

## NINE SCORES IN A SINGLE INNING

Rock Island Wins First Game in Southern End of Circuit in One Round.

## UMPS BENCHES CAVET

Couchman Goes in Without Warming Up and Danville Nearly Ties on His Wildness.

### GAMES TOMORROW.

Rock Island at Danville. Davenport at Springfield. Waterloo at Bloomington. Dubuque at Peoria.

Danville, Ill., May 13.—(Special).—Harry Sullivan, the St. Louis Cardinal recently secured by Danville, made a nice ascension in the fifth, circling the diamond nine times before he was caught. Prior to this Tighe's men had put one across in the first when Ochs' high fly was muffed by Coombs and he advanced on Callahan's pass and O'Leary's single.

After Kohl had struck out in the fatal fifth Sullivan emulated Santos Dumont. Vogel and Cavet walked and both came home on Ochs' single to center. Manusch sacrificed and Callahan was walked. O'Leary singled to right, scoring Ochs, and Callahan went to third on the hit and throw in. Slattery was safe on a fielders' choice, both Callahan and O'Leary scoring on the play. Kohl singled to center. Kelley scoring. Vogel doubled into right center and Slattery and Kohl scored. Vogel scored on Cavet's rap.

Danville Gets a Few. Hits by Sullivan, Fisher and Burns, the latter a double, scored Sullivan in the third and in the fifth Cavet scored Fisher, when, with the bases full, he hit Hildebrand.

In the seventh, after Cavet had filled the bases, he was benched by Eckman for talking back to his umpship. Couchman went in cold and was naturally wild as a March hare, his performance being equalled only by that of Sullivan.

O. Sullivan singled to center for two bags. Burns singled to left. Boucher walked, filling the bags. Hildebrand hit, scoring Sullivan. Coombs singled to center, scoring Burns. Cooley walked, forcing in Boucher. Madigan then walked after Coombs had been declared scored, on a balk.

## Zephyrs From the Diamond

Friday, the 13th. Wonder if it will happen to us or to the other fellow.

Bill Lelivelt, the ex-Davenport pitcher who failed to make good with Detroit, has been turned over to the Minneapolis team.

In the effects Eastern league, which is quite English, all games have been called off for May 20, the date of the funeral of King Edward.

Must be Umpire Eckman was inoculated with something before he left Davenport, judging by his haste in chasing Cavet to the bench.

Harry Coveleskie, formerly with Philadelphia and this year with Cincinnati,

and Cooley scored on Sullivan's rap. Score:

## KNOCKERS' CLUB IS THREATENED HERE

Amusing Communications, With Foreign Earmarks, Received by Head of Association.

Identical notes have been received by President Warren H. Rock of the local baseball association and M. H. Sexton, and doubtless others, regarding the showing of the team thus far in the season and threatening to form a knockers' club in case the team does not improve. Inasmuch as the signer of the documents is not important enough to be in the city directory, there is reason to believe that the communications emanated from foreign territory, probably on the other side of the Mississippi river in a northerly direction from here. A knockers' club in Rock Island would be an oddity indeed, as the fans here are sticklers who are with the team, winning or losing, and who are boosters all of the time. In case the club should be organized, it is suggested that a special place in the grand stand be reserved for its members so that everyone may see them in action. They would be a drawing card in themselves in contrast to the good fans who make up the Rock Island baseball public, and while they would have to be taken out of town over night, no one would mind them very much in the day time.

## MAY TAKE FIGHT OVER TO NEVADA

Rickard Declares Jeffries and Johnson Will Meet Somewhere July 4.

San Francisco, May 13.—That there is an uneasiness among the men concerned with the Emeryville bout over the effect of the stopping of the Thomas-Papke fight on the big battle was manifested in the conversation at the beach yesterday afternoon.

"If it comes to the worst," said Rickard, who will not admit the anti-fight people have any chance, "we can pull the fight off in Nevada."

Goldfield and Tonopah were mentioned as the most likely spots in Nevada if the bout cannot be held in California.

There is apparently as much interest being taken at the Johnson camp these days in the widely discussed topic of who is to be the referee as is given to the preliminary training of the champion.

Jack Welch, who is Johnson's first choice, and Tex Rickard both had audiences with the fighter yesterday afternoon, while Wednesday Eddie Smith of Oakland was closeted with the colored champion. Rickard is admittedly afraid there will be a deadlock after the conference next Monday and he wants to smooth out difficulties if possible.

Johnson had but little to say after

has been released to the Birmingham team in the Southern league.

Ollie Gfroerer (recall that name?) has quit his job with Evansville to manage a new team at McLeansboro, Ill., and will take with him several other Central league players.

Down in Muscatine, where league baseball is new, the natives crowd into the outfield and stand open mouthed watching the stars perform. While thus occupied early this week August Philpott became so awestricken that he failed to get out of the way of an outfielder chasing a fly and was knocked over and spiked by the speeding athlete. He will not be able to work for a week.

the conferences. "I am still standing pat," he declared. "I maintain I have named two good men who have the confidence of the public in California, and one of them should be satisfactory."

Rheumatism Cured in 24 Hours.  
T. J. Blackmore, of Haller & Blackmore, Pittsburg, Pa., says: "A short time since I procured a bottle of Dr. Detchon's Relief for Rheumatism. It got me out of the house in 24 hours. I took to my bed with rheumatism nine months ago and Dr. Detchon's Relief for Rheumatism is the only medicine that did me any good. I had five of the best physicians in the city, but I received very little relief from them. I know Dr. Detchon's Relief for Rheumatism to be what it is represented and take pleasure in recommending it to other poor sufferers." ## WHITE'S BUM WORK FAULT

Meloan's Homer Puts Game on Ice for Senators—Sensational Ball in Other Cities.

Springfield, Ill., May 13.—In the sixth inning of a grand game Meloan smashed one over the right field fence and over a passing train for a home run, sending a man across ahead of him. The poor work of Umpire White occasioned much talking, which ended in a one round bout between Hickman of Davenport, President Kinsella and the umpire, after the game. Spectators and Davenport players parted the trio.
