

GALESBURG WINS BIG EIGHT MEET ON MUDDY FIELD

Capture Annual High School Event Before Big Crowd of Enthusiastic Students.

DAVENPORT IS SECOND

Rock Island Fourth With 17 Points—Captures Half Mile Relay in Spectacular Fashion.

Beset with mud from head to foot, local track athletes won fourth place in the annual Big Eight high school conference track and field meet held at Galesburg last Saturday. The tri-city high schools figured largely in the meet, athletes from the three towns making the bulk of the points. The final count placed Galesburg in the lead with 37 points, while Davenport athletes climbed to second place with a total of 27. Moline beat Rock Island out for third place by two points, the Plew city lads getting 19, while the locals rounded out 17. Kewanee and Princeton each got 4, while Canton and Monmouth failed to score. After a continual down pour of rain for about 15 hours, the Willard field track of Knox college was a sea of mud. It was three inches deep on the 200-yard straightaway, and this substance of sticky terra firma was covered by a protecting blanket of water, one inch deep. The authorities in charge of the meet did all that was possible to make the best of prevailing conditions, but at the time the meet started, the track was not much better than a muddy road. Without doubt, on a good, dry track, numerous Big Eight records would have been broken, and local men would have been placed upon the athletic map.

LOCALS WIN HONOR.
The local high school relay team ran a spectacular one-half mile relay race and won the large relay pennant. Hippler led off the race against four contesting athletes, Moline, Davenport, Monmouth and Galesburg having entered teams. The race which followed will long be remembered as one of the most spectacular races of the meet. Hippler took a hard pace from the start and at the end of his 220-yard dash was a little in advance

FALLING HAIR

Many People Have a Simple Way of Stopping It.

It was Dr. Sangerbond of Paris, who first discovered that dandruff and falling hair were caused by a microbe.

And now that Parisian Sage, the remedy that kills the dandruff germs, is sold in every town in America, the clean people of this country have awakened to the fact that dandruff is unnecessary; that falling hair and itching scalp can be quickly stopped, and that people who use Parisian Sage will never grow bald.

To every reader of The Argus who wishes to eradicate disgusting dandruff, stop falling hair, and have an immaculately clean scalp, free from itching, we make this offer:

Parisian Sage is sold by druggists everywhere, for 50 cents a large bottle. It is an ideal, dainty perfume hair dressing, free from grease and stickiness, and will cause hair to grow lustrous and luxuriant. Sold and guaranteed by The Thomas Drug company. —(Adv.)

of his nearest competitor, the Galesburg runner. Chalk took up the battle for the locals and gained a few more yards for the locals. Clarke ran the third lap, and although getting a poor start was nearly even with his competitor when he touched Kipp. Erickson, all state basketball guard, and all around athlete, was running against Kipp, and taking a lead from the start, set a hard pace. He gained about 15 yards, but from that time Kipp crawled up on him and before the last turn he had passed the Galesburg man and the pennant was won for Rock Island.

CHALK RUNS PRETTY MILE.

Kipp won second place in the quarter mile dash, with Wilson a close third. Glass took second in the discus throw, and Chalk totaled the 17 points for the locals with two first places, in the mile and half mile. Probably upon a dry track he would have broken his record for the mile in the Big Eight conference. As it was with mud from head to foot, he came less than two seconds behind the mark set by the Big Eight champion distance runner, Hickman, who ran the race on a normal track in four minutes and 52.25 seconds. The Galesburg runner, Temple by name, set the pace for the first two and a half laps, but then Chalk took the lead and finished nearly 50 yards ahead of the rest of the runners. Carter, also a local man, finished a close fourth, and would probably have qualified, had not he slipped on the last turn. Chalk won the half mile in good time, taking another first place with ease. In this race Thomas also ran for the locals, and although he did not place, he showed his worth. Hippler and Clark placed in the sprint heats, but lost out in the semi-finals. The complete summary was as follows:

50-yard dash, trials—First heat, time 6 seconds: First, Roche, Davenport; second, Stowe, Moline. Second heat, time 6 seconds: First, Clarke, Rock Island; second, Radcliffe, Moline. Third heat, time 6 seconds: First, Erickson, Galesburg; second, Rhodes, Davenport. Fourth heat, time 6 seconds: First, Fuglesang, Kewanee; second, Hippler, Rock Island.

