

Sixty-five Alleged Errors Cited as Reasons for an Appeal to Supreme Court of U. S.

St. Louis, Mo., Dec. 18.—The appeal of the Standard Oil company of New Jersey, its subsidiaries, and the seven individuals against whom the government recently won its dissolution suit in the United States circuit court was filed here yesterday afternoon.

Sixty-five instances in which the circuit court is alleged to have erred are cited as reasons for taking the case to the supreme court of the United States. The appeal was accompanied by a bond of \$50,000.

Collectively the assignments of error are that the evidence did not show a violation of the Sherman act, under which the suit was brought.

Not Subject to Order.

The decree is attacked as against almost all the defendants, different reasons being assigned as to why they were not subject to the order of the court.

Specific objection also is made as to the overruling of the plea against the jurisdiction of the court.

The findings in respect to competition as between corporations occupying contiguous territory also are declared to have been in error as well as the court's conclusions regarding the part which John D. Rockefeller, Henry H. Rogers, John D. Archbold, and the other individual defendants took in the formation and conduct of the various companies.

Enjoined From Operating.

The circuit court enjoined the New Jersey company from voting the stock of subsidiary concerns, the smaller companies from paying dividends to the larger, and the individual defendants from continuing the combination which it found to exist or the formation by them of any similar arrangement looking to the control of the price or transportation of petroleum. All these orders are declared to be in error.

The findings regarding monopoly of a part of commerce are assailed, and it is contended that no decree should have been entered against certain of the defendants which operated in only one state, or the stock of which was purchased for cash by the Standard of New Jersey, or which were organized at the instance of the trustees of the trust of 1882 prior to 1890.

The order granting the appeal was signed by Judges William C. Hook and Elmer B. Adams.

District Elder to Preach.

Rev. H. O. Hubbard, district elder,

will preach this evening at 7:30 at the Free Methodist church and at the services tomorrow. There will be communion services tomorrow morning at the regular church services.

BREAKS RECORDS FROM 1 TO 20 MILES

Aitken's Performance in Freezing Wind on Indianapolis Motor Track Remarkable.

Indianapolis, Ind., Dec. 18.—Racing against a freezing wind, "Johnny" Aitken in a National yesterday broke all world's records for distances from one to 20 miles at the Indianapolis motor speedway. So severe was the cold that lubricating oil on some of the racing machines froze and forced the contestants to quit the races.

Aitken's sensational dash was in the 20-mile event to set records for distances of from one to 20 miles. Aitken covered the distance in 16:18:41. Aitken's time for five miles was 4:06:56. He went ten miles in 8:12:10 and 15 miles in 12:17:01.

Walter Christie with his "freak" racer and Louis Strang with a 200 horse power Fiat were unable to fulfill their expectations of lowering the records because of the low temperature. Christie, however, ran a quarter mile in 20:78, thereby setting a new American record for the distance. This was at the rate of 103 miles an hour.

WARMED OVER

The Danville association was formally launched this week, when the directors of the new club got together and ratified the officers selected by the 100,000 club some time ago. A committee to draw up by-laws was appointed and the officers were authorized to approve of contracts entered into by Manager McCarty.

Hugh Shannon of Buffalo is looked upon with favor for manager of the Danville team in the Prairie State league, as the proposed organization which Doc Childs is chief promoter of, is to be called. There are a number of applicants, one of them being Jack Herbert. Shannon has made a good record as manager and has, it is said, the call on extra material from the Buffalo Eastern league team. Doc Childs says he is waiting now to hear from Rock Island as to whether any objections will be offered to placing a team in Moline, which is within the five-mile limit of this city's park, and from East St. Louis, where objections from the same cause may be offered by the St. Louis big league clubs. When replies have been received another meeting of the cities interested will be called.

Little Rock, which flunked on a place in the Southern league last season, has been turned down by the Texas league, to which it applied for membership. The Texas circuit will remain as it was last year. Manager Finn of Little Rock said he had been offered a place in the Western association, but preferred other company.

President Al Teaney of the Three-Eye was called upon at New York yesterday to deny a rumor that he had been killed in a railroad wreck. Mr. Teaney, who is head of the Chicago City league, as well as the Three-Lamp, was assured by Garry Herrmann that the national commission will shortly take up the question of lifting the ban upon semi-pro players, or, in other words, will try to find a way for players to leave professional ranks and play semi-pro ball, if they feel disposed, without being black-listed.

DR. DOXEY IS HELD ALSO AS SLAYER

Husband of Woman Charged With Murder of W. J. Erder Indicted at St. Louis.

St. Louis, Mo., Dec. 18.—Dr. Loren B. Doxey of Columbus, Neb., husband of Mrs. Dora Elizabeth Fuller Doxey, was arrested last night at the instance of Assistant Circuit Attorney Rosskopf on an indictment charging Doxey with murder in the first degree in the death of William J. Erder. Doxey had called at the jail to send in a note to his wife, held a prisoner on an information charging her with the same offense. He was locked up and according to Rosskopf a bench warrant will be applied for today.

It is said that through testimony of witnesses the grand jury learned Dr. Doxey was in St. Louis shortly after the death of Erder and that Mrs. Doxey sent Dr. Doxey in Columbus the insurance money she collected on Erder's life.

