WALSH FAILS IN COMEBACK ROLE

Reported Not Ready to Pitch After Four Rounds of Rescue Work Yesterday.

YANKS DENT RUSSELL, 6-3

Cubs Get Even Break With Boston, Taking Opener but Dropping Second to Hess.

New York, Sept. 19.—Edward Walsh is not ready. The big hurler attempted to "come back" in a relief role yesterday, but failed to show his old form against Chance's Yankees. The moose hurled four innings after "Rebel" Russell had undergone a slaughter in the fourth when the kilties shot over enough runs to remain out of last place. The final score was 6 to 3.

Had Russell not engaged in a verbal battle with Weaver he would have gone the route and undoubtedly carried off a victory instead of having his mates fall in defeat before Marty McHale, the Jersey City, "spitball" phenom.

While in trouble in the fourth with the bags filled and two gone he passed the pitcher, whereupon Weaver asked why he hadn't wound up. This slight peeved the big Texan, so a second later he knocked down a scratch hit and heaved it to first with all his might. This error, with what followed, let the Yanks count four runs. That settled the game. Score:

Chicago, Sept. 19.—With the venerable Mr. Hens plying his nefarious southpaw trade along scientific lines, the bearded Braves managed to eke out an even break in the bargain card on Murphy's greens yesterday. The creaking left arm of the Boston veteran worked true to form against Evers' machine in the second bout, which ended, 3 to 0. The same score marked the opener, which went to the Trojans in a struggle between sterling left-handers, to wit, Messrs. Tyler and Pierce. Scores:

TWO NEW TEAMS FOR TWIN-CITIES

Plan to Include Davenport Bowlers in Organization—Hatchet Is Buried.

CITY SERIES TO START ON OCT. 7

Cub and Sox Renew Civil War in Chicago One Day After Close of Season.

Chicago baseball fans will have one day to catch their breath between the closing of the regular major leagues season and the opening of the city series. President Johnson of the American league, who returned from Cincinnati yesterday, volunteered the information that the series between the Cubs and Sox would probably start Oct. 7 instead of Oct. 6, as the White Sox close in Detroit Oct. 5, and it was thought best not to compel them to meet their ancient rivals right after a ride on the train.

The world's series will open on Oct. 6, as both the Athletics and Giants close their seasons Oct. 4, and it is taken for granted that these two will be the contenders for the championship honors.

"We only talked over the post-season series informally at Cincinnati," said Mr. Johnson, "but there will be no hitch in the arrangements when the flags are finally won." President Comiskey is awaiting word from Advance Agent Bannell as to dates for the Sox and Giants in the orient and Australia. Some one has told the "Old Roman" that he may look for big crowds in Australia, where they turn out 100,000 strong to the championship cricket matches. The advance news from Japan is to the effect that the fans of Nippon are more than eager to see a real champion baseball team from this side of the water.

WHITE VS DUNDEE MATCH AT RACINE

Charley White, the Chicago boxer, and Johnny Dundee of New York yesterday were matched to box 10 rounds before the Racine Boxing club on Oct. 6. The weight will be 133 pounds, ringside.

Matchmaker John Wagner made a special trip to Chicago to close the bout, which he believes will be a good drawing card. Dundee is in New York, but his consent to the match was secured by wire, and he welcomed the opportunity to get a second chance at the Chicago miller. White gave Dundee a lacing in Syracuse last year over the 19 round route. Since that time the easterner has been seeking a return match and the Racine promoter did not have any trouble in getting Johnny to agree to terms.

PRESIDENT WILSON HOST TO TYRUS COBB AND GANG

Washington, D. C., Sept. 19.—President Wilson yesterday received the Detroit baseball team en masse. "That was a pretty bad licking you gave us yesterday," said the chief executive, "but we will forgive you this time."

After the visit to the White house Ty Cobb, "the Georgia peach," paid a lonely visit to the treasury, and was shown the vaults and strong rooms of that structure.

Umpire Is Insane. Oakland, Cal., Sept. 19.—Fred (Bull) Perrine, former Pacific Coast league and American league umpire, was committed to the Napa asylum for the insane yesterday after a week at the emergency hospital under observation.

