YET GET VOTE  
OF ILLINOISLater Returns Are Cutting  
Down Plurality of  
Roosevelt.

NOW REDUCED TO 4,000

Chairman Boeschstein Says  
It's Democracy's by 15,000  
—Other Results.CHICAGO, NOV. 7.—RETURNS  
FROM ALL EXCEPT 376 PRECINCTS  
IN THE STATE GIVE WILSON A  
PLURALITY OF 7,186 OVER ROOSE-  
VELT.CHICAGO, NOV. 7.—GOVERNOR  
WILSON, ACCORDING TO RETURNS  
UP TO 2 O'CLOCK, HAS OVERCOME  
ROOSEVELT'S LEAD IN ILLINOIS;  
AND WITH 663 PRECINCTS TO BE  
HEARD FROM, HAS A PLURALITY  
OF 1,608. IT IS CONSIDERED PROB-  
ABLE THAT RETURNS FROM THE  
MISSING PRECINCTS WILL IN-  
CREASE WILSON'S LEAD. THE  
RETURNS FROM COOK COUNTY  
GIVE ROOSEVELT A PLURALITY  
OF 38,257. RETURNS FROM 2,125  
PRECINCTS OUTSIDE OF COOK  
COUNTY MAKE WILSON'S PLURAL-  
ITY 39,883, OR A NET PLURALITY  
OF 1,608.Chicago, Nov. 7.—Complete returns  
from 60 Illinois counties, including  
Cook, and estimates based on partial  
returns from the remaining 42, give  
Roosevelt a plurality of 4,175. Demo-  
cratic National Committeeman Boesch-  
stein claimed complete returns give  
Wilson a plurality of 15,000 in the  
state.DAVIES CLAIMS STATE.  
Joseph Davies, western manager, in  
a statement, said reports to him are  
Wilson will have a substantial plural-  
ity in Illinois, with 22 counties miss-  
ing. The missing counties, he states,  
are southern counties that have been  
consistently democratic. Asked of the  
future, Davies said:"It's clear to us that the democratic  
party has now a new chief opponent in  
Roosevelt's party. As to the republican  
party, the king is dead, long live the  
king.""Our concern shall be that we do  
not drop back to the radicalism that  
wrecked the republican party."There appeared little doubt at  
western headquarters that Bryan  
would be tendered practically the  
choice of any office within the gift of  
Wilson. Many professed to believe he  
would possibly be secretary of state.SOUTH DAKOTA.  
Sioux Falls, Nov. 7.—With only half  
of South Dakota heard from this morn-  
ing, Roosevelt was leading Wilson by  
5,000 votes.MISSOURI.  
Kansas City, Nov. 7.—Gains in some  
districts doubling the vote of four years  
ago are shown by the socialist party  
in Kansas City, Mo., and eastern Kan-  
sas Tuesday. Debs carried Crawford  
county, Kansas, by a majority of 100.  
It is the first Kansas county ever car-  
ried by the socialists.NORTH DAKOTA.  
Grand Forks, N. D., Nov. 7.—With re-  
publican state headquarters conceding  
Wilson carried North Dakota by four  
to eight thousand, and democratic  
headquarters conceding the election of  
Hanna, republican, for governor, by  
three to four thousand and the elec-  
tion of state and congressional tickets  
by substantial majorities, North Dako-  
ta's election is practically decided.WISCONSIN.  
Milwaukee, Wis., Nov. 7.—Returns  
from 67 out of 71 counties received by  
Republican State Chairman Scott give  
McGovern, republican, for governor, a  
lead of about three thousand. Scott  
bases McGovern's final plurality at  
5,000, claiming the remaining coun-  
ties to be republican strongholds.According to returns received by  
Scott at 1:30 McGovern was leading by  
4,600, with four counties to hear from.NEW YORK.  
Albany, Nov. 7.—"The democratic  
party," says a statement of Governor  
Dix today, "have now won three vic-  
tories on the tariff issue, two with  
Cleveland and again with Wilson,  
which is the greatest of all. This,  
to my mind, shows conclusively that  
the tariff is the issue in which the peo-  
ple are most interested."KANSAS.  
Topeka, Kan., Nov. 7.—Ninety-six  
counties out of 105 give these plural-  
ities: Wilson, 12,000; Thompson (dem-  
ocrat) for senator, 10,500; Capper, (re-  
publican) for governor, 8,000.OHIO.  
Cincinnati, Ohio, Nov. 7.—As a re-  
sult of errors found in the unofficial  
count the race between Congressman  
Nicholas Longworth (republican) and

