REGULARS AND SUBS IN BATTLE

Manager Tighe Puts His Recruits at Work on Each Other Yesterday.

HAVE INTERESTING GAME

Yanigans Lose by Score of 5 to 1—
Four of Twirlers Who Think They Have the Goods.

There was a hot game at Island City park yesterday afternoon despite the failure of the Galesburg team to appear in time to play with Manager Tighe's recruits. The Islander chief put his men through their paces in great style and they showed good form regardless of their enforced laying off for several days on account of the weather. The squad was divided into two teams, with practically all the regulars on one team and the remainder of the bunch on the other. The yanigans were made up mostly of pitchers and they were unable to cope successfully with the regulars, but at that they made things interesting. The regulars won the contest by a score of 5 to 1.

Cave in Form.

Cave opened on the mound for the regulars and for five innings he pitched masterful ball and allowed not a single man to reach first base. He shot the ball over the platter with all sorts of queer knicks and quirts and no one could touch him safely. Blenner, who followed Pug, was wild to start with, passing four men in a row and forcing in the only run made by the yanigans, but after that he, too, was invincible, and the game closed with no more runs having been scored.

Quesser did the hurting for the yanigans for the first five innings and showed that he has the right stuff. Four runs were garnered in the very first inning off him, but it was principally the fault of Eddie Kohl, who erred with the bases full and allowed two men to cross the platter. After this one bad inning was over, Quesser was just as hard to hit safely as was Cave and the two had a lively pitchers' battle with honors about even. Cominger followed Quesser on the mound and allowed one run in four rounds.

Almost Had Clinton.

Negotiations with Ted Sullivan of Clinton for a game tomorrow were almost completed, but had to be broken off because of the inability of some of the Clintonites to report in time to make up a team to play the Islanders. Sullivan hopes to be able to line up with the local team later on in the season.

Pathfinder Leaves Memphis.

Memphis, Tenn., April 21.—The official pathfinder of the 1910 Glidden tour crossed the Mississippi river early today, heading for Helena, Ark. The route from Grand Junction, Tenn., where the pathfinder spent Tuesday night, was found to be in good condition and the trip was made without incident.

MISS NICOLINE ZEDELER

Rock Island girl, just returned after a European triumph, is to make her first appearance as violin soloist in a concert with the Svea Male chorus at Moline tomorrow evening. Miss Zedeler had her earlier training at Augustana conservatory of music and served as leader of the children's orchestra of that institution. During her visit here she is a guest at the home of Mr. and Mrs. L. S. McCabe.

Zephyrs From the Diamond

Jess Ruby, ex-senator, is the only man signed by Manager Rowland of the Jacksonville Northern association team who has not reported.

Addie Jess repeated on the Chicago White Sox yesterday, holding their hitless and runless for nine innings. The score was 1 to 0 and the Sox are at the bottom of the American league heap after a week on their home grounds.

Monte McFarland, manager of the Clinton team, has been in Bloomington to see about securing some of the Bloomer surplus stock of players. He is after Lindberg, the Keupper brothers and several others who look exceptionally good.

The "pearl finders" has been officially designated as the nickname of the Muscatine ball team in the Northern association. By adopting this the directors feel that they have come close enough to the chief industry of the town without necessarily implying that any characteristics of the claim attach to the team.

Pearl Star: Jack Mercer, the lanky twirler who finished last season with the Distillers, arrived in town last evening from his winter home in Springfield, Ohio, and registered at Hotel de Ulster along with the rest of the Distiller recruits. Jack evidently intends to stay, for he brought with him two trunks and four suits of clothes.

Illinois State Register: While it has been given out that Jennings would let Hardin out for another year's training in the minors, it has been said that he has decided where he will place the old Islander. Hardin is in demand, but will probably go to Jack Hendricks' Denver Western league club. Springfield could have secured him, but to do so would have been at variance with the rule always followed not to have a "farmed" player, hence Kinsella said no to Jennings.

Announcement was made by Manager McGraw of the Glanits yesterday that he had released eight players. Pitchers Bell and Daly go back to the Springfield club, Montreal gets Outfielder Kommers and Catcher Curtis. Pitchers Durham and Temple and Outfielder Williams go to New Bedford and Outfielder Shaw to Toronto.

John Godwin has reported for duty to Manager Joe Keenan at Bloomington and is looking as fine as silk. He came from his home in New Cumberland, W. Va. Manager Keenan has decided to drop three of the recruits who had been working out for a Bloomer position. Pitcher Dick Sharp and Infielder Herbert Enger of Morris, Ill., and Outfielder Bert Maxey of Champaign were given their blue tickets.

Twelve of the 27 candidates for honors on the Danville Three-Eye league team have felt the weight of the official ax of Jack McCarthy on their necks up to date. Some have been sent to other minor leagues and some have been sent home or back to the bushes. Nineteen candidates are still in the running. One of the last of the candidates to be separated from the flock is Belgram, an outfielder. Belgram is sent by Manager McCarthy to the Wausau, Wis., team. "Kid" Whiting of Brook, Ind., goes to the Jacksonville team of the Northern association, Lyman Johnson of

An Impending Calamity

Might often be easily diverted if we took the necessary steps in time—but delays are dangerous and quick action is to be commended. For instance, if you owe money to tradesmen or others and for various reasons are unable to pay, don't wait until they get uneasy—until your credit is "all shot to pieces"—borrow the money of us and settle with them all. To be sure, you will be in our debt for a while, but all your other debts will be paid and by our terms and methods you will have ample time to pay us—easier to satisfy one creditor than half a dozen, especially where the one creditor does not expect you to make a large payment. Pay us a little a month, such payment to pay both principal and interest—that's our proposition.

Any amount from \$10 upwards. Drop in and let us explain in detail our fair and square plans. No charge of any kind unless we make you a loan. All dealings in quietest confidence.
