

TO DISPUTE
POWERS OF
THE SENATEHabeas Corpus to Follow
the Arrest of
Tilden.

WARRANTS NOW OUT

Upper House of Illinois Legisla-
ture Backs Up the Helm
Committee.

Chicago, April 27.—The arrest of Edward Tilden, George M. Benedict, and William C. Cummings on charges of contempt of the Illinois senate will not occur until tomorrow, it was announced today. Immediately following the arrests a petition for a writ of habeas corpus will be filed in one of the courts.

WARRANTS SIGNED.
Springfield, Ill., April 27.—Lieutenant Governor Oglesby this morning signed warrants for the arrest of Edward Tilden, W. C. Cummings and George M. Benedict, ordered last evening by the senate. An officer left immediately for Chicago to serve the warrants.

DECLARED IN CONTEMPT.
Springfield, Ill., April 27.—Edward Tilden, Chicago packer, with William C. Cummings and George M. Benedict, president and cashier of the Drovers' Trust and Savings bank of Chicago, were declared in contempt by the Illinois senate last night and warrants were issued for their arrest. The vote was 40 yeas to 7 nays.

Those voting against the arrest order were Ball, Barr, Broderick, Carroll, Curtis, Forst and Gorman.

Those absent and not voting were: Bailey, Denver, Gibson and Lish. Warrants for Tilden, Benedict and Cummings were placed in the hands of E. H. Hatfield of Lincoln, assistant sergeant at arms of the senate. He was directed to proceed immediately to Chicago and make the arrests.

On motion of Representative John Bailey of Peoria the senate directed Attorney John J. Healy to accompany Hatfield and represent him in any habeas corpus proceedings that may be started.

EXPECTS DAMAGING EVIDENCE.
The committee believes these bank accounts will show evidence of the use of money in the election of William Lorimer to the United States senate. Tilden had submitted an affidavit that these accounts show nothing bearing upon the election of Lorimer. He also offered to allow one member to examine and examine the bank accounts. The committee refused to allow Tilden to dictate the conditions upon which the bank accounts should be investigated.

Lieutenant Governor Oglesby announced that he would not assume responsibility of issuing the warrants for the arrest of the three Chicago men. Senator Helm then placed such responsibility upon the body of the senate in a motion directing Lieutenant Governor Oglesby to issue the warrants and to order the sergeant at arms of the senate or his assistants or the sheriff of Sangamon county or any constable of that county to bring Tilden and the others before the bar of the senate.

ARGUED ALL DAY.
The senate's order for the arrest of Tilden, Cummings and Benedict followed an entire day of legal argument by counsel for both sides, and debate by members before the body of the senate.

Attorney John J. Healy appeared for the bribery investigation committee. The senate chamber and galleries were packed to their doors throughout the day.

Speaker Adkins of the house was forced several times to send the house sergeant at arms for members to get a quorum.

When the legal arguments had concluded Senator Walter Clyde Jones of Chicago, made an emphatic speech demanding the arrest of Tilden.

Senator Richard J. Barr, of Joliet declared that the body of the senate was not familiar with the legal aspects of the testimony and for that reason he asked a postponement.

PUT UP TO SENATE.
Senator Helm, chairman of the bribery committee, asserted that the Chicago men had assumed a position of superiority toward the committee and the senate. He said that unless the senate stood behind the committee in this crisis, the bribery inquiry would come to naught.

Sensor Logan Hay, of the bribery committee, followed demanding Tilden's arrest. The result of the roll-call was a surprise to many members. Friends of Senator Lorimer, had said

SPAIN PROTESTS
Killing of Six Subjects
of Alfonso.

ARE SHOT DOWN IN PUEBLA

Result of Attack on Ranch—Three Nations Now Involved with Diaz's Government.

City of Mexico, April 27.—Spain, through its minister to Mexico, Bernardo de Cologan y Cologan, has made formal protest to the foreign office against the assassination of six subjects of King Alfonso in the state of Puebla last Monday.

With this registering of Spain's protest Mexico now finds itself in diplomatic controversies with three nations as the result of incidents growing out of the revolution. It is not believed, however, that the difficulties with the last two—Spain and Great Britain—will involve anything more serious than the formal exchange of notes.

SHOOT DEFENSELESS MEN.
The incident that has resulted in the Spanish representations occurred on the Atencingo hacienda in the state of Puebla, the property of Angel Diaz Rubin, a Spaniard. A small band of rebels swooped down upon the office of the hacienda, where nine of the employees, all Spaniards, were gathered, and demanded 5,000 pesos. They were told they could have no money. In reply the rebels declared they wanted more than money; that they wanted the lives of the ranchers, and then began an onslaught with machetes. The Spaniards fled, but the rebels shot and six of the nine men fell fatally wounded.

Yesterday afternoon Minister De La Barra gave assurances that his country would do all in its power to punish the guilty persons and expressed his deep regret that such an incident should have occurred.