## ASTRONOMICAL EVENTS.

(From noon today to noon tomorrow.)  
Sun sets 4:49, rises 6:39. Evening  
stars: Mercury, Venus, Jupiter. Morn-  
ing stars: Saturn, Mars.Bowditch (democrat) for congress is in  
doubt.  
With a few precincts to hear from  
Bowditch is slightly in the lead of Long-  
worth.Columbus, Nov. 7.—Socialist head-  
quarters today claimed the socialist  
vote in Ohio ran close to one hundred  
thousand. In both Cuyahoga and Lucas  
counties the socialists claim Debs  
received a larger vote than Taft. Four  
years ago Debs received a total in Ohio  
of 33,000.

## IDAHO.

Boise, Idaho, Nov. 7.—The presiden-  
tial vote in Idaho is still incomplete,  
though republicans apparently carried  
the state. Governor Hawley conceded  
his defeat by Haines (republican) for  
governor.

## MONTANA.

Helena, Mont., Nov. 7.—Two ele-  
ments cropping out today in the receipt  
of additional returns in Montana were  
the heavy socialist vote and the fact  
that Roosevelt now leads Taft for sec-  
ond place. The socialist vote cast for  
Duncan for governor far outstripped  
the vote for Debs.

## INDIANA.

Indianapolis, Ind., Nov. 7.—Revised  
figures of Indiana give Wilson a plu-  
rality of 117,567. Madison county gave  
Debs 1,917 and Taft 1,771. Both  
branches of the assembly are demo-  
cratic.

## NORTH CAROLINA.

Asheville, N. C., Nov. 7.—Because of  
failure to poll 50,000 votes in Tues-  
day's gubernatorial election, the repub-  
lican party in North Carolina is "offi-  
cially dead," according to local lawyers.

## MINNESOTA.

St. Paul, Nov. 7.—Minnesota appar-  
ently has swung from Wilson to Roose-  
velt. The colonel probably will carry  
the state by 15,000. Roosevelt found  
his greatest strength in late returns  
from the rural districts. The vote  
came from about half the state  
gives Roosevelt, 91,985; Wilson, 84,  
117; Taft, 50,799. Governor Eberhart  
was elected by a plurality of thirty  
thousand. Election of the entire  
republican state ticket is practically  
assured.

## MICHIGAN.

Detroit, Nov. 7.—Late Michigan re-  
turns all indicate Roosevelt will have  
30,000 plurality, with Taft and Wilson  
close for second place. Not more than  
two-thirds of the total vote was re-  
ported today noon.Ferris (democrat) for governor, was  
conceded more than ten thousand plu-  
rality. Definite results on the state  
ticket probably will not be known un-  
til the county canvassers meet Tues-  
day. Only one congressional district  
remained undecided. That was the  
sixth, where Smith (republican) is hav-  
ing a strenuous contest for reelection.WILSON TO STAY  
ON TRENTON JOBPrinceton, N. J., Nov. 7.—Governor  
Wilson said today "he'd stay on the  
job at Trenton" until he carried out  
his program of progressive legisla-  
tion in New Jersey. The president-  
elect said the program of reform he  
had in mind for the state would be  
advanced by the fact that as the fu-  
ture executive of the country nation-  
wide attention probably would be at-  
tended by his policy in the New Jer-  
sey legislature."Whatever we do in New Jersey,"  
he said, "will have the force of the  
whole country behind it." It is known  
the governor wants the corporation  
laws revised. With a democratic leg-  
islature behind him until Jan. 1, this  
likely will be a smooth process."I think my right course just now is  
to hear everybody and that I should  
not make any statements."This was the answer Wilson gave to  
a series of requests for statements of  
his attitude on national and interna-  
tional questions.Nov. 16 Wilson will take a trip to  
the Bermudas for a brief vacation.LATE RETURNS IN  
CONGRESS RACESMichigan—Second district: Samuel  
W. Beakes, democrat, was elected.Sixth district: Smith, republican,

