

# INJURY IS FATAL TO BRUCE-BROWN

### Death Comes Three Hours After Accident on New Wauwatosa Course.

### DRIVING 90 MILES AN HOUR

#### Sets New Record as Tire Bursts, Hurling Machine and Occupants into a Field.

Milwaukee, Wis., Oct. 2.—David L. Bruce-Brown, a wealthy young New York sportsman, was killed, and his mechanic, Tony Scudalari, was fatally injured on the new Wauwatosa automobile road course yesterday afternoon on the eve of the eighth running of the Vanderbilt cup race.

Bruce-Brown was driving his high powered Fiat car at 90 miles an hour when a rear left tire blew out. The men and machine were hurled diagonally across the road into a field with terrific force.

Bruce-Brown's skull was fractured, his left leg broken and he suffered internal injuries. Surgeons said death resulted directly from hemorrhage of the brain. The top of Scudalari's skull was crushed, his right arm broken and his body seriously torn.

Bruce-Brown died at Trinity hospital three hours after the accident. Surgeons had trephined his skull on both sides in an unavailing effort to save his life.

Caleb Bragg, Bruce-Brown's close friend; Ralph De Palma, Teddy Tetzlaff and other well known drivers stood weeping in the hospital corridor as Bruce-Brown was wheeled from the operating room to a private ward.

### BRAGG BLAMES NARROW ROAD.

Bruce-Brown, according to Caleb Bragg, met his death in trying to keep his swerving car on the comparatively narrow roadway. He said Bruce-Brown could have saved himself under similar conditions on a wider road. Exceptions to this statement were taken by officers of the Milwaukee Automobile Dealers' association, under whose auspices the races here are to be held.

Referee A. R. Pardington also declared the accident could not be blamed on the course.

"The accident was unavoidable," he said, "and the track was in no wise to blame. It is in excellent condition. The casting of the tire would have upset any machine traveling at that speed, no matter how excellent the course was."

The wreck occurred while Bruce-Brown was racing a few yards behind Teddy Tetzlaff. He had just driven the fastest lap of the day's driving up trials and had set a new record of 3 minutes 53.10 seconds for the 7.84 mile course. He was endeavoring to better this record and pass Tetzlaff when the crash came.

### SURGEONS LABOR IN VAIN.

Tetzlaff said he did not hear the tire explode, but missed Bruce-Brown behind him as he slowed down to take the "grave yard" turn at the lower end of the south Pond du Lac road. He at once reported "Brown's out" to the patrol judges. Meanwhile George Clark, one of the St. Charles drivers, discovered Bruce-Brown and Scudalari and telephoned for an ambulance, after giving first aid assistance to the two injured men.

While the surgeons were working over Bruce-Brown in the hospital, a half dozen friends of the young driver were making repeated efforts to reach his mother by long distance telephone at her country place at Ielp, L. I., and at her town house in New York. Messages also were sent Bruce-

# TRI-CITY CONDUCTOR IS OBLIGED TO QUIT

### Is Relieved in Three Days—Improvement Rapid—Now Works Full Time Every Day.

Ellis Skinner, conductor for the Tri-City Railway company, residing at 805 East Sixth street, Davenport, Iowa, has this to say of Plant Juice: "I suffered eight years with bladder trouble. I went to Hot Springs, Ark., and was little benefited. I tried all kinds of medicines with no beneficial results. Finally I was obliged to have an operation, which relieved me for about three months. My condition then became nearly as bad as before. There was scalding and burning sensation in the neck of the bladder and I could not sleep on account of pain. I was told another operation would do no good. I had not been able to work for a month, when I read of Plant Juice and concluded to try it. I commenced to feel a decided improvement in three days. I now sleep and rest well, appetite is good and I am working every day. This is my reason for recommending Plant Juice."