FIGHT IS STAGED IN MID-STREAM

Four Hundred Fans See Go Between King and Henderson—Draw Decision Given.

Over 400 fight fans embarked on a barge yesterday afternoon, and floating down stream, tied up at an island and pulled a 20-round prize fight. The principals in the affair were King of St. Louis and Earl Henderson, formerly of Muscatine but now of this city. King and Henderson were slated for a go two weeks ago, but the sheriff's office, getting wind of the affair, ordered the promoters to call the thing off. The men mixed it in lively fashion and showed no desire to mince matters. King vindicated his past reputation and had a shade the better of it all the way, according to the opinion of the majority of the ringside spectators. Referee Dennis Bennett made a draw decision. The men fought at catch weights.

and heat, time 25.45 seconds: First, Erickson, Galesburg; second, Hanson, Moline. Third heat, time 25.45 seconds: First, Roche, Davenport; second, Hoover, Galesburg.

200-yard dash, finals—Time 25.25 seconds: First, Roche, Davenport; second, Dorr, Davenport; third, Erickson, Galesburg.

Half mile run—Time 2 minutes 12.25 seconds: First, Chalk, Rock Island; second, Washburn, Kewanee; third, Temple, Galesburg.

FIELD EVENTS.

Pole vault—Height, 9 feet 2 inches: First (tie) Humphrey and Wiley, both of Galesburg; third, Marsh, Davenport.

Discus throw—Distance, 105 feet 11 inches: First, Soderstrom, Moline; second, Glass, Rock Island; third, Newhaus, Moline.

High jump—Height, 5 feet 11.4 inches: First, Gripp, Moline; second, Allen, Davenport; third, Kaufman, Davenport.

Shot put—Distance, 38 feet 9 inches: First, Rhodes, Davenport; second, Beyer, Canton; third, Fuglesang, Kewanee.

Broad jump—Distance, 19 feet 5.12 inches: First, Erickson, Galesburg; second, Stowe, Moline; third, Sutton, Princeton.

Relay race—(Team composed of four men, each to run 220 yards), time, 1 minutes 44.25 seconds: First, Rock Island; second, Galesburg; third, Davenport.

WHISLER DISQUALIFIED.

Whisler, the local phenomenal broad jumper, who in practice leaped over 19 feet, was disqualified on account of his late entrance. Probably had he contested in the broad jump, he could have taken at least second place, which would have landed Rock Island third in the standing of the schools. Whisler's name was not entered until Monday, and for this reason the officials would not allow him to compete.

PRINCIPALS MEET.

In the morning at 10:30 the principals of the high schools in the Big Eight conference met at the Galesburg high school. Many matters were brought up before the meeting, most of them pertaining to the interscholastic events of the schools in the league. It was decided to organize a basketball league, the schools in the Big Eight to contend against each other, and for this purpose a schedule will be arranged in the near future. The matter of the triangular debate came up for attention and in addition to setting the date for the events on March 20, it was planned to allow one more school to enter the league. In order to make three even triangles, Peoria and other cities in that vicinity are being considered, as possible timber. The boys' declamatory contest is to be held at Kewanee Dec. 12, while at the local high school Feb. 20, the declamatory contest will be held. The boys' oratorical is arranged for the eve of the Big Eight track and field meet at Galesburg, the date being May 1. The schools will meet for the track contest of May 2, at Willard field, Galesburg.

HOLD ELECTION.

The officers of the league were elected at the meeting for the following year, as follows:
President—E. P. Nutting, Moline.
Vice President—Mary M. Findley, Monmouth.

Secretary and Treasurer—E. A. Willis, Galesburg.