WRESTLING MATCH IS OFF

Zbyszko Unable to Meet Turner at Davenport Tuesday.

Announcement was made today that the wrestling match between Zbyszko, the Pole, and George Turner of Iowa, announced at the Burtis, Davenport, for next Tuesday evening, had been postponed. Zbyszko has a match in Kansas City the night before the date here, and will not be able to fill the date at this time.

HYLAND IS BESTED

Cyclone Johnny Thompson Too Much for Coast Fighter in Ten Rounds.

GIVEN VERDICT AT THE END

Contest at Kansas City Swift Throughout, With Much Work in the Clinches.

Kansas City, Mo., Dec. 18.—After 10 rounds of furious fighting Cyclone Johnny Thompson of Sycamore, Ill., was awarded the decision over Fighting Dick Hyland of San Francisco before the Empire Athletic club here last night.

Thompson easily deserved the verdict. He rushed the battle from the start and forced Hyland into clinches time after time in order to save himself. Using his vicious right to the jaw to good effect, the Sycamore farmer tottered the Pacific coast boy repeatedly.

The battle was fast from start to finish, with a large amount of fighting. By previous agreement, the men were permitted to fight in the clinches as long as either could swing, and this kept them close to each other the greater part of the contest. Hyland landed many blows during the infighting, but they were not as powerful as those Thompson delivered in the break-aways.

Kid Brown of Chicago knocked out Roxie Kennell of Buffalo in the fifth round of a preliminary contest.

Corbett to Help Jeff.

New York, Dec. 18.—James J. Corbett will be the animated punching bag on which James J. Jeffries will practice in fitting himself for his fight with Jack Johnson for the heavyweight championship of the world.

Incidentally, Corbett will not be a pacific recipient of Jeffries' hard swings and smashes, but will utilize his acknowledged skill as a boxer in landing on Jeffries at every possible opening.

This was the announcement made yesterday by Corbett on his arrival from Europe on the Mauretania. The one-time wearer of the championship belt said he would start a series of hard fights with Jeffries 40 days before the big fight comes off.

McGovern and Ziringer Draw.

Pittsburg, Pa., Dec. 18.—Phil McGovern, brother of Terry, fought "Young" Ziringer of Pittsburg six rounds at the National Sporting club arena last night. McGovern forced the milling in the first five rounds. In the fifth Ziringer showed in splendid form, forcing McGovern to cover up. The bout was a good draw.

Honors Are Even.

Philadelphia, Pa., Dec. 18.—"Young" Laughtrey and Fighting Dick Nelson won six fast rounds last night, the honors being even. At the final bell both were tired.

WOULD HAVE QUAIL FED

Game Officials Renew Movement to Preserve Birds.

A movement has been started by the game wardens of the state to have farmers put out feed for quail, thereby providing the birds that have survived the shooting season with means of subsistence while the ground is covered with snow. Snow and cold weather, in the ordinary winter, kill more birds than the sportsmen and the effort to educate the farmers to put out feed is a commendable one. However, much corn is still in the fields, while there is an abundance of weed seed in most lots.

calties, so that the need of succor now is not as great as it will be in the latter part of the winter, should there be much cold and snow then. Quail quickly learn where the feeding grounds are and if they are not disturbed may be depended upon to take care of themselves, at least in the early part of the winter.

BUYS PUEBLO BALL TEAM

John Holland Will Transfer the Aggregation to St. Joe.

Wichita, Kan., Dec. 18.—John Holland, formerly manager of the Wichita team of the Western Baseball league, yesterday completed the purchase of the Pueblo Western league franchise and team of 16 players. He paid \$5,500. The franchise will be transferred to St. Joseph, Mo.

Frank Isbell, who, with Holland, owned the Wichita team, has purchased Holland's interest. Isbell will ask for his release as a member of the Chicago club of the American league and will manage the Wichita Western league team next season.

"Tex" Jones, who was purchased from Enid in the Western association for the Wichita team, will be taken to St. Joseph by Holland.

For 62 Years the World's Best

Whisky

This aristocrat of all whiskies—Cedar Brook Whisky—has the richest flavor of any whisky known. Since 1847, knowledge and experience in making and maturing have made it the quality leader. There's a green government stamp over the cork on each bottle of

W. H. McBrayer's

"Cedar Brook"
Bottled in Bond

This little stamp means much. But the name Cedar Brook means even more. The government stamp means government supervision from the raw grain to the finished product. Uncle Sam's requirement that the whisky be pure, straight, 100 proof, full measure and aged—at least four years—has been complied with.

But—Cedar Brook is all this and more. Other whiskies, as well, pass this examination, yet there is no whisky that can come up to the Cedar Brook test. Uncle Sam's requirements are only part of the Cedar Brook test.

The name Cedar Brook guarantees not only that every government requirement has been complied with, but guarantees quality supreme, a wonderful flavor and smoothness, a delicacy and a richness both incomparable. It must be aged six, usually eight years or over instead of governmental four. The choicest grains and purest spring water are aged in charred oak casks. At all places where good liquor is sold.