Scott, republican, was elected.Washington—Third district: William

JOE CANNON DEFEATED

McKinley, Taft Manager, Also  
Snowed—G. W. Prince  
Joins Procession.The latest returns show that Illi-  
nois has turned out of office all but  
two of the standpat republicans who  
for more than a decade have made up  
the majority of the state's delegation  
in the house of representatives.Congressman Madden and Mann  
were the only Illinois members of the  
old guard re-elected.The only other republicans elected  
are Representative Fred C. Copley of  
the Aurora district, who is progressive  
in his attitude on legislation, and  
Fred A. Britten, who defeated Lynden  
Evans in the Ninth Chicago district.CONGRESSMAN FOSS DEFEATED.  
To the list of defeated Illinois  
standpatters, which include Cannon,  
Rosenberg, Thistlewood, and Wilson,  
have been added George Edmund Foss  
of the Tenth district, Fuller in the  
Twelfth, McKenzle in the Thirteenth,  
Prince in the Fifteenth, Sterling in  
the Seventeenth, and McKinley in the  
Nineteenth.There will be three progressives in  
the Illinois delegation in the next  
house, four republicans, as compared  
with 14 in the present house, and  
twenty democrats, compared with eleven  
now.

HOW "UNCLE JOE" WAS BEATEN.  
The complete returns from the Eight-  
eenth Illinois district showed "Uncle  
Joe" Cannon defeated by a small plu-  
rality. Frank O'Hair, the young law-  
yer who conquered the arch standpat-  
er of the nation, won a plurality of  
1,073 in Edgar county, 300 in Clarke,  
400 in Cumberland, and 100 in Iro-  
quois, while to offset this Cannon had  
a plurality of only 718 in Vermillion,  
his home county, and 544 in Kankakee  
county."Uncle Joe," who had pleaded with  
his constituents to give him "just one  
more term" that he might round out  
40 years of service, heard the final  
returns and then departed on a trip to  
Panama.McKINLEY'S DEFEAT IMPRESSIVE.  
Early in the day Representative  
William B. McKinley, one of the prin-  
cipal Cannon lieutenants and the  
manager of the Taft renomination  
campaign, conceded his defeat by  
Borchers by a plurality of 1,050.The repudiation of McKinley by  
his constituents is impressive. In ev-  
ery county except Champaign, where  
he lives, the people voted decisively  
to retire him to private life.This verdict follows close upon his  
repudiation by the republicans in the  
primary last spring, in which he lost  
his ward, county, and entire district.The effect of McKinley's defeat is  
expected to be far-reaching. It removes  
from congress a servant of the trusts,  
an inveterate opponent of the popular  
demand for a reduction of the tariff,  
and a collector of campaign contribu-  
tions from corporation sources.Furthermore, it is believed his de-  
feat will break up the reign of terror  
which McKinley has been charged  
with exercising in the Nineteenth dis-  
trict through control of electric rail-  
way lines, gas and electric lighting  
plants, and newspapers, and through  
his power in the legislature, to which

