SCENE IN "SHEPHERD OF THE HILLS"

Harold Bell Wright's popular novel, "The Shepherd of the Hills," in dramatized form, will be seen at the Illinois theatre next Sunday, matinee and night.

GOLF HONORS GO TO IOWA LADIES

Women golfers of the tri-cities yesterday played the first matches in the annual championship contest on the Rock Island arsenal golf links, eight being entered. Miss Elizabeth Allen of Davenport defeated Mrs. F. W. Bahnsen of Rock Island, 8 up, 7 to play; Mrs. Charles H. Wilson of Davenport won from Miss Mabel Lardner of Davenport by default; Miss Helen Vipeout of Davenport defeated Mrs. George Watson French of Davenport, 4 up, 2 to play, and Miss Elizabeth Nott of Davenport defeated Mrs. Richard Hostford of Moline, 5 up, 4 to play. The play of yesterday eliminates Rock Island from the running, leaving four Davenport ladies to decide the championship.

AT THE ILLINOIS.
Not in years or since "Madam Sherry" startled the world with its fascinating and tuneful melodies, it is claimed, has a musical comedy captured the hearts of the music lovers as Sheehan & Beck's pretty Parisian concoction, "The Girl from Mummies," by Lucy and Bonnhorst, which comes to the Illinois Saturday, Sept. 6, matinee and night. "Every Little Movement" and "My Hero" made "Madame Sherry" and "The Chocolate Soldier" famous, and held the music loving theatre-goers in ecstasy for three consecutive seasons. "The Girl from Mummies" does not rely upon any one particular musical number to uphold the show, but boasts of more

GIRLS WHO ARE PALE, NERVOUS

May Find Help in Mrs. Elston's Letter About Her Daughter.

Burlington, Iowa.—"Lydia E. Pinkham's Vegetable Compound has cured my daughter of weakness. She was troubled almost a year with it and complained of back-ache, so that I thought she would be an invalid. She was entirely run down, pale, nervous and without appetite. I was very much discouraged but heard of Lydia E. Pinkham's Vegetable Compound through friends and now I praise it because it has cured my daughter."—Mrs. F. M. ELSTON, R. D. No. 3, Burlington, Iowa.

Case of Another Girl.
Scanlon, Minn.—"I used to be bothered with nervous spells, and would cry if anyone was cross to me. I got awful weak spells especially in the morning, and my appetite was poor. I also had a tender place in my right side which pained when I did any hard work. I took Lydia E. Pinkham's Vegetable Compound and my symptoms all changed, and I am certainly feeling fine. I recommend it to every suffering woman or girl. You may use this letter for the good of others."—Miss ELLA OLSON, 171 5th St., Virginia, Minn.

Young Girls, Heed This Advice.
Girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

ICE WATER FOR THIRSTY PUBLIC

Commissioner Jonas Bear Arranges Treat at the New W. C. T. U. Fountain.

Ice water is to be installed in the new drinking fountain in Market square according to the present plans of Commissioner Jonas Bear. A large basin has been placed underground beside the fountain in which a coil will be installed. Ice will be placed therein daily, assuring thirsty pedestrians an ample supply of cool water all time.
In order that none of the precious liquid may be wasted automatic stops will be placed on the drinking jets. In this way the handles of the faucets must be pressed down to obtain water while the flow will be automatically stopped when the pressure is released.
