

HEART and HOME PROBLEMS

MRS. ELIZABETH THOMPSON

Dear Mrs. Thompson: (1) My eye-brows and eyelashes are very thin and short. What will make them longer and thicker?

(2) I have a large bunch on the front of my neck. What can I do to cure it?

(3) My eyes are quite small. What will make them larger?

(4) What will take tan off?

(5) What will take black spots off of brown shoes?

CONSTANT READER. (1) Rub a little yellow vaseline into the eyebrows every day. Apply a little of the vaseline to the eyelashes, but be careful not to get any of it in the eyes.

(2) You have a goitre. Only a physician can advise you about this.

(3) You cannot make the eyes larger but try different ways of arranging your hair about your forehead and find which way makes your eyes appear bigger.

(4) Butter-milk or lemon juice, used every day.

(5) I do not know what makes the black spots. Peroxide will often take off dark spots; also lemon juice or alcohol.

Dear Mrs. Thompson: (1) We are two chums fourteen and seventeen. What can we do to make the boys notice us and talk to us?

(2) What will take grape juice stain out of a pink satin dress?

ANXIOUS. If you have brothers or boy cousins ask them to introduce some of their nice boy friends to you.

When you meet a boy be pleasant and sweet and interested in what he says. Try to make yourself interesting to him. Get him to talk about the things he likes.

You can be nice to a boy without making yourself cheap and without letting him get fresh. Dress nicely and be clean and healthy, and the nice boys will both notice you and want to talk to you.

(2) Let hot water run through the stain.

Dear Mrs. Thompson: (1) I am a girl of fourteen and very much in love with a boy of seventeen. He smokes and I don't think a boy of his age ought to. What can I do to prevent it?

I don't want to break up with him, but I don't approve of smoking.

(2) What will make my hair glossy? CONSTANT READER.

(1) I doubt very much if you can stop him, my dear. A boy of seventeen thinks he knows everything on earth that is worth knowing, and no mere girl can influence him.

If he knows the consequence of cigar smoking he might think it best to stop. A man who employs a large number of men told me not long ago that he seldom placed a cigar smoker in a position of much importance where he might suddenly be called upon to do something big, because he never had known it to fall that every cigar smoker some time and some how would find himself unable to come up to the mark.

If I were a young man I would hesitate about doing anything that would make me untrustworthy.

(2) Brush it a great deal. About once a week dip your brush in coal oil and brush this well through your hair.

course dinner was served with covers laid for 17. The study meeting was dispensed with and the time given over to sociability following the serving of the dinner. Meetings of the circle will now be resumed after having been omitted during the hot months.

ROACH-HERBERT. ANNOUNCEMENT IS MADE OF THE MARRIAGE OF Mrs. Belle Herbert, 523 1/2 Sixteenth street, to E. E. Roach of Des Moines.

The ceremony took place at Clinton, Iowa, Aug. 19, at the home of Mr. and Mrs. C. L. Nya, 485 Seventh avenue, and was performed by Rev. George D. Rogers, pastor of the First Baptist church. The couple made no announcement of their plans at the time and kept their friends in ignorance of the event until the news leaked out today. Mr. Roach is a linotype operator and Mrs. Roach has been employed for many years as a compositor in the office of The Argus. Mr. and Mrs. Roach will make their home in Rock Island for the time being, locating later in the west.

NOWACK-WALTERS. THE MARRIAGE OF MISS ANNA Walters, daughter of Mr. and Mrs. Louis Walters of Williamsburg, Iowa, to Albert Nowack, son of the late Ernest Nowack of Rock Island, took place at a quiet ceremony of yesterday morning at 10:30 at the parsonage of Trinity German Lutheran church, Davenport.

Rev. Oscar Horn performed the marriage ceremony, the attending witnesses being Mr. and Mrs. R. W. Rick. The bride was in white silk and lace for the wedding ceremony. Mr. and Mrs. Nowack left in the afternoon for a wedding trip in the east. They will reside in the new flat building that is being erected on Bowditch street, Davenport, on their return. The bride has made her home in Davenport for the past four years. Mr. Nowack is employed as a miller by the Purity Oats company of Davenport.

INVITED TO FLAG RAISING. FORT ARMSTRONG CHAPTER, Daughters of the American Revolution, has received its special invitation to the celebration at Starved Rock, Saturday, September 6, to the dedication and presentation of the Daughters' flag staff, flags and pennant to the state of Illinois.