## AN UNPLEASANT REMINDER

MOOSE MUSEUM  
EXHIBIT A WRECKWashington, Nov. 7.—Without warn-  
ing a big glass case in the national  
museum containing a group of moose  
that had been a feature of the collec-  
tion many years, suddenly broke to-  
day, and the moose will go into retire-  
ment until a new case is procured.  
The reason for the breaking of the  
case which protected the exhibit, the  
moose, but museum officials deny-  
ing that they entertained any suspi-  
cion election returns had any-  
thing to do with it. In the same hall  
with the moose exhibit are a number  
of valuable mounts contributed by  
Colonel Roosevelt on his return from  
his African hunt.he has been accustomed to send the  
attorneys for his various interests.FEELING AGAINST STANDPATS.  
An indication of the strong feeling  
aroused against the Illinois standpat-  
ers is afforded by the result in the  
overwhelmingly republican Twelfth  
district.Fuller was believed to be safe, but  
his plurality of 10,000 two years ago  
faded away. He polled 14,900 votes;  
Hinebaugh, the progressive, received  
15,900, and Rausch, democrat, 11,100.Similarly impressive is the result in  
the Seventeenth, another banner re-  
publican district. Sterling was defeat-  
ed decisively after 10 years of ser-  
vice.George Prince, a loyal supporter of  
Cannon and Aldrich, was emphatic-  
ally repudiated. He ran third, Kinche-  
loe, the progressive, being second.

## ROSENBERG SNOWED UNDER.

Rosenberg, another old guardster of  
an extreme type, was beaten to a hu-  
miliating degree. He has been accus-  
tomed to a walkaway in a safely re-  
publican district. His plurality of 5,  
000 two years ago, however, was turned  
into 5,000 for his democratic op-  
ponent.The district is considered conser-  
vative, but it was not proof against  
the advance of the progressive move-  
ment, with its condemnation of ser-  
vice to special privilege for which Ro-  
senberg and other standpatters dis-  
tinguished themselves.The verdict of his constituents was  
against him in the primary.In addition he lost popularity be-  
cause of his effort to get two places  
on the Illinois delegation to the na-  
tional convention—one for himself  
and one for his secretary.It was charged that it was his pur-  
poses thereby to violate the instruc-  
tions of his district to vote for Roose-  
velt.INJURIES FATAL  
TO ELGIN JUDGEElgin, Nov. 7.—Henry B. Willis of  
Elgin, justice of the appellate court,  
Second district of Illinois, and judge  
of the circuit court of Kane county,  
died today from injuries received Tues-  
day when he was struck by a train  
while watching the election returns.  
He had been a judge 20 years.

## Politician Sued for Divorce.

Omaha, Nov. 7.—William H. Hay-  
ward, former secretary of the republi-  
can national committee and one of theHADLEY CONFERS  
WITH PRESIDENTWashington, Nov. 7.—President  
Taft returned today. The private car  
of Governor Hadley of Missouri was  
attached to the president's train at  
Harrisburg, and the governor came on  
to Washington. He will confer with  
President Taft today. When asked if  
he would take second place on the  
republican ticket, Hadley said: "I  
have not been asked."While Hadley said he had come on  
private business, he did not deny he  
would talk with Taft about taking sec-  
ond place on the republican ticket to  
go before the electoral college.Taft found a gist of routine busi-  
ness waiting his return. The most  
important is his annual message to  
congress. This probably will be sent  
as one document instead of in sections  
as last year.Possibilities of an extra session are  
discussed in animation everywhere.  
Many democrats are convinced there  
will be one.2 CITIES RECORD  
EARTH TREMBLESWashington, Nov. 7.—Severe earth-  
quake shocks lasting almost an hour  
were recorded this morning on the  
seismograph at Georgetown university.The university authorities place the  
disturbance 3,500 miles from Wash-  
ington, direction unknown.Cleveland, Ohio, Nov. 7.—The seis-  
mograph at St. Ignace college this  
morning recorded earth shocks of al-  
most an hour's duration. Father Oden-  
bach, the curator, said the distance  
probably was 7,000 miles west.

