

NEGRO ROBBER IS MET BY A BULLET

Instantly Killed While Breaking Into House in the East End of City.

IDENTITY IS A MYSTERY

Is Believed to Have Robbed Several Places—Slayer Held by the Police.

The dead negro was identified today as George Pinkster of St. Paul. His widow resides there.

While in the act of entering a residence at 414 Forty-sixth street, at 2:45 this morning, a negro whose identity has not yet been learned was shot through the brain and killed, the bullet taking effect in the left eye and traveling on a line to the back portion of the skull. The bullet which killed him was fired by Andrew Dimoulakis, one of the occupants of the house. Harry Hrones, another of the occupants of the house through an interpreter told the story of the shooting as follows:

"At about 2:45 this morning Dimoulakis was awakened by a sick man in the house who told him someone was breaking in. He raised up and looked out through the pantry window where he could see the negro's head. He had a revolver under his pillow and drew it and shot. The negro fell across the window frame. I went to a saloon near by and telephoned to the police."

DID OTHER JOBS. Hrones also stated that the negro had been in a small restaurant at 214 Third avenue, Moline, earlier in the night and that he thought he had robbed that place. The negro came here about three or four weeks from St. Paul. Since that time three attempts at burglary have been made. On July 4 the restaurant called by

the Greeks a "coffee house" was robbed and the same night the residence at 414 Forty-sixth street was broken into. The Greeks think the negro was responsible for all these. Dimoulakis who did the shooting is being held pending the inquest which was held at 2 this afternoon.

IDENTITY A MYSTERY. No name could be found on the negro's person. He wore a pair of shoes marked Dolly Brothers, a coat labeled St. Paul, and the laundry mark on the shirt collar was G. F. From these facts the police hope to work out his identity. An inquest was held this afternoon by Coroner J. F. Rose.

THE GRAIN MARKET.

Liverpool Grain.
Liverpool, July 18.—Wheat opened steady with the undertone firm. Support was due to shorts covering and prominent support on the firmer and free American offers and growing scarcity of spot. Foreign crop conditions as shown by the summary are less favorable with harvesting returns in the United Kingdom disappointing. It is expected that the European visible will show a decrease this week. Reports from India are less favorable regarding the monsoon, and reports from Russia regarding the winter wheat outlook are bullish. At 1:30 p. m. wheat was firm and ½ to ½ higher.
Corn opened lower on the favorable American weather, but later advanced in sympathy with wheat. At mid-day the market was steady to unchanged, ¼ higher than yesterday.

SAGE FOR DARKENING THE HAIR.
There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance, they made a brew of sage leaves and applied it to their hair with wonderful beneficial effect. Nowadays we don't have to resort to the old-time, tiresome method of gathering the herbs and making the brew. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product. Wyeth's Sage and Sulphur, containing sage in the proper strength, with the addition of Sulphur, another old-time scalp remedy. This preparation is sold by all first-class druggists for 50c, and \$1.00 a bottle, or is sent direct by the Wyeth Chemical Company, 71 Cortlandt St., New York City, on receipt of price.

Mrs. Powell Almost Dead

Dry Ridge, Ky.—"I could hardly walk across the room," says Mrs. Lydia Powell of Dry Ridge, "before I tried Cardui. I was so poorly, I was almost dead. Now, I can walk four miles and do my work with much ease. I praise Cardui for my wonderful cure." Cardui is successful in benefiting sick women, because it is composed of ingredients that act specifically on the womanly constitution, relieving headache, backache, irregularity, misery and distress. Only a good medicine could show such continual increase in popularity as Cardui has for the past 50 years. Try Cardui, the woman's tonic.