At noon the principals were the guests of Knox college, and at the end of the afternoon games, the medals were given out in public to the winners. This is a new idea and worked out very successfully. The Knox College Glee club rendered a number of pretty songs previous to the presentations. Kipp, acting captain of the local high school squad, received the relay banner for the team.

THREE MEN WIN "R. I. S."

Three men, Chalk, Kipp and Glass, received their letters for the work of last Saturday, each having rounded in three points, in accordance to the by-laws of the Athletic association. Wilson has one point to his credit, to which he may add honors from the tricity to be held in this city next Saturday. It is probable that the members of the relay team will have points awarded them for their work in that race.

DAVENPORT WINS.

Miss Thelma, representative of the Davenport high school in the stenographic and typewriting contest, won that event. Miss Molly Graham, who represented the local school, won fourth place. This is the first time in some years that Rock Island has been entered in this contest.

ROCHE WINS PRIZE.

Roche of Davenport won a \$4 pair of track shoes offered by a Galesburg hardware store to the man making the highest number of points. Roche

No Hypodermic Needle Used In NEAL 3-DAY Liquor Treatment

The old style "drink cures" required from four to seven weeks' time away from business, and daily use of the hypodermic needle. The discovery of the NEAL 3-DAY TREATMENT does away with this loss of time and danger from bad after effects. It is different from all others in these vital points:
FIRST, it is a perfectly harmless vegetable remedy, guaranteed to contain no opiate of any kind, strychnine, cocaine or anything of the kind.
SECOND, it is administered internally, no painful or dangerous hypodermic injections being used; hence no danger of blood poison or infection from careless operation.
THIRD, it requires only three days to destroy every vestige of appetite, desire or craving for alcoholic liquor in any form. The patient is placed in the same physical condition as he was before taking his first drink.

DRUG ADDICTIONS
Dr. Neal has perfected the most successful drug treatment yet known. Like his NEAL 3-DAY LIQUOR CURE, it is an internal treatment, composed of harmless vegetable medicine. From 4 to 14 days is generally sufficient to completely conquer any case of drug addiction. Consultation, advice and booklet free. No obligation whatever. Address: Neal Institute, 521 Farnum street, Davenport, Iowa.

Bradley, the local fighter, gave Battling Nelson, the former lightweight champion, a bad beating at the National A. C. Saturday night before a big crowd.

Pittsburgh, Pa., May 5.—In the final bout of the show at Old City hall Saturday night, Grover Hayes of Philadelphia earned a shade over Mickey Rogers of Pittsburgh in six fast rounds.

GOLF SEASON OPENS WITH 35 ON THE LINKS

Despite miserable weather for golf 35 players were out for the first preliminary for the men's handicap cup at Rock Island arsenal links Saturday afternoon. Owing to some confusion in the making up of scores they were not all available for publication today. W. L. Velle, however, made the low score of 76 and secured the low score medal and temporary possession of the handicap cup.

ATHLETIC PARK FOR HIGH SCHOOL

Plans for Securing Grounds for Recreation Purposes Being Considered by Board.

The necessity for a play ground and athletic park for the Rock Island high school is becoming more evident every day. Since the establishment of the Manual Arts building across the street from the school, the pupils have been without adequate grounds for recreation purposes.

The suggestion has been made that Long View park be used, but of course it would be impossible to put up bleachers there. Others have thought that the Island City baseball park might be the best place that could be secured. The ball park should be preserved anyway. The board of education is said to be seriously considering the matter of an athletic park and hopes to evolve a plan for securing one within a short time.

MALE SINGERS ARE TO GIVE RARE CONCERT

The male chorus known as the Apollo Glee club will give a concert at the Zion Lutheran church, seventh

A feature will be the rendition of exclusive selections from famous operas and oratorios by a mixed quartet composed of Mrs. Sophie Eklund-Miller, soprano; Miss Lillian Hill Reynolds, contralto; Ben H. Hartz, tenor, and Yngve Joranson, basso.

The chorus is a comparatively young organization designed, under the leadership of Yngve Joranson, to promote only the higher class of music, and is worthy of encouragement.