Climate Controls

(Private Car Excursion Tuesday, October 7. THE DROUGHT of the Southwest draws attention to differences in climates. Climate controls crops, crops control finances and finances control men. A protracted drought this year caught Kansas, Oklahoma, Missouri and Southern Nebraska in its withering grasp and practically ruined their corn crop, and who knows how many farmers with it? Illinois has also suffered great damage to corn and oats. This drought in the corn belt is a calamity, as farmers there so largely depend upon the single crop of corn.

IN ADDITION TO AMPLE rainfall, diversified crops is a practice in Michigan which is the security of our average farmer. We do not put all our eggs in one basket in Mason, Manistee, Lake and Westford Counties—that part of Michigan which is a Clover, Fruit, Bean and Potato Belt combined, and it is here the Swigart Tract is located. We have an annual rainfall of 32 inches and an unlimited supply of water underground for the soil to draw from. Rivers, creeks, springs and inland lakes are our reservoir stored with purest water for man, beast and vegetation. "A soil to which is given all the water it can use will produce four times the average of crops." Plants take their food one thousand parts of water to one of dry matter; a pound loaf of bread takes two tons of water from the time of planting the wheat. A ton of hay pumps five hundred tons of water through the soil. A farmer requires good water and plenty of it. The value of our water supply should ever be borne in mind. There is plenty for everybody, for every purpose, and to spare.

OPPORTUNITY is everywhere evident in this tract and ought to be investigated by every man who is looking for a chance to get ahead. You can acquire the land on easy payments—yearly terms, or on a monthly basis as low as \$10 to \$50 down and \$5 to \$10 per month on 40 acres, thus giving you about seven years' time to pay for it. You will find the price of \$10 to \$35 per acre, and much of the land at \$17 and \$18 per acre, is lower than is being asked for other lands with anything like the quality and location. Inquire about the insurance feature of my contract, about the demonstration farm, about the crops of experts whom I keep on the land to instruct the settlers. If you are interested in fruit let me tell you about my big orchard and send you my special booklet on fruit growing. Also learn about the great electric power dams being constructed in the center of this tract. There are many things in connection with this big colonizing movement that cannot be even briefly mentioned here so write at once for full information. MY NEXT PRIVATE CAR EXCURSION will be Tuesday, October 7, by the P. M. R. R., leaving my offices at 11:30 a. m. Fare \$8.30, round trip, to Wellston, re-based on purchase. You get back to Chicago at 7:20 a. m. Thursday or Friday of the same week. Automobiles and guides furnished free.

Full particulars can be had by addressing George W. Swigart, Z1248 First National Bank Building, Chicago, Ill., or his agent.

FORMER CHAMPS TO GO 10 ROUNDS

Nelson and Wolgast to Meet in Ring at Milwaukee Either Oct. 13 or 27. Battling Nelson and Ad Wolgast will meet in Milwaukee for 10 rounds on either Oct. 13 or 27. The choice of date is up to Wolgast. Wolgast also suggested the weight, which Nelson agreed to without a moment's hesitation. Details of the match were virtually closed last night, Tommy Walsh acting for Benny Steinel, the Milwaukee promoter, who has secured the big plum. Nelson, in Racine Monday night, had a conference with Walsh and Steinel, and when the subject of meeting Wolgast was broached to him the tow-headed ex-king of the lightweights almost fell over a dozen rows of chairs accepting the match. Wolgast was in Cadillac, and Steinel instantly communicated with him. Yesterday Wolgast accepted Steinel's proposition, naming the weight and asking that the match be staged Oct. 27. Nelson prefers the original date, Oct. 13, but is willing to concede almost anything within reason to get Wolgast into the ring. The match to Wolgast is purely a financial affair. He is getting the same percentage accorded Nelson. Both are ex-lightweight champions of the world, and both really started their careers as mainbout performers in Milwaukee. Nelson has a tremendous following in the city of beer, and also a throng of friends in Chicago. Wolgast, really a Milwaukee
