## DAVENPORT

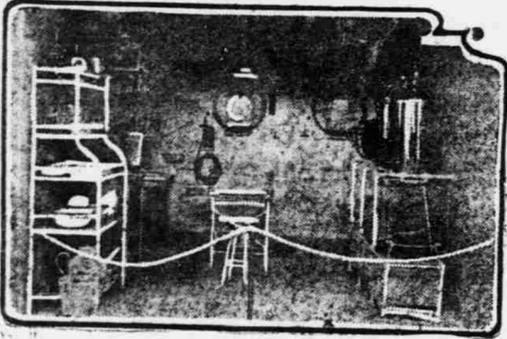

**Tries to Suicide.**—Otto Heuck, aged 31, 1215 West Second street, is at St. Luke's hospital suffering from acid burns, the result of making an attempt to end his life Friday night at 9 o'clock by swallowing carbolic acid. He will recover. The police were summoned to his residence by phone, the informant stating that Heuck was in a dying condition. The report was investigated by two officers and a physician and Heuck was removed to the hospital. It is said a love affair is at the bottom of the trouble.

**Victim of Tetanus.**—Eddie Ruge, the 15-year-old son of Henry Ruge, 1449 West Lombard street, died Saturday noon at Mercy hospital, a victim of lockjaw. His death came as the result of an accident which occurred a week ago yesterday at Fourth and Scott streets. He was with his father on a city wagon and in some manner his foot was caught in the wheel and the top of the member torn off. His foot was not amputated in the hopes of saving it and Thursday evening tetanus set in. He was at once removed from his home to the hospital. He leaves, besides his parents, the following brothers and sister: Emil, James, Charles, William, Herman and Anna Ruge. The young fellow was well known in the business section of the city and was well liked.

**Obituary Record.**—John W. Blackman died at 1 o'clock Saturday morning, after a lingering illness at the age of 64 years. He was a resident of East Davenport for many years preceding his death. The only survivor is a brother, F. B. Blackman of Danabue, Iowa. The remains were sent to Pleasant Valley Sunday over the I. & L. railway, and services were held at the Lutheran church. Interment took place in the cemetery at Pleasant Valley.

Mrs. Theresa Schlapkohl, wife of Ferdinand Schlapkohl, passed away Saturday morning at 6:45 o'clock at her home, 2926 Harrison street, after a lingering illness, at the age of 61 years. Mrs. Schlapkohl was born in Germany, Nov. 20, 1849, coming to this

## EXHIBIT OF BATTLESHIP OPERATING ROOM EXCITES MEDICAL MEN'S INTEREST

At the International Red Cross Congress now being held at Washington there are many interesting exhibits. Not the least interesting is an exhibit of a United States battleship operating room. It will be especially appreciated by medical men.

country in the year, 1862, and direct to Davenport. In 1868 she was united in marriage to Ferdinand Schlapkohl of this city, who survives her, in addition to six children, Mrs. Charles Korn, Mrs. Chris Wohler, the Misses Marie, Dorothy and Tekla Schlapkohl of Davenport and W. C. Schlapkohl of Durant, Iowa. One sister, Mrs. William Meyer, of Davenport also survives. The funeral was held from the home this afternoon at 2 o'clock, with interment in Fairmount cemetery.

Donel Garman, Rev. A. Arthur Griffes, Miss Mary Holcomb, Mrs. Ruth Howe, Mrs. William E. Hogan, James Haley, J. D. Hollowell, Charles Hopper, Frank Howard, M. Halley, Miss Gussie Jackson, W. F. Johnston, William Kennedy, Maud Kalrchner, Carrie Lomes, Lottie Milkinson, Miss Margaret Mark, Miss Alice E. Morley, Mrs. John Mace, C. A. Miller, Roy McLaughlin, M. M. McCullough, Mrs. E. Norton, Mrs. Bertie E. Nix, J. B. Nyerly, George H. Pitts, Mrs. Sara Strauss, Miss Maud Smith, Mrs. Fred Sorgenfrel, Louis F. Schatz, A. W. Sellman, Miss Elsie Weise, Jesse Wilson, Charles B. Williamson, Miss Mary Young, Mrs. Millie Zoockler. Foreign—Pereia Parada Ricardo, Mrs. Nellie Smyth, Heinrich Christian Scheff, Klaus Heinrich Christian Scheff.