## MARSHALL BACK AT POST

Vice President-Elect Resumes Duties  
as Indiana State Executive.Indianapolis, Nov. 7.—Vice Presi-  
dent-elect Thomas R. Marshall was at  
his office in the statehouse attending  
to his duties as governor of Indiana  
as usual today. Governor Marshall's  
term expires next January and he will  
remain in office until then.Scores of telegrams of congratula-  
tions were received by the governor,  
including one from President-elect  
Woodrow Wilson, replying to the mes-  
sage sent him by Governor Marshall.  
There was also a message for Mrs.  
Marshall from Mrs. Thomas P. Gore,  
wife of the Oklahoma senator.400 ARE STILL ON  
STRANDED BOATQuebec, Nov. 7.—Four hundred pas-  
sengers from the liner Royal George,  
which went ashore a mile east of  
Point St. Lawrence, Isle of Orleans,  
arrived here today on the ferry boat  
North. The North returned to the  
Royal George to take off several hun-  
dred steerage passengers still on board  
the liner, but a strong wind prevented  
its getting near the stranded vessel.  
The tug Cruiser also failed to reach  
the Royal George. Waves were roll-  
ing high and it was dangerous to go  
alongside the vessel.

## Thanksgiving Proclamation.

Washington, Nov. 7.—President Taft  
today issued a Thanksgiving proclama-  
tion setting aside Nov. 28 for the ob-  
servance of that dayFULL SWING

BULGARS IN VICTORY

stantinople.Paris, France, Nov. 7.—Turkey has  
decided to give the powers complete  
liberty of action in arranging condi-  
tions of peace, according to a dispatch  
from Constantinople.Cologne, Nov. 7.—Turks were report-  
ed decisively beaten by Bulgarians and  
driven in disorder from Tehtaltja  
forts in front of Constantinople, ac-  
cording to a Sofia dispatch. The fight-  
ing lasted two days and was very se-  
vere.London, Nov. 7.—The Turks have  
withdrawn from Saloniki after destroy-  
ing a number of bridges approaching  
the city, says an Athens dispatch.London, Nov. 7.—Commander of the  
Bulgarian invaders are said to have

London, Nov. 7.—Late facts in the  
Turkey-Balkan situation:

care for 20,000 wounded after defeats  
in the battles between Tchorus and  
Serai.People of Constantinople convinced  
fall of city is assured.Greeks insist Turkish throne must  
be moved to Asia Minor and guaran-  
tees given that Christians in Asiatic  
Turkey be granted sweeping reforms  
before armistice is granted.King Nicholas of Montenegro says  
Balkan allies will "accommodate their  
wishes to general situation in Europe."British Mediterranean and third bat-  
tleship fleets are being hurried to  
Turkish waters, most of the great pow-  
ers now having war vessels at Constan-  
tinople.DEM. COMMITTEE  
CONTINUOUS BODYNew York, Nov. 7.—Democratic  
leaders propose to introduce several  
political novelties now that they are  
to assume control of the federal gov-  
ernment the next four years, accord-  
ing to authoritative reports today. A  
feature proposed is the maintenance  
of the democratic national committee  
as a continuous working institution.  
The idea is the committee could serve  
a good purpose in educating the peo-  
ple as to what the party is doing. In  
this connection the establishment of a  
"government suggestion box," to  
which the citizens of the country  
might submit ideas, is suggested.DUNN LOSER FOR  
IOWA'S GOVERNORDes Moines, Iowa, Nov. 7.—In the  
gubernatorial race, Clarke, republi-  
can, is leading Dunn, democrat, by  
about 2,000.Scattered returns from the state in-  
dicate the socialist vote was almost  
doubled, while that of the prohibition-  
ist candidates show a 60 per cent in-  
crease.Almost complete returns from 92  
out of 99 counties in the state give  
Taft 105,219, Wilson 156,879, Roosevelt  
139,514.AMERICAN FEDERATION  
OF LABOR IS IN SESSIONRochester, N. Y., Nov. 7.—A two  
weeks' session of the American Fed-  
eration of Labor and its five depart-  
ments opened today. One of the ques-  
tions to be discussed is whether it  
could be advisable to organize a po-  
litical party which embodies their de-  
sire for legislation.

the Kansas City, Mexico & Orient  
railway announced the appointment of

Island railroad at Davenport.

## Lumber Barge Lost.

St. Joseph, Mich., Nov. 7.—The lum-  
ber barge Hattie Wells was lost in a  
violent storm on the lake last night.  
The crew of five, all from Menominee,  
was rescued by the tug Martin.
