

# MOLINE'S SECTION OF THE ARGUS

Day's News Happenings in Rock Island's Sister City

## FULL PUBLICITY IN WATER AFFAIRS

City Commission Decides to Publish Statement of All Its Expenditures.

## IN MAKING IMPROVEMENTS

Jahns, in Letter, Again Urges Installation of Meters as Means of Checking Waste.

Full publicity is to be given to every detail connected with the improvement of the waterworks department. This was decided upon at the meeting of the city commission this morning.

For some time the water department has been under fire because of the poor pressure which has been furnished since warm weather began, particularly in the bluff districts. A year ago the people voted a bond issue of \$164,000 and many have felt that with this sum results ought to be shown by this time.

Commissioner L. O. Jahns, who has charge of the waterworks, read a communication to the commissioners today in which he reviewed at some length the work that has been done, and the difficulties that have been met. With the breaking of the drought he predicted that the worst difficulties of his department are over, at least for the present. However, he took occasion to again urge the installation of meters as rapidly as possible in order to check the waste of water that is prevalent all over the city under the flat rate system.

**WILL PRINT STATEMENT.**  
During the session of the commission it was voted to print an itemized statement of all expenditures that have been made by the department since the funds from the bond issue became available. This will be gotten out ready for distribution within a few weeks.

## DISPATCH WINS AND 60 EAT CHICKEN "ON" MAIL

Sixty hungry newspaper workers, employes of the Dispatch and the Mail, dined on chicken at the Watch Tower Inn Saturday evening at the expense of Manager C. J. Zaiser of the Mail. It was the fortune of war and Mr. Zaiser came across like a sport with his tribute to the superior baseball prowess of the Dispatch force. The game, played in the sweltering heat, resulted in a win for the Dispatch, 21 to 9. The two newspapers went to press at noon to give their employes the outing.

**To Erect a Coke Bin.**  
Objection having been registered against the erection of a wooden coke

bin on Library alley near Fifteenth street the Moline Plow company has secured a permit to make the bin of masonry. It will be north of the railroad tracks and will be from 12 to 16 feet high.

## ELKS, LIKE DUCKS, ENJOY THE RAIN

Picnic at Woodward's Grove Success, Especially the Fish Dinner "Swedish" Style.

Moline Elks were there like ducks at their picnic on the river Sunday. They boarded the Marquette at 9:30 a. m. and put in all the morning in a leisurely trip to Woodward's grove. Dinner time came en route and a stop was made at Pearson's Island near Hampton while the feast was enjoyed. The meal was the big event of the day. The piece de resistance was fish, prepared by Axel Lamson in "Swedish" style, boiled with greens and spiced. So well was the dish concocted that nothing was left but the bones and precious few of them.

At Woodward's grove a ball game between the married and single men was started. In the fifth inning, however, the rain came down so copiously that the contest had to be called off. No accurate account was kept of the number of tallies, but the official scorer arbitrarily announced that honors were even, 7 to 7, and the figures will be allowed to stand without protest. A buffet luncheon was served on the way home.

## 2 RUNS FOR DEPARTMENT; PUTS OUT ONE SMALL FIRE

The fire department responded to two alarms Sunday. One, a false one, was from box No. 134, at noon. The other was turned in shortly after 5 o'clock and called the department to Second avenue and Twentieth street, where the tool house of the D. R. L. & N. W. was on fire. The flame was extinguished with small loss.

## MAY ERECT A BOARD WALK FOR CAMPBELL'S ISLAND

Plans are being made to erect a board walk at Campbell's island. Campers above the bulkhead have been annoyed much of late by people wandering across their yards in search of residences of summer colonists, the walk up the beach being a poor one after dark. If a walk were erected it would add greatly to the convenience of the island.

**Charge Falls to Stick.**  
Tony Champania of East Moline was arraigned before Magistrate Cartwright today charged with slaughtering sheep within the city limits. He proved, however, that the slaughtering had been done on a farm outside of the city was allowed to go.

## CITY OFFICIALS LABOR PARADE

Moline Commission Accepts Invitation to Join Pageant in Rock Island.

## MANY PETITIONS ARE HEARD

One Wants Street Railway Company Compelled to Lay Heavier Track to Reduce Noise.