An impressive patriotic program is to begin at 1 o'clock. It is earnestly desired that every daughter attend the exercise. The governor and park commissioners are expected to take a prominent part in the program. Mrs. Frederick K. Bowers, the chairman, will give an address, raise the flag and pennant, give the flag pledge and lead in scattering flowers in memory of the pioneers, soldiers and sailors of the revolution and war of 1812, who are buried in Illinois.

The local chapter is hereby notified that the state invites the full chapter membership. Each daughter will arrange for her own transportation and hotel accommodations. A box luncheon, to eat in picnic style, is suggested by those in charge of the affair.

ALUMNAE ELECT OFFICERS. MEMBERS OF THE ALUMNAE association of St. Anthony's hospital met in quarterly session at the home of Mrs. Harry Knox, 413 1/2 Twentieth street, yesterday afternoon at which time officers for the year were chosen as follows:

President—Miss Phoebe Hurst, Rock Island. Vice President—Mrs. Harry Knox, Rock Island. Secretary—Mrs. Thomas Haega, Rock Island. Treasurer—Miss Anna Clincbell, Rock Island.

Miss Frances E. Shear was appointed a committee on arrangements for the entertainment of the alumnae at the December meeting, the place of holding which was left undecided. Following the business session the nurses spent a most delightful social time and the hostess served them with refreshments.

HOME MISSION SOCIETY. A MEETING OF THE WOMAN'S Home Mission society of the First Methodist church was held last evening at Mrs. J. A. Reid, 529 Sixteenth street. The meeting was largely attended and very pleasant.

The program of the evening consisted of a reading "Being an Organizer" by Miss Bertha Hafsa, a paper "For Tired Leaders" by Miss Lola Smutz, a reading "When the Girls Took Charge" by Mrs. T. E. Newland and two vocal solos by Miss Gertrude Strand. At the conclusion of the program an hour of sociability was enjoyed and the hostess served refreshments.

KATE HILL MISSION SOCIETY. MEMBERS OF THE KATE HILL Mission society of the United Presbyterian church were entertained last evening at the home of Miss Bessie Bryan, 1525 Tenth avenue, at the fortnightly meeting for study. Miss Anna Moller was in charge of the lesson which dealt with the freed men missions. Miss Hazel Cardall read an article on the subject in addition to that of the leader. There was a short business session with Miss Mildred Warwick in charge of the transaction of routine business. The meeting was held on the porch and was largely attended.

W. C. C. GIRLS MEET. MISS NATALIE HOLMES AT HER home, 536 Twenty-fifth street, was hostess to the W. C. C. girls last evening at their first meeting after the summer vacation. The short business meeting was followed by an hour of sociability and the serving of refreshments.

SOCIETY OUTING AT PARK. THE LADIES' AID SOCIETY OF the Memorial Christian church will go to Suburban park tomorrow afternoon for an outing and picnic supper. The ladies will meet at the church at 2 o'clock and go to the island in a body.

FORTNIGHTLY CIRCLE OUTING. MRS. J. HASSELQUIST, MRS. Chris Pedersen and Mrs. O. V. Holmgren were the hostesses to a fortnightly Reading circle at a dinner at Fejervary park inn last evening. The ladies went to the park late in the afternoon and at 6 o'clock a three-

PUPILS SAVING THEIR PENNIES

School Bank Which Has Proven So Successful Will Be Used Again This Year.

The School Savings bank plan which has been in operation in the public schools for the past few years, is to be continued again this year. Tomorrow morning Robert Mitchell of the State bank will visit the schools for the purpose of leaving supplies and on Friday the usual weekly deposits will be made.

It is interesting to note that on Sept. 1, 1911, there were 996 depositors and deposits amounting to \$4,563.38; Sept. 1, 1912, 1,289 depositors and \$8,152.28 in deposits; and on Sept. 1 of this year, 1,480 depositors and \$13,198.49 in the bank.

City Superintendent H. B. Hayden has the following statement to make relative to the School Savings bank: At a meeting of the board of education in December, 1910, the school management was authorized to establish a system of savings among the children of our public schools.

This savings system has now been in operation in our schools since January, 1911, and we are much pleased with results. A commendable number of our pupils are personally interested, and they are forming the habit of systematic saving, and the amounts thus laid aside are steadily increasing.

School savings banks have been for many years in successful operation in Europe and the United States; and through them many children have been trained to habits of thrift and economy that have been a help throughout their lives.

