

# Beautiful Hair for Everybody~

If you want healthy hair—long, wavy and glossy hair—hair full of life and color—hair soft and silk-like—hair that gives satisfaction to its possessor and compels the admiration of the beholder—use

## Mother's Shampoo

A scientific formula—the result of years of experiment and research—perfected by men who have made the care of the hair a life-long study.

*Mother's Shampoo* directly attacks the parasites that cause falling hair and dandruff. Its action is gentle and soothing; yet it thoroughly and completely rids the scalp of the bacteria that cause dry, dull, brittle, faded, falling hair and oncoming baldness.

*Mother's Shampoo* removes excess oil, cleanses and refreshes the scalp, puts it in proper condition to encourage the growth of hair, and leaves the hair clean, healthy, soft and wavy. There is nothing else like *Mother's Shampoo*; nothing "just as good." No other shampoo will ever satisfy you after you have once used *Mother's Shampoo*.