In kidney, bladder and liver troubles Plant Juice gives wonderfully quick results. When the system is run down in man or woman, where there is a lack of usual energy and force and the blood is poor and sluggish and uncomfortable sensations in the region of the stomach with excessive formation of gas, lack of appetite and nervousness, Plant Juice is nature's own remedy and beneficial results are noticeable from first few doses. Demonstrations at the Ballard Drug & Dental company, Davenport; New Harper House pharmacy, Rock Island, and E. Jericho & Co. drug store, Moline.—(Advertisement.)

# YALE ELEVEN HAS STRONG BACKFIELD IN SPAULDING, CAMP AND GOOD NEW MEN

Captain Spaulding of Yale.

In Captain Spaulding the Yale eleven has one of the strongest backs in football. Yale is also fortunate to have the veteran Camp in the backfield this year. Both of these men are heavy and fast and with the good new material that is at hand, should make a combination in the backfield hard to beat.

This season will probably be known as a season of great backs, for there are also Captain Mercer of Pennsylvania, Captain Thorpe of Carlisle, Captain Wendell of Harvard, Captain Pendleton of Princeton and Captain Thomson of Michigan, all of whom started last year in the backfield. The line proposition is entirely different. In this department a majority of the big colleges are weak this year.

Brown's brother in New York and to other relatives.

Messages were received here last night stating that Mrs. Bruce-Brown, accompanied by other relatives, had started for Milwaukee.

ENTERED FOR GRAND PRIX RACE. Bruce-Brown arrived in Milwaukee from New York yesterday afternoon accompanied by his manager, V. W. Kilesara, and Caleb Bragg. Yesterday was the first time he had gone around the course since the early trials more than a week ago.

He was greatly interested in preparing for Saturday's Grand Prix race, the only event in which he was entered. He had won the American Grand Prix twice at Savannah, and he had hoped to win again this year, which would have made him permanent holder of the American Grand Prix cup.

Although only 25 years old, Bruce-Brown was one of the best known automobile race drivers in the country. He began racing in 1907, winning his novice race at the Empire City track. In 1908 he ran away from school and acted as mechanic for the late Emanuel Cedrino at Ormond Beach, Fla. There Bruce-Brown broke the one mile amateur straightaway record held by William K. Vanderbilt, Jr., the youngster's time being 33.35 seconds.

### WINNER OF DEWAR CUP.

The same year he won the Shingle Hill climb at New Haven, Conn., and in 1909 lowered his amateur mark to 32 flat at Ormond Beach, Fla., and also won the Sir Thomas Dewar cup and broke the world's ten mile straightaway record. He won the Giants Dewar hill climb the same season.

In 1911 he was third in the 500 mile race at Indianapolis. His two most brilliant victories were the Grand Prix race at Savannah in 1910 and 1911. The former he won with a Benz car and last season's with the same Fiat in which he met death.

In the French Grand Prix this year Bruce-Brown won the first leg of the two days' event and finished third, but was disqualified for taking on gasoline outside a regular station.

In 1910 he was obliged to turn professional in order to drive with fast company. In spite of the fact that he has made a great deal of money in racing he drove principally for sport.

# DAVENPORT HIGH TO PLAY GAME SATURDAY

The football schedule of Davenport high school will open Saturday, when the eleven will tackle West Liberty as their first of eight opponents. This game will test the mettle of the Davenport players, as the Liberty boys are in every way fit to meet Coach Nixon's band of "red and blue" warriors.

The plays of the high school squad are being worked smoothly and with the additional plays, the team should not have much difficulty in winning the game. Special efforts have been made to prepare the line for the speedy backfield men of the team from West Liberty.

# TENNIS ACTIVITIES FOR AUGUSTANA'S STUDENTS

Tennis activities at Augustana college are in full swing. Tennis is becoming more popular every year, and several new clubs are now in the process of formation. Coach Conrad is now arranging a fall tournament between the various organizations and a spirited contest is anticipated. Among the clubs that will participate are the Astecs, Court Jesters, Juniors, Pioneers and Vikings. In view of the fact that no football is played at Augustana, the tennis tournament will fill in the time between now and the opening of the basketball season. Games with outside organizations may also be arranged if the weather remains favorable for tennis.

