Hats that you could not help but like are shown at the very modest prices of \$2.50 to \$8.

Here also are many charming new black Hats for the women who wear black by preference or who are in mourning.

—Millinery, Second Floor

## GRADING DIAMONDS

Diamond grading is an exact science. It is an unfortunate fact that many men who are merely the business heads of Diamond firms delegate to themselves the title of "Diamond Expert." As a result, they are likely through ignorance and inexperience to sell you a diamond that is slightly imperfect and off color and call it "white and perfect."

Correct diamond grading requires a broad experience, a vast knowledge of diamond values and an instinctive judgment of stones based on practical handling of them.

Our diamonds are marked in plain figures as to color, grade and price.

We give a binding guarantee with every diamond that you buy from our jewelry department.

Unless you are an expert yourself you must depend with fullest confidence upon the diamond seller's grading.

Therefore, be on the safe side. Come to the Young & McCombs store where you are protected by guarantee that we will any time within one year from the day of purchase buy back your diamond and pay you cash less 10 per cent of price paid for it.

Have you seen our new thin model watches? If not, why? Jewelry Department, Main Floor

## Linen News

Just unpacked from their cases, the fresh cloths look beautiful. Better come in and see.

## ALL-LINEN CRASH 10c YARD

## CRANES REMOVED; WORKERS RETURN

Superintendent G. W. Seidel of Silvis Shops Takes Responsibility Upon Himself.

Both of the aerial cranes in the Rock Island road shops at Silvis which crashed together last Friday morning, killing two employees, were hauled down last evening by order of G. W. Seidel, superintendent of the shops, with the result that the striking workmen returned to work this morning. When the announcement was made at yesterday afternoon's mass meeting of the workmen, which was held at the Rock Island hotel, that the two cranes would come down, there was a cheer which nearly raised the roof.

The employees went out on strike Friday following the accident and adopted a resolution to the effect that they would not return to the shops until the two cranes which were declared unsafe were taken down. The workmen stated that the cranes were "death dealers" and had caused many accidents.

After the catastrophe when the workmen demanded that the cranes be removed Superintendent Seidel had the wheels of the cranes fitted with angles as a safety precaution. The employees declared that the big cranes were still unsafe whether the wheels had flanges or not and asserted that they would stand pat in their refusal to return to work until the "death dealers" were placed on the ground. The employees won out after a hard fight and work was resumed this morning.

Financial assistance will be extended by the shopmen to the families of the men who were killed or injured Friday. The heads of the various departments at the shops will take up subscriptions and the money will be apportioned among those who were left in need as the result of the tragedy.

## Wilson's Cabinet

Washington, March 5.—Wilson sent the names of his cabinet to the senate today for confirmation. The officially announced slate is exactly as published yesterday.

Secretary of State—William Jennings Bryan, publicist and editor. Born at Salem, Ill., March 19, 1860. Home, Lincoln, Neb. Educated at Illinois college. Democratic candidate for president of the United States 1896, 1900 and 1908. Served in Spanish-American war. Made trip around world in 1906.

Secretary of the Treasury—William

## LIMITED TRAIN IS RUN OFF TRACKS

Derailment on Rock Island Road Occurs Yesterday Afternoon at Walcott, Iowa.

Several hundred passengers on the Rocky Mountain Limited of the Rock Island road narrowly escaped death or injury yesterday afternoon at 2:46 when a misplaced switch at Walcott, Iowa, caused a derailment of seven of the eight coaches making up the train. The engine and mail car were all that remained on the tracks. Although the train, which was west bound, was traveling at a 40-mile an hour clip, nevertheless none of the derailed cars turned over and to this is attributed the fact that no one was injured.

The track was torn up for a distance of 1,200 feet. The wrecking crew from Rock Island was rushed to the scene and two hours after the wreck the train was on its way again and the line was cleared. The east bound track was not affected by the derailment. The wrecked train was No. 7, west bound out of Chicago.

Smart Coat Style shown at the M. & K.—Easter displays of coats in all the latest textures and shades. Special values at \$14.95 and \$25. M. & K. are featuring the Madame Irene corset in their new department—an expert corsetier will fit you perfectly. Corsets, \$1 to \$35. Latest styles in Spring shoes at \$2.50 to \$5.