This is the purpose of this movement in our schools—to give to the children an appreciation of the real value of money, and impress upon them the importance of the habit, established early in life, of laying aside a portion of such money as they may earn or otherwise acquire.

We believe that too many children look upon money as simply the means for procuring temporary pleasure, and thus early form the habit of spending it unwisely. But we also believe that under the counsel and encouragement of their teachers many of the children are already being led to save little by little for some really beneficial use much of the money which would otherwise go for things that do them no good.

In the aggregate a splendid amount has been saved and a time army of savers has been organized. It is not the purpose to urge children to make large deposits, but rather to save systematically their pennies and their small amounts. The bank will accept deposits of fifty cents or more at a time. This deposit may be accumulated at school by the children, a penny or more at a time.

The working of the system is very simple. Each Friday forenoon the children will take to school their pennies or other savings, and will deposit them with the teacher, who will issue a penny stamp for each cent paid in by the child. These stamps will be pasted into a "folder" holding fifty stamps. This "folder" when filled will be taken to the State Bank of Rock Island and deposited by the child, the parent accompanying him to the bank if he so desires. But the bank will use the same courtesy and consideration in dealing with the child depositor as with the adult.

Money once deposited in the bank can only be withdrawn with the consent and written signature of the parent.

Interest at the rate of 4 per cent per annum will be allowed on all deposits remaining three months.

As this school savings bank system is established solely for the good of the children, the cooperation of parents is earnestly solicited. Each child depositing money will bring from school his stamp "folder" showing a penny stamp for each penny deposited. His bank book, issued by the State Bank of Rock Island, should be kept at home. Thus the parent may see at all times that due credit is given for all savings. We earnestly request your cooperation and assure you of ours.

THIS IS THE DAY FOR PANAMA BOOK

Certificates Mature Today and the Volumes Will Be Given Out to All Clippers.

This is the day the Panama certificates mature, and readers who present six of them and the small expense fee will be entitled to a copy of "Panama and the Canal in Picture and Prose," as previously announced in these columns.

Considering the large number of inquiries already received from those interested it is believed that there will be a great demand for these books, and

A GLORIOUS BIG DANCE AT EDGINGTON, ILL. FRIDAY, SEPT. 5 SIX MUSICIANS WRIXON'S ORCHESTRA

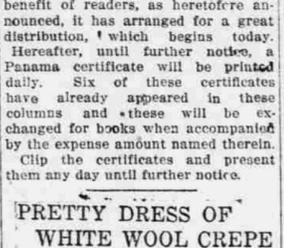

readers are urged to present their certificates as early as possible. The present supply of books is thought to be sufficient to fill all demands under normal conditions, but the offer is so unusual and the books are so attractive that some readers may be disappointed if they do not present their certificates at once.

Everybody that sees this wonderful book wants it. It is difficult to describe such a volume in cold type, and utterly impossible to portray its beauties in any kind of an illustration, for its wealth of harmonious colorings cannot be reproduced. Its contents are unique in that they comprise a series of interesting stories about the canal, the country, the people—where they live, what they eat, how they employ their time in pleasure and work—and all of these pleasing little stories are made up into one complete story which is of intense interest to all.

The Argus is cognizant of the educational benefits to be derived from this volume, which gives the complete history of the great Canal, setting forth its purpose and promise, and for the benefit of readers, as heretofore announced, it has arranged for a great distribution, which begins today. Hereafter, until further notice, a Panama certificate will be printed daily. Six of these certificates have already appeared in these columns and these will be exchanged for books when accompanied by the expense amount named therein. Clip the certificates and present them any day until further notice.

SCHOOL TERM AT ST. JOSEPH'S OPENS

St. Joseph's parish school opened for the fall term of work this morning in the new and enlarged school building with an enrollment will undoubtedly be largely augmented before the end of the week and it means a marked decrease over the number enrolled at the end of the term last spring. With the enlarging of the school facilities the curriculum of the school has been broadened to include a four years' course in high school for boys and a two years' business course. Heretofore, because of the limited accommodations at the old school building, the high school course has been open only to the girls of the parish, the boys completing only the eighth grades. The addition of the business course also adds to the efficiency of the school and will be open to both boys and girls and will include all the commercial branches. Four new teachers, Sisters Philips, Berth, Maurellan and Reolina have been added to the teaching force making a total of ten in the school branches and two music teachers.