Moline's city commission will have a place in the Labor day parade in Rock Island this year. At a meeting of the commission today an invitation to take part in the parade was read and a vote of acceptance passed. Petitions on a variety of subjects took up the attention of the commission during the greater part of the session. One asked for the laying of heavier rails in a concrete bed by the Tri-City Railway company on Twenty-third street between Fifth and Sixth avenues and on Sixth avenue from Twenty-first to Twenty-seventh street. The petitioners, property owners living in the vicinity, object to the noise made in operating cars over the uneven tracks and believe that if a firmer roadbed were provided and heavier steel used the nuisance would be abated.

**WANT STREETS OPENED.**  
Another petition asks for the opening of streets in the southeast bluff district. Citizens living near Twenty-seventh street opened from Tenth to Eleventh-and-one-half avenue and the avenues between Twenty-fifth and Twenty-seventh streets from Tenth to Eleventh-and-three-fourths avenue at least made passable for pedestrians.

From Oak Hill came protests against a hedge fence along the borders of Stephens park. Most of the petitions were referred. Assurance was given that the Tri-City Railway company will take out the hedge that is objected to.

Being assured that Fred Harrington, fireman and city electrician, is engaged in extra hazardous work in putting in the police and fire alarm system, the commission reconsidered its action and voted to add \$10 per month to his pay from July 1 to Dec. 1.

**NAMED FOR LIBRARY BOARD.**  
Mayor M. R. Carlson announced the appointment of Frank Herbst, Mrs. J. H. Hutton and Robert Rank to the library board for three years. Mr. Herbst is reappointed, the others succeeding Dr. F. H. Gardner and Fred Rank.

## TIGERS DOWN WATERTOWN

Moline Players Capture Game in Nearby Village 11 to 4. The Tigers had no trouble defeating

Watertown on the latter's diamond Sunday, the score being 11 to 4. It was a close contest, up to the eighth inning, when Dody, the Watertown pitcher, blew up and seven runs were garnered by the Moline players. Score by innings:  
Tigers ..... 000400070—11 16 5  
Watertown .. 210010000—4 9 5  
Batteries—Greko and Smith; Dody and Majorkurk.

## MARSEILLES TOPS FACTORY CIRCUIT

Saturday's games in the factory league left the Marseilles company on top with a percentage of .667. There are four teams tied for second place and three for sixth. The Deere Harvester company is now, as it has been all through the season, at the bottom. This club has lost nine games and has won none. The feature contest of Saturday was that between the Cooper company and the Union Malleable company, which was played at Watertown Saturday and took 13 innings to decide. The results of the various contests follow:

At Augustana campus—	R. H. E.
Root & VanderVoort .....	5 6 5
Deere & Co. ....	3 10 7
At Riverside park—	R. H. E.
Mutual Wheel .....	14 5 2
Deere Harvester .....	2 5 10
At East Moline—	R. H. E.
Deere & Mansur .....	15 8 6
Moline Plow company .....	12 14 8
At Browning field—	R. H. E.
Marseilles .....	9 9 4
Velle company .....	7 9 8
At Campbell's island—	R. H. E.
Silvis shops .....	9 13 4
Deere Wagon company .....	1 4 12
At Watertown—	R. H. E.
Cooper company .....	9 15 3
Union Malleable .....	8 9 3

## CONDUCTOR ATTACKS UNCLE SAM EMPLOYEE

J. G. Scott, employed as conductor on a suburban car, was arrested Saturday on a charge of assault preferred by J. E. Nelson, a mail carrier, and this morning the case was dismissed after evidence had been heard. Nelson declares he will appeal to the federal authorities and endeavor to get recourse through that channel, as he was on duty at the time he was attacked by Scott. According to the testimony brought out at the hearing this morning, Nelson pulled the bell cord to have the car stop for a woman, who was making a desperate effort to get on. The conductor took exception to this display of officiousness and struck the mail carrier.

## MAY HAVE TO CUT OFF LEG OF MOTORCYCLIST

Irwin Seiffert, aged 20 and an employe of the Deere & Mansur company, is in the city hospital, where it may be necessary to amputate his left leg, as the result of an accident in East Moline Saturday afternoon. He was riding his motorcycle and in making a turn at First street and First avenue, East Moline, he collided head on with an automobile driven by R. Wade of St. Joseph, Mo. The motorcyclist was thrown to the pavement and when picked up it was found that his left leg was crushed below the knee. He was taken to the hospital and several pieces of bone were removed. It is impossible as yet to say whether the leg can be saved.

