THIS IS A BONA-FIDE SALE of high grade merchandise at a saving to you of from 25 to 33 and one-third per cent, and not a few articles of trash offered to you as leaders, but nearly every article in our immense stock goes in this sale. All high grade new goods; remember that this is a new stock and not one single article has been on our floors over one year. This sale only comes once a year, and as we must make room for the carloads of new goods arriving every day we have placed at your disposal the greatest values ever offered in the Tri-Cities. Cash buyers will do well to investigate this sale, and if you are not ready to have the goods sent home, leave a deposit, and we will deliver the goods at any time required. Those not having the ready cash can take advantage of our liberal credit system and just tell the man to charge it.
