Twenty-five Year Franchise Asked-Otto Adams Petition for Saloon Permit Is Denied.

Having failed in an attempt to purchase the property of the Union Electric Telephone & Telegraph company. the Tri-City Independent Home Telephone company last night presented to said the hose would stand. The mothe Rock Island city council an ordinance for the construction and maintenance of a new telephone system

In the ordinance which the company desires the council to grant it is stated that for the use of the officers and employes of the city 30 sets of telephone instruments and 10 sets of instruments for the use of the fire alarm and police patrol system shall be given free of charge by the company. The rates which the company will charge during the life of its franchise will be as follows: "Up to such time as the company has in operation 6,000 telephones. the service shall not exceed for a business telephone \$36 per year, and a res-Mence telephone \$18 per year. each 1,000 telephones the company has in excess of said 6,000 named an additional charge of 25 cents per month may be made." The life of the franchise is to be 25 years. The ordinance was referred to the ordinance committee. It is hardly probable that any action will be taken by the present ed

SALOON LICENSE DENIED.

The petition of Otto Adams for a license to conduct a saloon on Forty, and a report, sixth street was rejected upon recommendation of Mayor G. W. McCaskrin, to whom it was referred by the council. In making his report the mayor cited the fact that the petition is inadequate as to the number of feet frontage required by the city ordinance; that it does not represent a number affixed to a building where the saloon is to be located, and that in recognition of the large number of persons protesting in the vicinity requires a sitte' compliance of the law before the g an' could be made.