## REMAINING TRACT OF HECK FARM IS SOLD

Henry F. Vierich, cashier of the Mechanics and Merchants' bank, has closed a deal for the remainder of the Joseph Heck estate lying on the east side of Fifteenth street near Prospect park. He intends to erect a fine home on it. The price paid is not named. The Heck tract comprises four and one-half acres, and is one of the most desirable residence sites on the south bluffs. It has been in the possession of the Heck family for many years. Mrs. Dora E. Heck, widow of Joseph Heck, who sold the property to Mr. Vierich, intends to leave the city. The tract has a frontage of 200 feet on Fifteenth street and is 1,100 feet deep. The Heck farm was once a large one, but from time to time small tracts have been sold off till the portion with the residence on it is the last to leave the hands of the family.

**Annawan Wins Game.**  
Annawan defeated the local Flonders on the Browning field diamond Sunday afternoon by a 6 to 4 count. The contest was stopped in the sixth inning by rain.

**Official Notice.**  
Rock Island, Ill., Aug. 2, 1913.—To the Hon. Harry M. Schriver, Mayor of the City of Rock Island, Ill.: Sir, We, the undersigned, constituting a majority of the property owners on both sides of No. 1724 Third avenue, in the city of Rock Island, Ill., and within three hundred (300) feet in each direction of the front door of the premises known as 1724 Third avenue, Rock Island, Ill., do hereby consent to and petition your honor to license and permit G. H. Reece to open and conduct a saloon or dram shop at No. 1724 Third avenue, Rock Island, Ill.

## CARL FRIBERG IS CALLED BY DEATH

Paralysis Fatal to Chief Designer for Deere & Mansur Company.

## FOR 33 YEARS WITH FIRM

Inventive Genius Had Been Valuable Asset in the Manufacture of Implements.

Carl P. A. Friberg, designer of many of the leading implements manufactured by the Deere & Mansur company and for 33 years in the employ of that firm, died at 3 o'clock Saturday afternoon at the city hospital, Feb. 17 last he suffered a stroke of paralysis and since March 15 he had been in the hospital.

Mr. Friberg was born in Gottland, Sweden, Nov. 23, 1855. His father conducted a small machine shop, and it was here that the son secured the basis of the training that later stood him in such good stead. In 1880 he came to Moline and at once entered the employ of Deere & Mansur. For some time he worked in the shops, but his inventive capacity soon asserted itself and he was gradually promoted till he became chief designer, a position he held when illness necessitated his retirement from active work.

Mr. Friberg was granted many patents. His specialty was implements for the southern trade. His extensive travels in the south had fitted him for this work.

In 1881 Mr. Friberg married Miss Leticia Johnson, who, with one daughter, Miss Lulu, survives. There are also left his father, one brother, and three sisters living in Chicago.

The funeral will be held from the home, 4108 River drive, Tuesday afternoon at 2:30, with interment in Riverside cemetery.

## MRS. JOHANNA JOHNSON.

Funeral services for Mrs. Johanna Johnson were held Sunday afternoon at 2:30 at the home, 608 Fifth avenue, Rev. A. L. Wewill being in charge and interment being made at Riverside cemetery. Mrs. Johnson, who was 82 years of age, died Friday afternoon as the result of a stroke of paralysis suffered two years ago. She was a native of Sweden and came to the country with her husband, the late John Johnson, in 1890. Two children, John and Christiana, both of Moline, survive.

## SUCCESSORS TO HEAT.

The 10-day-old son of Mr. and Mrs. Claude R. Hufford died Saturday morning at 10 o'clock from the effects of the heat. The funeral was held from the home at 10 o'clock Sunday morning with interment in Riverside cemetery.

## BEDER WOOD STILL LIVES; CONDITION IS FAVORABLE

Beder Wood, who was so severely injured while on his sand boat near Hampton Friday, is still in a critical condition. His physician stated today that he had rallied from the shock and his symptoms are now more favorable than at any time since he met with the accident. Mr. Wood is being cared for at his home, 1750 Twelfth avenue.