HUGH A. J. McDONALD, Postmaster.

St. Peter, Minn.—Arrangements have been completed for the jubilee in commemoration of the 50th anniversary of the founding of Gustavus Adolphus college here.

## MOLINE

**Police Report of Year.**—Arrests to the number of 950 were made by the 20 members of the Moline police department during the fiscal year ended March 31, 1912, according to report of O. M. Bisant, chief of police. Of the total 874 arrests were on specified state charges and 576 were on city charges. Officer Henry Lebbert made the most arrests—125.

**Speeders Are Arrested.**—Edward Godwin, colored chauffeur for W. L. Velle, has been summoned to appear before Police Magistrate Gustafson and answer to a charge of automobile speeding. Complaint was filed Friday evening by Commissioner E. L. Eastman, following the filing of a number of complaints with him by citizens living on Twelfth street. Ralph Brimmer, driver for Fred R. Young, was also arrested on a warrant charging him with exceeding the speed limit with an automobile.

**Oppose Water Barrels.**—Decision was reached Saturday forenoon by the city not to furnish ice for the water barrels which are placed about the city by the W. C. T. U. This decision was reached after a petition had been presented to the board by Commissioner Eastman in behalf of the temperance organization, requesting the city to furnish ice for the barrels. The complaint is that the barrels are not sanitary. "If the W. C. T. U. would take up the matter of installing bubbling fountains we would be glad to furnish ice," said a commissioner this forenoon. "We need three more bubbling fountains—one each in the east and west ends of the city and one on the bluff."

**Obituary Record.**—Louis W. Simmonds, better known to acquaintances and residents of Moline for nearly a half century as "Bill" Simmonds, passed to his rest at 3:50 Saturday morning. Mr. Simmonds was born in Washington county, Indiana, March 22, 1839, so that at the time of death he had arrived at the age of 73 years, 1 month and 18 days. As a young man he enlisted with a company of Indiana volunteers that saw service during a greater part of the four years' Civil war. The funeral was held this afternoon.

## HOUSES IN ENGLAND.

**Hot in Summer and Seldom Really Warm in Winter.**

The Englishman is always surprised by his climate. And you may find that surprise on the face of the man who never prepares for anything but moderate temperature. It is cold. It is hot. The Englishman has built his house on the supposition that it is never going to be either—just temperate. In hot weather he does not think of electric fans, and in cold weather he shrugs his shoulders and endures the cold. But his house is seldom really warm. The Englishman has never taken to his bosom the question of cold. The fireplace is an absurdity. It warms but a section of the room, and few can afford to warm a whole house with fireplaces in every corner!

Lady Mary Wortley Montagu found in Vienna that life would be intolerable (in December) without furs and stoves. And she is surprised at "our obstinacy in shaking with cold six months in the year rather than make use of stoves, which are certainly one of the greatest conveniences of life."

So far from spilling a room, they add to the magnificence of it as shaped in Vienna and Dresden, says Lady Mary. She threatened that on her return there would be a stove in her chamber; but, while the Berliners often is still the warmer of the homes across the channel, we stick to the expensive and incompetent fireplace that warms only a corner of the room and one joint of the human body at a time.—London Chronicle.

## FENCES THAT BLOOM.

**They Grow Twenty Feet High and Are Armed With Great Thorns.**

Throughout the older parts of Mexico, Texas and New Mexico many of the fences around the corrals and often the gardens are made of "ocotilla." This is a cactus-like plant growing in a stalk form and often reaching a height of twenty or twenty-five feet. It is completely covered with long, stout thorns.

The stalk is tough, hard to cut, almost impossible to break, and, growing to the height it does, it makes an effective protection. It is planted usually in three or four alternate rows and is held together by buckskin strings or with strong wire. It needs but little water.

I believe this ocotilla fence would be found very satisfactory to use on country estates, and even the owner of a modest plot of ground would find it a good thing. It prevents stock from breaking in, effectively keeps at a distance all marauders and when in bloom is a beautiful sight, for at the tip of the stalk there comes early in summer a cluster of deep crimson, ball shaped blossoms. I remember once the astonished, almost horrified, expression of an eastern woman to whom I mentioned the beauty of the coral fence when in bloom.—Country Life in America.

