

HEAR EVERY SIDE OF SCHOOL LIFE

Superintendent H. B. Hayden Returns From Educational Meet in South.

THE STUDY OF HYGIENE

Proves Prominent Topic Before the Gathering—To San Francisco This Summer.

Superintendent of Schools H. B. Hayden has returned home from Mobile, Ala., where he attended the annual meeting of the department of superintendence of the National Educational association, in session at that city Feb. 22 to 24, inclusive. There were present at the convention, 1,000 delegates representative of the United States government commissioners, state superintendents, city and county superintendents and educators prominent in university and college work. The convention was held in the largest auditorium in Mobile, and the educational progress in the cities, in the states and in the nation for the past 10 years, was fully covered, as was the present method and work of the schools.

PHYSICAL WELL-BEING CONSIDERED.

The care of the physical well being of the child was a subject which was thoroughly discussed. The importance of the study of hygiene, physical and manual training was emphasized and the recent movement for open-air schools was explained. The addresses of the convention were by the most prominent educators in the country. This was the important meeting of the association of the year, as it was the smallest one and all those who were present had an opportunity of securing any desired information.

Next meet at Frisco. The association will meet in San Francisco this summer and at that time the attendance will reach at least 15,000. Superintendent Hayden visited at New Orleans and other cities while enroute home. G. A. Andreen, president of Augustana college who also attended the meeting, has not yet returned to this city, having gone to Texas for a short lecture tour.

BOOSTS THEATRE

Rock Island Southern Will Start Tomorrow Series of Special Cars.

BRING PATRONS TO CITY

If First Trials Prove That Sufficient Interest Exists Feature Will Be Made Regular.

Theatre specials over the Rock Island Southern are the latest innovations to be announced by the traffic manager of that road and the first of these trips will be Saturday evening at which time "The Sweetest Girl in Paris" will be the attraction at the Illinois theatre. Manager R. H. Taylor of the theatre and Traf-

fic Manager H. W. Stewart have been conferring for some time as to the advisability of running such specials and it has finally been decided to give the proposition a trial. The results are already apparent as many reservations of seats have come in from the residents along the line of the Southern as far as Alledo.

EXPECT BIG CROWD. It is expected that from 200 to 400 people will make the trip and if it proves popular there will be specials of similar nature run whenever there is a show at the Illinois that warrants it. The main drawback to the plans is that the passengers can not be brought into the city as the Rock Island Southern comes only to the outskirts.

SEARCH IS ASKED FOR BUFFALO MAN

Disappears Sunday and Fear Is Felt He May Have Been Murdered.

Relatives of Frank Zeiber, a saloonkeeper of Buffalo, Iowa, have asked the police of the three cities to aid in a search for him, as he has not been seen so far as can be learned, since Sunday night when he left home for Davenport with \$200 on his person. The supposition is that he was robbed and murdered, but this cannot be verified. There are some who think that possibly he went to Chicago for a pleasure trip and will return to his home in a few days. The missing man is 28 years old and unmarried.

AGED LADY FALLS AND BREAKS HIP

Mrs. Mary A. Daly Is Victim of Serious Accident While Visiting at Home of Friends.

Mrs. Mary A. Daly, 820 Seventeenth street, sustained a serious fracture of her left hip yesterday evening about 8 o'clock while visiting with Mr. and Mrs. T. J. Carney, 725 Fourteenth-and-a-half street. She was leaving the house at the time the accident occurred. While stepping down from the porch in front of the house, her foot caught on the steps and she was precipitated to the ground. Dr. E. M. Sala was called and she was taken to his office, where the extent of her injuries was discovered by means of the X-ray machine. Later on she was removed to St. Anthony's hospital. Because of her advanced years the fracture is quite serious.

Ucal Lodge Election. Ucal lodge, No. 608, I. O. O. F. last evening elected the following officers: Noble grand—Charles Forsberg. Vice grand—George Clapper. Recording secretary—William Guldenzopf. Permanent secretary—S. R. Wright. Treasurer—Jonas Bear. Trustees—J. C. Gardner, W. C. Dale, D. W. Hathaway, Fred Schnitzler, P. O. Fisher.

Woman Seeks Separation. Mrs. Carrie May Garrett of Moline filed a suit for divorce this afternoon in the circuit court in which she claimed that her husband, William Garrett, deserted her four years ago. She also alleges that he was cruel. The couple are the parents of three children. Attorney W. E. Whiteside represents the plaintiff.

STORK IS HELD

Placed Under Bonds of \$1,000 on the Charge of Crime Against Children.

DENIES HE IS GUILTY

Says Charges Against Him Are False but Magistrate Smith Takes No Stock in Claim.

Harry "Piggy" Stork was held to the grand jury this morning under bonds of \$1,000 on a charge of taking liberties with children. The complaint was made by the mother of Ruth Penn, the 5-year-old colored girl whom it is alleged Stork assaulted in criminal manner. The crime occurred Wednesday evening in the vicinity of Twelfth street and Fifth avenue. The child claims that Stork seized her and dragged her behind a high board fence where the alleged crime took place. The defendant denied every statement made by the little colored girl, but Police Magistrate C. J. Smith before whom the preliminary hearing took place, refused to place any dependence in his statements because of the record he bears in the police court.

WHAT TO DO A PUZZLE.

The question of what to do with young Stork, is a puzzle that the police have about decided to give up and leave it to the state's attorney to answer. He has been arrested time and again, but sufficient proof could not be obtained against him to warrant his being sent either to prison or to the institution for the criminal insane. Some time ago he was committed to Watertown after a hearing in the county court and he was kept there three weeks during which time he demeaned himself so well that he was paroled.