The above menus are only suggestive, as all menus must be; but at any rate, write out the menus, not think of them, but WRITE them, and at the same time make out the grocery order. All this is to be done Friday if everything is to be in readiness for Sunday. Then Saturday morning the chicken can be prepared and in the casserole ready for very slow oven right after luncheon. The corn cut off the cob and well seasoned with butter, pepper, salt, chopped peppers and plenty of paprika; this can be covered and set in the refrigerator until supper time and at the same time take care that the lettuce is well washed and dry and wrapped in a cloth in the same place. The pastry shell for the pie can be baked on Friday and filled with the chocolate on Saturday. Enough potatoes should be cooked on Saturday for the salad and creamed potatoes for Sunday night, and the apple sauce made. The ham can be cleaned and ready to go into the fireless cooker or slow oven Sunday morning to bake.

By a little planning ahead things will not come all at once and every meal here suggested will be prepared without much effort or time.

Gallant Spanish-American Soldier Gives Praise to Peruna

Col. Arthur L. Hamilton of the Seventh Ohio Volunteers, writes as follows: "I have used Peruna myself and in my family for the last seven years. I have already written you about the good results I experienced with your remedy during the Spanish-American War.

"My command used your Peruna during our service in the Spanish-American War, and I will say this, that if the War Department records are consulted, it will be found that the casualties in my regiment were less than in any other regiment of the Army Corps while at Camps Alger, Meade and Busnell. The total deaths in my regiment during the seven months' service were seven out of a total number of 1,400, 1, of course, cannot help but think that Peruna certainly was a great benefit to my command."

Can Now Eat Anything.

Mr. J. W. Pritchard, R. F. D. 12, Box 76, Columbia City, Ind., writes: "I am pleased to say that I have been cured of catarrh of the stomach by Peruna. I could hardly eat anything that agreed with me. Before I would get half through my meal my stomach would fill with gas, causing me much distress and unpleasant feelings for an hour or two after each meal.

"But, thanks to your Peruna, I am now completely cured and can eat anything I want to without any of the distressing symptoms. I can now enjoy my meals as I used to do and it is all due to Dr. Hartman and his wonderful medicine, Peruna.

"It has been one year since I was cured and I am all O. K. yet, so I know I am cured."

Catarrh of Stomach.

Mr. W. R. Callahan, proprietor of Big Hill Farm, and a prominent fruit grower and stock raiser, R. F. D. 1, Salem, Vt., writes: "I had a very bad spell of sickness and could not eat anything at all. "My head, stomach, in fact, my whole body ached, and it looked as though nothing would do me any good. "I had almost given up. I decided to try a bottle of your Peruna and before I had taken half the bottle my appetite came to me and my head became all right. In fact, I was all right all over. Peruna cured me." Those who object to liquid medicines can now procure Peruna Tablets.—(Adv.)

MUSIC DEPARTMENT OF WOMAN'S CLUB FORMED

A NEW BRANCH WAS ADDED to the Woman's club of Rock Island yesterday when the music department was formed at a meeting held at the home of Mrs. J. K. Scott, the chairman, 103 1/2 Twenty-first street. Twenty-five ladies asked that their names be placed on the roll as members of the department and the organization had a most promising beginning. Music will be studied in a general way, no particular composer or composition to be taken up for the first year, but rather a history of music and musical instruments. Meetings will be held on Friday afternoon at 4 o'clock twice a month at the home of the chairman of each meeting. The studying of each topic will occupy two meetings under different leaders and in this way the results are hoped to be doubly beneficial. But one officer was chosen in addition to Mrs. Scott who is the chairman appointed by the board, that of secretary-treasurer to which office Miss Martha Foss was chosen. The outline of the program for the coming season was arranged as follows: Sept. 26—Mrs. J. K. Scott, leader. Topic, piano. Oct. 10—Mrs. F. K. Rhoads, leader. Topic, piano. Oct. 24—Mrs. A. E. Williams, leader. Topic, voice. Nov. 7—Mrs. J. R. Tuckis, leader. Topic, voice. Nov. 20—Miss Martha Foss, leader. Topic, orchestra and orchestral music. Dec. 5—Miss Josephine Sheldon, leader. Topic, orchestra and orchestral music. Dec. 19—Miss Elsa Simon, leader. Topic, harmony. Jan. 9—Miss Lois Hubbard, leader. Topic, harmony. Jan. 23—Mrs. E. W. Lewis, leader. Topic, woman in music. Feb. 13—Mrs. Daniel Hayes, Jr., leader. Topic, woman in music. Feb. 27—Mrs. William Ulmeyer,