# The Keeley Cure for the Liquor Disease

## Has No Rivals as Far as Results Are Concerned

The Keeley Institute, Dwight, Ill.

Beautiful location. Delightful surroundings. Finest accommodations. Fireproof. Equipped with every modern convenience for comfort and safety.

## The Keeley Cure Is Permanent

"This is the twentieth anniversary of my reincarnation and release from the bondage of the Demon Rum. Completely cured—the accursed appetite never to return."

This is a sample letter; we have many, many thousands like it. But we never publish names of patients, without their consent.

In a number of instances we are allowed to use names of men who have been cured, as references, and will be glad to do so, and convince inquirers of the truth of our claims, if desired.

We manufacture and sell Home Remedies which cure the Tobacco Habit and many forms of nervous troubles.

## Full Information on Request

Booklets and full detailed information sent in sealed, plain envelope on request.

You can save that brother, relative, friend, employe from ruin, disgrace and death? Will you do it?

400,000 men have been saved by the Keeley treatment during the last 32 years! 400,000 families restored to happiness! New hope and joy and ambition brought into the lives of approximately 2,000,000 people! Isn't there someone you can help?

## Drunkenness is a Disease

Dr. Leslie E. Keeley proved that drunkenness is a true disease. It affects the nerve cells, producing in them a demand for alcoholic food. And it paralyzes the sufferer's will power and ability to resist.

Not one man in a thousand can stop immoderate drinking of his own accord. No more than he can cure himself of smallpox or brain fever. He must have help!

## How the Keeley Treatment Cures

The Keeley remedies cure by removing the artificial alcoholic appetite from the nerve cells, and restoring them to their natural condition. The Keeley medicines are nerve tonics. They cause no sickness or nausea. They are absolutely non-injurious and leave no ill effects of any kind.

The "craving" for drink is not the disease. It is simply the symptom of the disease, just as a cough is a symptom of some irritation or inflammation. When the nerve cells are restored to their normal, healthy condition, the appetite for alcohol disappears.

We also cure Opium, Morphine and other drug addictions. The drug is withdrawn gradually and there is no shock, collapse, prostration or sickness. Full particulars in plain, sealed envelope on request.

We have a Chicago office, Suite 606 Rector Building, 79 W. Monroe Street, where arrangements may be made. **THE LESLIE E. KEELEY CO.** DWIGHT, ILL.

## WHITE SLAVERS ARE HIT BY GOVERNMENT CHIEF

Louisville, Ky., May 13.—Stanley W. Finch, chief of the bureau of investigation of the United States department of justice, who addressed the congress of the World's Purity Federation, devoted a considerable portion of his speech to a discussion of the methods used by white slave traffickers in procuring their victims.

Mr. Finch explained at length the probable causes which impel the so-called white slaves to continue their immoral lives after they have realized their ignominy. He pointed out that the majority of the victims are from good families and have family pride, and that their persecutors make them continue this life under the threat of exposing them to their friends and acquaintances of other days, many of whom believe the girls dead or earning honest livings in distant cities.

The speaker stated that not less than 25,000 young women and girls are annually procured for the white slave traffic, and that not less than 50,000 men and women are engaged in procuring and living on the earnings of these women and girls, and that the number of women and girls engaged in prostitution in the United States at the present time is estimated at not less than 250,000.

Then the federal chief pointed out the authority of the federal government to deal with the traffic, and showed that under the American constitution there was sufficient provision to enable the federal authorities to enact and enforce appropriate legislation to wipe out absolutely every vestige of the traffic.

It was shown that, about two years ago, under the interstate commerce clause of the constitution, congress passed a law making the enticing or coercion of women and girls to travel in interstate or foreign commerce for the purpose of prostitution or any other immoral purpose a crime. He added that the provisions of the law should be extended so as to make it a crime for persons to communicate by mail, telegraph or in any other manner from one state or territory to another, or at any foreign country, for the purpose of inducing or persuading any woman or girl to travel in interstate or foreign commerce for the purpose of debauchery.