## CONVIC ROAD MAKING TO START IN LEE COUNTY

Dixon, Ill., Aug. 11.—Lee county will be the first to get the benefit of the new convict labor law passed by the last legislature.

The necessary orders were issued by Governor Dunne Saturday and it is expected that the first body of short term men from Joliet will arrive here the latter part of this week. The first work will be done near the resort village of Grand de Tour, where a big clay hill is to be cut down. No county supervisor for Lee or Ogle county has as yet been selected and the work will be done under the direction of Representative John P. Devine and the present highway commissions of the township.

Several weeks' work has been laid out on the road. The townships in which the work is to be done are sparsely settled and have no money available for building.

**Rheumatism Relieved in a Few Hours.**  
N. B. Langley, Madison, Wis., says: "I was almost helpless with rheumatism for about five months. Had it in my neck so I could not turn my head, and all through my body. I tried three doctors and many remedies without any relief whatever until I procured Dr. Detton's Relief for Rheumatism. In a few hours the pain was relieved and in three days the rheumatism was completely cured and I was at work." Sold by Otto Grotjan, 1501 Second avenue, Rock Island; Gust Schlegel & Son, 220 West Second street, Davenport. (Adv.)

**Drive Dull Care Away.**  
Barge Mississippi Saturday, Sunday, Tuesday, Aug. 16-17-19. (Adv.)

**Quite Pretty.**  
"I am not ashamed of my latest book," said the author.  
"Of course not," said the local critic.  
"I noticed its gilt edges and the beautifully colored frontispiece."—Atlanta Constitution.

**WESTERN UNION TELEGRAM**  
THEO. H. VAIL, PRESIDENT

When you lift the receiver of a Bell telephone and call "Western Union" you are in communication with all the world.

**THE WESTERN UNION TELEGRAPH COMPANY**

## CATHOLICS TALK OF SCHOOL TAXES

Great Gathering of Members of the American Federation at Milwaukee.

Milwaukee, Wis., Aug. 11.—Three sessions of the American Federation of Catholic Societies were planned for today. Among things to be discussed during the convention are religious teachings in the public schools and the problem of taxing the Catholic citizens in order to maintain the public schools when they already are maintaining parochial schools.

Bishop McPaul's solution is: "First: Let the Catholic schools remain as they are. Second: Let compensation be made for religious instruction. Our principle is to let the pastor take care of the flock and live by the flock. Third: Let Catholic children be examined by the state or municipal board as to whether Catholic schools furnish the regular education required."

Great interest centers in a mass meeting to be addressed by Archbishop Ireland.

There is a movement on foot to organize a national league of Catholic women.

The cross of a knight of St. Gregory, the highest possible honor attainable for a Catholic layman, was bestowed upon Anthony Matre of St. Louis, secretary of the federation since its inception, 12 years ago. In normal plays, socialism, the white slave traffic and some phases of American newspapers, were scored in President Denechaud's report. Secretary Matre made a plea for a Catholic Y. M. C. A. and an international association of federations.

Cardinal Gibbons formally opened the 12th annual convention of the American Federation of Catholic Societies yesterday with a celebration of pontifical high mass at the St. John's cathedral.

The cathedral was packed during the celebration, while the streets outside were lined for more than a block with convention delegates. It was estimated today that 30,000 had come to Milwaukee for the convention.

Cardinal Gibbons bestowed a special apostolic blessing on delegates at the close of a giant mass meeting in the afternoon in the Milwaukee auditorium, which was held at the conclusion of the greatest Catholic demonstration ever held in Milwaukee, a parade in which more than 15,000 persons took part.

Cardinal Gibbons and Archbishop Keane of Dubuque, Iowa, united in deprecating the new Wisconsin eugenic marriage law which requires couples to furnish medical certificates of their fitness.

"Eugenics is a fad which will pass with the rest of the fads, and that sort of legislation cannot last long," said Cardinal Gibbons. "Marriage is something sacred and should be left to the man and the woman to decide."

Archbishop Keane said eugenic marriage laws were an interference with personal liberty.

Archbishop Glennon of St. Louis took up the Wisconsin law for the sterilization of criminals, and said: "You cannot cure a mental disease by physical methods. Morbidity, crudity and animality are the results of

the education of the young people in sex hygiene, and the aim of teaching this subject is not reached."  
Delegates of societies from all parts of this country and Canada joined in the parade, the longest in Milwaukee's history, taking two hours to pass any given point. It was watched by 100,000 spectators. With Cardinal Gibbons on the reviewing stand were five archbishops, 20 bishops and 10 monsignors.