PORTY DAYS FOR AUGUSTINE. Debs Augustine was sentenced to 40 days in jail by Police Magistrate C. J. Smith this morning. The charge against Debs was the usual one, drunk and disorderly, and he pleaded guilty. He had often been warned that the limit fine would be imposed unless he kept away from the booze bazaar and the consequent results and this morning he got it. George Fargo and Harry Marshall of Moline were fined \$5 and costs each this morning on a charge of disorderly conduct. Last night they went joy riding in a rig after imbibing rather freely and they drove their horse faster than Officer Kinney thought advisable and he picked them up.

SEQUEL IN WILL

Last Testament of Claus Muentner Shows Regard for Man Who Slew Him.

CUT OFF OWN CHILDREN

Young Brandenburg, the Step-son, Given All Property on Death of the Wife.

The will of Claus Muentner, who on Monday evening was shot and killed by his step-son, Rudolph Brandenburg, was probated in Davenport today. All property after his wife's death is left to Brandenburg. One of his own daughters is cut off with \$5 and his own son is cut out of an inheritance altogether.

SENTIMENT WITH BOY.

Although the prevailing sentiment of Davenporters and others who have interested themselves in the case of Rudolph Brandenburg, Police Magistrate Toddewig this morning saw fit to bind the young man over to the grand jury on the charge of murder, and until the case has been investigated by the grand jury in the April term, Brandenburg will be held at the Scott county jail without bond.

FRIENDS CLAIM JUSTIFICATION.

A large number of friends of the young man have expressed themselves in favor of having him discharged, as the murder of his step-father, they say, was justified. The police court was this morning filled to overflowing with people interested in the case. The decision of the court to hold the young man to the grand jury on a charge of murder in the first degree was quietly received. The preliminary hearing lasted for only three minutes.

TOOK HIM OFF GUARD THEN BATTED HIM

Officer Starofsky of Moline Police Finds That There Was No Joke About This Performance.

After slapping Nostic Starofsky, night desk sergeant of the Moline police department on the shoulder in a friendly manner and telling him that he was a good fellow and all that sort of thing, a Lithuanian, who hails from Chicago, suddenly let loose and before the officer was aware of what was taking place, a blow on the head had felled him to the ground. Starofsky quickly recovered his equilibrium and then called into the Lithuanian and after he had been cuffed and chewed up somewhat, he succeeded in subduing his man sufficiently so that he was able to pilot him to the Moline police station. This morning, the Lithuanian was given 40 days on a charge of assault.

A call was received at the station last night for aid from an officer who was wanted to quell a disturbance at

a boarding house in the west end of town. The desk sergeant went to the scene of the trouble and those who had asked for assistance stated that they only wanted an officer to scare a Lithuanian who was becoming riotous. Starofsky succeeded in his mission admirably for some few minutes, and then offered his services as an escort to the railroad station where the noisy man with his wife was to board a train for Chicago. The struggle occurred at Thirteenth street and Fourth avenue.

REVOLVER SHOT FIRED INTO CAR

Police Believe That Pedestrian Made Attempt to Murder a Passenger.

LATTER WAS WITH WOMAN

Target for Bullet Cut by Flying Glass But He Is Otherwise Uninjured.

What looks on the face of it like an attempt at murder occurred about midnight last night when a shot from a revolver was fired into a Fourth avenue line street car, westbound. Only a few passengers were in the car when it arrived opposite the Rock Island Brewing company's plant on Fifth avenue at Thirty-second street. Among those on the car were a man and a woman, who were seated together. Suddenly a shot rang out and at the same instant the window at the side of the above mentioned man, who later gave his name as John Williams of Davenport, was broken into a hundred pieces and the fragments were dashed into his face, inflicting a number of painful, though not serious cuts.

The woman screamed, and then cried: "Sweetheart, he tried to kill you!"

MAN SEEN RUNNING.

Officer South made a hurried investigation at the car and then started out to find the man who had done the shooting, but he was unable to locate him, although he managed to get a clew as to his identity. Two men at the street car barn at Thirty-fifth street reported that soon after the firing of the shot, a man ran eastward past the barn, and he carried his hand under his coat as though he had something which he wished to conceal. He was described as short, with a smooth face, what seemed to be a scar on his face, a soft hat, and dark clothing. The police are trying to find this man. Williams was allowed to continue on to Davenport and nothing more has been heard from him.

TO BAND ALUMNI

Augustana Graduates in Tri-Cities Will Meet Monday to Organize.

MOVEMENT IS GENERAL

Similar Associations Being Formed in the Larger Centers all Over the Synod.

The Augustana alumni of the tri-cities are planning to organize themselves into an association and a meeting has been called for that purpose Monday evening, March 6, at 8 o'clock in the college parlors. Besides the business meeting, there will be an impromptu program and refreshments will be served.

About 75 alumni of Augustana reside in the tri-cities. The organization meeting is in charge of Grant Hultberg and Mrs. K. T. Anderson. The object of the proposed association is to create a greater interest in the college and to promote its general welfare, aiding, the alma mater by every means possible.

ALL OVER SYNOD.

The work of organizing alumni associations is going on all over the synod. In Minneapolis and St. Paul there is a very flourishing and active Augustana alumni association. Steps are now under way to organize associations in Chicago, Jamestown, N. Y., Rockford and Galesburg. It is planned to organize in Galesburg during the meeting of the Illinois conference which will be held there March 28-April 1.