Mr. Finch urged that the following points also should be covered by legal provisions:

There should be an act of congress authorizing a woman to testify against her husband in cases where the husband is accused of having used her in immoral traffic.

Provision should be made by law for the issuance of search warrants where, without any place could be searched.

## MONEY BACK

Here's Some Talk on Square Dosis Lines.

Fifty cents; that's all, for a box of MI-ON-A stomach tablets that will bring a smile to your despondent countenance ten minutes after the first dose.

And the Harper House pharmacy states that if MI-ON-A doesn't end the misery of indigestion or banish stomach distress of any kind, you can have your money back.

This guarantee applies to the following ailments, gas, acidity, heaviness, distress after eating, fermentation, heartburn, waterbrash, biliousness, dizziness, nervousness, sleeplessness, bad dreams, night sweats, headache, constipation, dependency, bloating, foul breath, coated tongue, sea or car sickness, morning sickness.

Fifty cents a box for MI-ON-A stomach tablets at Harper House pharmacy and druggists everywhere.

where there is probably cause to believe that any person is detained or held in violation of law.

The law should provide for the advancement for trial of white slave cases upon request of the attorney general.

The law should authorize the arrest, without warrant, by properly authorized persons, of any one detected in the act of violating such statutes.

## Club to Protect Fish

Dixon, Ill., May 13.—The Dixon Fish club has been organized here with 50 charter members for the purpose of protecting the fish in Rock river, restocking the river with fish and enforcing northern part of this state, about 40 northern part of this state, about 40 clubs will compose the new organization with a membership of over 4,000 sportsmen. They intend to take a

## GRANDMOTHERS USED SAGE TEA

To Darken the Hair and Restore Gray and Faded Hair to Its Natural Color.

It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made a "sage tea," and their dark, glossy hair long after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the wisdom of our grandmothers in using "sage tea" for their hair and are fast following suit.

The present generation has the advantage of the past in that it can get a ready-to-use preparation called Wyeth's Sage and Sulphur Hair Remedy. As a scalp tonic and color restorer this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers. The growth and beauty of the hair depends on a healthy condition of the scalp. Wyeth's Sage and Sulphur Hair Remedy quickly kills the dandruff germs which rob the hair of its life, color and lustre, makes the scalp clean and healthy, gives the hair strength, color and beauty, and makes it grow.

Get a 50 cent bottle from your druggist today. He will give you your money back if you are not satisfied after a fair trial.

hand in the new legislation at Springfield for better fish laws.

Never hesitate about giving Chamberlain's Cough Remedy to children. It contains no narcotics and can be given with implicit confidence. As a quick cure for coughs and colds to which children are susceptible, it is unsurpassed. Sold by all druggists.

## MEN WHO ARE DISCOURAGED

Brought back to your "old self" or invigorated and developed to what constitutes a "vigorous man." Lowest charges. Quickest cures of any specialist. That stay cured. Whatever the cause of nervous trouble, weakness, lowered energy, the effects are irritation and weakness of the nervous system, the internal organs, the waste of vitality. It is the loss of life's vitality and spirits that make weak, nervous, sluggish, despondent, embarrassed men, whether old or young, who lack a bit of vigor, strength, and all that it makes a man feel so different when he is able to enjoy the health which fits him for the duties and pleasures of life.

If despairing men who have tried everything—patent medicines, electric belts, and similar things—could talk to the many who are thankful to us for making them, they would find existence, for rejuvenating them and making them "whole" in every particular, they would certainly see us at once and get the benefit of so much that medical science affords them through skilled, scientific specialists.

If you live in the country or small town where there is no good specialist, it will pay you to come to us for a scientific examination. You can return same day and continue treatment at home if we find your case is curable. Consultation and advice are free. Everything private.

Copenhagen Medical Institute, Cor. 4th & Brady, Davenport, Iowa. Open every day, 9 a. m. to 5 p. m., except Wednesdays from 9 a. m. to 12 only. Also open Tuesday and Saturday evenings, 7 to 9. Closed on Sundays. 511 Fifteenth St., Moline. Moline office open only on Wednesday afternoons and evenings, 2 to 9, and Sunday mornings, 9 to 12.

Consult a Skilled Specialist Who Cures After Others Fail.

## A Friend at the Breakfast Table
