

CAVET IN WORLD'S STRIKE OUT PACE

Islander Twirler Breezes 23 Men in 19-Inning Game With Dubuque.

ERRORS LOCALS' UNDOING

Two Timely Hits Help to Turn the Tide Towards the Visitors—Score is Four to Two.

GAMTS TOMORROW.
Rock Island at Dubuque.
Davenport at Waterloo.
Springfield at Peoria.
Danville at Bloomington.

A long drawn out contest, in which two records went by the boards, was played yesterday afternoon at the local park by the Islanders and the Dubuque aggregation, and the visitors finally copped the peanuts by a score of 4 to 2. The game lasted 19 full innings, and thereby a new record for the season was set, but better than this, Pug Cavet, who twirled for the losers, set an even better record, one which in all probability is a world's record. In the 19 sessions he struck out 23 men, and had he been able to keep up the pace that he went for the first 12 innings of the game, he might have had an even better record, for in the first 12 rounds he allowed only two hits and but one run. The visitors fell upon him in the 14th and 19th innings, however, and in the final one an unfortunate combination of two hits with two errors lost the game for the Islanders.

Pug the Whole Show.
The truth of the matter is that Pug was the whole works for the Islanders, for his teammates were not up to snuff at the hitting game, and at least three brilliant chances to win the game were allowed to slip by. Pug pitched and pitched, and then pitched some more, and he was in fine form nearly all the time, although he had really a bad session in the first inning. After two were down he passed two in a row, and then hit two more, forcing one over the plate without a hit having been made off him. After that he settled down, and it was not until the 14th that another run was made off him, and then it was the result of one long drive over the west fence. Charley Buelow did the business, but there was no one on base to profit by the drive and Charley had to trot around the circuit all by his lonesome. Pug let down for a minute and allowed two more singles before retiring the side, but after the game had been tied up again, he was back on the job strong once more.

How Islanders Scored.
The Islanders made their first run in the fifth inning, when Slattery opened with a two-sacker, and went to third on Kelly's out at first. Snyder failed to deliver, but Vogel slammed a hot one to Pitcher Akers which the visiting slaban could not handle, and Slats counted. In the 14th, when a run was needed to tie up the game and save it for the time being, Manusch hit and stole second. O'Leary and Slattery failed to advance him, but Kelly produced a healthy wallop between second and first which Jasper could not stop, and the speedy George came home before the ball was fielded. There were no more tallies made by the Islanders, although they had numerous chances where a hit would have won the game. The batter invariably fell down before Akers, however, and the winning Islander run was not forthcoming.

Error is Costly.
Lerchen opened the 19th with a poke to Vogel, who failed by an inch to throw the runner out at first. Boucher followed with a grounder down the first base line which Slats stumbled enough for Vogel to get, but Otto fumbled the ball several times, and finally dropped it altogether, and failed to get Boucher. That put two on the sacks. Akers bunted to Cavet, who threw the runner out at third. The latter slid in under Kelly and knocked him off his feet.

feet, but Harry hurried up and threw to first to get Akers, who had almost forgotten to run. Harry had plenty of time to make a good throw, but he didn't seem to realize it, and the ball sailed over Slattery's head and into the bleachers, allowing Boucher to score with the run that really won the game. Akers went to second and scored on Taylor's drive to right center. That ended the scoring, for a double play, Manusch to Kelly, ended the inning, and when the Islanders had taken their last trial, the game was over. The score:

NOTES OF THE GAME

The Islanders left today for Dubuque.
Two games with the Miners on their own grounds, and then there will be a clash across the river with the Prodigals.

It was Dubuque's last appearance here, and it was a fitting one, as Dubuque is the only team which has won a majority of its games from the champions.

Records seemed due to fall yesterday, for had the game not gone beyond the prescribed limits it would have set a new league record for the season in point of time. It took just 1:12 to play nine innings. One hour and a quarter is considered remarkably fast time.

Besides breaking two records, the respective contestants pulled off a number of spectacular plays, in which the Darringer boys featured for the visitors and Snyder, Vogel, Callahan and Slattery for the home team. Cal took a line drive at top speed, Snyder threw a man out at first base while sitting on the ground in his position. Vogel made a beautiful one-handed stop of a grounder and got his man at first, and Slattery pulled down a wild throw with one hand and tagged the runner out as he passed by. Altogether it was a game well worth seeing.

You tax the kidneys—overwork them—They can't keep up the continual strain. The back gives out—it aches and pains; Urinary troubles set in. Don't wait longer—take Doan's Kidney Pills. Rock Island people tell you how they act.

P. C. Beselin, 1324 Fifth avenue, Rock Island, Ill., says: "I am obliged to do heavy lifting at times and no doubt my kidneys were weakened in this way. The chief symptom of my trouble was backache, coupled with pains in my sides and across my kidneys. The kidney secretions were very irregular. Seeing Doan's Kidney Pills advertised, I obtained a box at the Horner House pharmacy and after I had used the contents, I was entirely free from my trouble. I am only too pleased to recommend Doan's Kidney Pills to other sufferers of kidney complaint."