There were nine sections in the procession, headed by a platoon of police. The first three divisions were given over to the uniform ranks of the Catholic organizations, resplendent in gold braid.

It was estimated that there were at least 5,000 Knights of Columbus and members of the Ancient Order of Hibernians in line, while conservative estimates placed the number of members of the Catholic Order of Foresters at \$,900. Two divisions were given over to local church societies, while one was allotted to the Catholic Knights of Wisconsin.

Two thousand women were in line. Milwaukee's populace contributed a dozen nationalities in the assemblage. Archbishop Sebastian G. McMissner of the Wisconsin diocese told the assemblage that Pope Pius X. had authorized Cardinal Gibbons to confer a special apostolic blessing on the convention.

Cardinal Gibbons' speech was delivered in clear voice and forceful manner throughout. He dwelt on the importance of union in the federation. "Union is the law of life, of strength and growth, and of development," said the cardinal. "Disunion is the law of weakness and disintegration. The American republic owes its material and political prosperity to the union and cooperation of the several states. "If those states were disunited and exerting their forces in opposite directions, like the present republic of Mexico, we never would have attained the prosperity that has marked our career. For four years during civil war we were disunited, and the result was shedding of fratricidal blood, with imminent danger of the dissolution of the nation.

"The same principle can be justly applied to the influence of union of religion and moral forces in the development of Christianity. An enlightened and zealous laity is the glory of the Christian church."  
"We are all in the same bark of Peter, tossed about by the same storms and sharing the same sunshine. Your interests are our interests. We are all steering our course toward the same eternal shores. We are all heirs prospective of the same heavenly kingdom."  
"Brethren of the laity, we need your help. How are you to cooperate with us?"  
"Above all, you can cooperate with us by the rectitude of your private lives and the influence of your good example. Having your conversation good among the gentiles, that whereas they speak of you as evil-doers, considering you by your good example, they may glorify God in the day of visitation."  
"Let your light so shine before men that they may see your good works and glorify your Father who is in heaven."  
Be sure and take a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with you when starting on your trip this summer. It cannot be obtained on board the trains or steamers. Changes of water and climate often cause sudden attacks of diarrhoea, and it is best to be prepared. Sold by all druggists.—(Adv.)

**ADDRESSED TO WOMEN**

**IS YOURS A Case of "Nerves?"**

Hot flashes, dizziness, fainting spells, backache, headache, bearing-down pains, nervousness—all are symptoms of irregularity and female disturbances and are not beyond relief.

**Dr. Pierce's Favorite Prescription**

is that of a famous physician unusually experienced in the treatment of women's peculiar ailments. For forty years it has been recommended to suffering women-kind. Thousands of women can bear witness to its beneficial qualities. Perhaps its aid is all that is required to restore to you perfect health and strength. Now is the time to act, write Dr. J. C. Pierce, Buffalo, N. Y.

**I AM NOW CURED**

Mrs. Thelma Bonness, of San Francisco, Calif., writes: "I take pleasure in recommending your wonderful remedy, and I thank you in behalf of your 'Favorite Prescription' and 'Golden Medical Discovery' that through their use I am now cured of the various troubles that a woman in her life. I was periodic cured for which others failed and I therefore resolve to take 50 boxes. Thank you for your advice."

**YOUR DRUGGIST CAN SUPPLY YOU IN LIQUID OR TABLET FORM**

Mrs. Rodgers

**Harned & Von Maur**

Straight from New York come a number of Exclusive styles in dainty net dancing and party frocks to sell at \$8.95

A girl preparing to leave for school will find much use for one of these. They are chiefly of all-over shadow lace made up in two or three tier flounce effects. Some have touches of blue; others of pink; all have soft, pleated, silk girdles, now so very fashionable; sizes 14 to 40; a particularly good value; \$8.95.

—Third Floor.

**Charming new net waists at \$5.95**

Like the above dresses, these are fresh from New York. One style is of shadow lace with colored trimming of light blue and pink; short sleeves; high or low neck. Another style is of plain net trimmed with oriental lace; short sleeves and low neck finished with pleating.
