

SNOW, SMILES, SLEIGH BELLS

Rock Island to Have Christmas
of the Old Fashioned
Kind.

SERVICES IN THE CHURCHES

Several of Congregations Will Begin
Day With Divine Worship—Big
Week for Merchants.

Rock Island is promised an ideally
old fashioned Christmas—snow,
smiles and sleigh bells.

Plenty abound. None is to be
denied the cheer that the day should
bring to every heart, young and old.
Rarely have a people shown a more
generous and charitable spirit. The
solidarity of the more fortunate—
the good fellows of both sexes—for
the less comfortably situated has
been beautifully expressed in the
work that has been performed
through The Argus Santa Claus fund
and through other agencies in the
city.

The weather of the week has been
of the real Christmas kind. It has
had an awakening influence on the
people, rousing them to the true
spirit of the season. It has been one
of the biggest business weeks in the
history of Rock Island merchandizing.

Religious Services.

The day will be observed tomorrow
as usual. In the Episcopal, Roman
Catholic and Lutheran churches there
will be religious services, the hours
of which are given in the regular
announcements following in this column.
For indoor diversion, there will be
the theatres, the roller rink and skating.
But the real Christmas will be
in the home reunion, with the children,
some from their school studies in other
cities, and others from their employ-
ment elsewhere, joining at the feast at
the paternal board.

Suspension of Business.

There will be general suspension of
business. All of the banks, the city
and county offices and the stores will
be closed for the day. There will be
one delivery of mail by carrier from
the postoffice, the carriers leaving the
office at 10 o'clock. At that hour the
office will close for the day.

has granted a concession to
St. Joseph's church which will be
appreciated by many members of the
congregation. Those people who attend
high mass on Christmas morning and
who live far from the church have, as
a rule, had to walk the distance in the
cold weather. Arrangements have been
made with the company to have the
Long View cars start from Ninth
avenue and Twenty-fifth street and from
Eighteenth avenue and Twentieth
street at 4:40 in the morning and carry
the passengers to the church. The
third line car will leave the barn at
4:30 and will arrive at St. Joseph's
church at 4:45, in time for mass at 5
o'clock.

vice to Become Effective on

This train will be reequipped through-
out and will leave Chicago at 9 p. m.
daily on a 72-hour schedule to Los An-
geles. Many new features have been

icure, and frequent mechanical musical

the "California" also will be placed in
service Jan. 2, leaving Chicago daily
at 10 p. m., carrying both standard and

Angeles and San Francisco.

Supplementing this service, another
train will be operated from Kansas
City on a 59-hour schedule, leaving

Corresponding service will be inau-
gurated eastbound, making a double
daily 72-hour schedule between Los

Experience a New Delight—Cooking by Electricity

In thousands of homes that thrice-daily task of preparing the meals has becom
pleasure. Cooking by electricity is so convenient—the utensils are so bright, shiny an
clean, due to the absence of dirt, smoke or soot, that it is truly an emancipation of
womanhood from the drudgery of the kitchen.

Edgewood Park Baptist Sunday School.

A cantata, "Santa Has the Grip," is
to be the feature of the Christmas en-
tertainment of the Sunday school of
the Edgewood Baptist church. The
program will be given this even-
ing at the church at 7 o'clock. Joseph
Wilmer, superintendent of the Sunday
school, will be Santa Claus, and at the
conclusion of the platform exercises
will strip the big Christmas tree of its
gifts and goodies for distribution
among the young folks.

First Methodist Sunday School.

The Sunday school Christmas
entertainment at the First Meth-
odist church is to be participated
in by each class of the Sunday school.
The classes are preparing some sort
of exercise which will be a surprise to
everyone else. It is to be a "giving and
receiving" Christmas, as is the case in
several other schools. The exercises
will be this evening at 7 o'clock.

Memorial Christian Sunday School.

A unique program is being arranged
by the classes of Memorial Christian
Sunday school for their Christmas
program which will be given Christmas
night at 7:30 in the church auditorium.
This is to be a "Giving and Receiving"
Christmas. Each class in the school
is arranging some sort of exercise to
be given when it presents its gift to
the church. Each member of the Sunday
school will receive a gift from the
church. Mrs. F. W. Reimers, who has
charge of the program, requests that
the pupils assemble promptly at 7:30
in the Sunday school room. They will
march in a body to the auditorium.

Sunday at the Y. M. C. A.

Christmas music will take the place
of the regular address to men at the
Y. M. C. A. Sunday afternoon. There
will be an informal program of ap-
propriate selections, both vocal and in-
strumental, by some of the musical
young men.

Among those who will perform are
Arthur and Olaf Jonassen, Roy Jensen,
Frank Young, Frank Watts, John Kel-
ler, Bert Stokes and R. C. Smedley.
The program will begin at 3:30, and
promises to be most enjoyable. All
men, and especially young men, are
invited.

The boys will meet at 2:15, as usual.
"The Enlisted Man" is the subject of
the talk to be given by H. E. Shiffer.
It is desired that all the boys be
present, as important announcements
will be made concerning the election
of officers which will take place next
week, and concerning some other vaca-
tion pleasures which are planned
for the boys.

Plans are being perfected for a
series of practical talks on the ten
commandments to be given before the
B. G. M. beginning in January. The
complete list will soon be ready for
publication, and it will prove attrac-
tive, giving a practical application of
the teachings of the commandments
to the everyday life of the boys.