# HOT ON TRAIL OF QUAIL SHOOTERS

### Game Warden Hopes to Apprehend Those Who Killed Birds Out of Season.

### LAWS ARE VERY EXPLICIT

#### State Statutes Are Very Clear Regarding When Hunters May Engage in Sport.

Those who were shooting quail Sunday near the Watch Tower have not been apprehended as yet, but their identity is expected to be established in the course of a day or so. A reward has been posted by the game warden for their apprehension. For the benefit of those who are not informed as to the statutes of the game laws this season they are printed herewith:

You may kill 12 quail per day from Nov. 11 to Dec. 9, both inclusive, open season 29 days. Sale prohibited.

You may kill three prairie chickens per day from Nov. 12 to Nov. 17, both inclusive, open season six days. Sale prohibited.

Wild turkeys and pheasants protected until July, 1913.

Partridges and woodcocks protected until July, 1915.

Netting, trapping or ensnaring quail, prairie chickens, pheasants, wild turkeys, grouse or partridges is prohibited.

You may kill 15 mourning doves per day from Aug. 2 to Nov. 29, both inclusive. Open season 120 days.

You may kill 15 gray, red fox or black squirrel per day from June 1 to Nov. 15, both inclusive. Open season 168 days. Sale prohibited.

You may kill per day 15 ducks, 10 geese, 10 brandt, 15 coots, 15 rail or other water fowl from Sept. 2 to April 14, both inclusive. Open season 225 days. Sale prohibited.

It is unlawful for any corporation, express or transportation company to transport or receive for transportation game, the sale of which is prohibited. You must not kill wild geese, ducks, brant, coots, rail, or other water fowl after sundown or before sunrise of each succeeding day.

### MAY NOT DESTROY BIRDS.

The shooting, killing or destroying or the attempt to shoot, kill or destroy geese, ducks, brant, coots, rail, or other water fowl with a swivel gun or rifle from any sail boat, gasoline boat, electric launch, steamboat or from any skiff box or sneak boat or artificial blind in open waters of this state is absolutely prohibited.

The killing, catching, or having in possession, living or dead, of any wild bird or part of wild bird, other than a game bird, is prohibited; with the following exceptions: English sparrow, crow, black bird, hawk and blue jay.

The destruction or removal from their nests of the eggs of all game and song birds is strictly prohibited.

You must not use or attempt to use the license of another person or in any manner make any change in any license for the purpose of transferring same under the penalty of prosecution for perjury.

You must procure a license before hunting rabbits, but they may be killed and sold in any number and in all seasons of the year, and they may be also hunted with ferrets.

### MAY HUNT ON OWN LAND.

Owners of farm lands, their children (if residents of the state) may hunt and kill game on their own farms during the open season when it is lawful to kill game, without procuring a resident hunter's license, but they must not hunt beyond the confines of their own farms without said license.

Non-residents securing hunters' licenses will be prosecuted for perjury.

You may kill 15 per day of all kinds of plover and snipe from Sept. 2 to April 30, both inclusive. Open season 241 days. Sale prohibited.

# SODERSTROM IS OFF THE MOLINE SQUAD

Fred Soderstrom, last year's star center of the Moline high football team, will not be seen in the lineup this year owing to a disagreement with Coach Burroughs. Soderstrom had not been out for practice regular from the beginning of the season, and when he was out he was indifferent. Friday evening he was told the same as other players, to be in a suit, and ready to play. He failed to show up Saturday and as a result has been dismissed permanently from the squad.

Regular practice was resumed Monday evening by the maroon and white squad. By the time of next Saturday's game there will undoubtedly be many changes in the lineup. Coach Burroughs has already begun to shift the team around with hopes of making a stronger lineup. Several new plays will be handed out before the next game.

# Realty Changes

Hartz, Marshall & Smith to Marlon Rathel, lot 20, block 5, Island View Heights addition, Rock Island, \$500.

Frank B. Walker to C. C. Jordan, lots 7 to 12, block 7, Acme addition, Moline, \$1,800.

# LOCAL LEAGUES FULFILL PLEDGES

### Rock Island District Society Contributes \$1,163.47 to Ericson Fund.

Luther leagues of the Rock Island district has released its pledge to the Ericson fund of Augustana college. Better than this, the league surpassed its promise by \$163.47. The league, at the annual convention held at Aledo in 1911, promised to contribute \$1,000 to the fund, but yesterday the president of the district league turned over \$1,163.47 to Treasurer Kempe of the college.

Several of the local leagues contributed more than they had promised, the First church, Moline, being notable in this respect. The Moline society led all the rest with a donation of \$236.07. The general treasury of the district organization added \$200 to the total. The amounts contributed by the various leagues follow:

Davenport	\$ 19.00
Walker Station	10.00
Andover	137.00
Swedena	65.00
Orion	104.60
Cambridge	54.00
Geneseo	71.00
First, Rock Island	58.50
Zion, Rock Island	55.60
Sw Windsor	56.40
Ophelm	43.00
Aledo	53.00
First, Moline	236.07
General treasury	200.00
Total	\$1,163.47

The Rockford district Luther leagues were also heard from yesterday, with a contribution of nearly \$1,100. This was also in excess of the amount promised, the Rockford district having also agreed to contribute \$1,000. The Galesburg district and other Luther leagues in the synod are yet to be heard from, but it is believed they will redeem their pledges.

The college authorities are now confident that the \$46,000 necessary to secure the Ericson bequest will be on hand by next Sunday, the last day on which contributions may be received. The only thing that is now causing anxiety on the part of the college officials is the possibility of some of the pledges being unredeemed. Many notes due Sept. 1 have not yet been paid, but hope is felt that the money will be received before Oct. 6. Delinquent contributors are being urged by letter and telegraph to send in their donations immediately.

# MILAN

The Monday club met Tuesday evening at the home of Miss Ruth Ruge. Plans were made to hold a bazaar at the church the first Friday in November. A Dutch supper was also served. After the business meeting a joyable time was enjoyed. Those who were present at the meeting were as follows: Miss Florence Hull, Miss Katherine White, Miss Berce Hull, Miss Adah Martin, Miss Pauline Bowman, Miss Irene Saulpaugh, Miss Maud Hull, and Mrs. F. I. Stevens and daughter, Ruth.

Mrs. Howard Hodge of Detroit, Mich., and sister, Miss Mable Boulton, of Los Angeles, Cal., returned home last week after a several days' visit with their father, F. W. Boulton, of Milan, and sister, Mrs. John Flack, of Rock Island.

Lawrence Fitzpatrick of St. Louis, who is here visiting his mother, Mrs. John Volk, of Rock Island, was a Milan caller Monday.

Mrs. Fred Saulpaugh of Black Hawk spent Saturday at the home of her parents, Mr. and Mrs. William Mosher. Charles Harris of Kansas City, Mo., is here at his father's home, having been called by the illness of his sister, Mrs. Charles Walters, who is very low.

Mrs. Lena Buryanek of Rock Island spent Sunday with Milan friends and relatives.

William Kale, Jr., and wife of Moline spent Sunday at the home of his parents, Mr. and Mrs. William Kale.

The many friends of Rev. and Mrs. F. I. Stevens of the First Methodist church of Milan are very much grieved on their departure for Tiskilwa, Ill. Rev. Stevens was well liked by all, and his four years of faithful and hard work shall always be remembered.

Mrs. James D. Rishell and son, Lorenze, of Milan, were callers on Moline friends and relatives Monday.

John Sutton of Oklahoma is visiting here at the home of his uncle, Sylvester W. Sutton, and other relatives.

John V. Roberts was bitten severely on the ankle by a rat three weeks ago. The rat was caught in a trap, and when Mr. Roberts went to get the rat, it got him. He is confined to his home with a very sore foot.

Frank Braasher, who has been in Dakota for the past four months, was home a few days the past week with his family. He intends returning to Dakota.

Mr. and Mrs. Milton Weidger, who for the past few months have been living in the Zahn property on Dick-
