She is allowed \$10 a month alimony.

Obituary Record.—Following an operation and an illness of but a few days, Miss Margaret Traigor died yesterday at a local hospital. She was but 16 years old. The girl was born Sept. 5, 1897, in Fort Madison, Iowa, the daughter of Mr. and Mrs. John Traigor. The family came to Davenport several years ago and since that time has lived here. Surviving are the parents, four brothers, John, William, Daniel and James Traigor, all of Davenport, and three sisters, Irene, Esther and Isabelle Traigor, all at home. The body was removed to the home of the grandmother, Mrs. Margaret McAuley, 1312 West Sixth street, from where services will be held at 8:30 o'clock tomorrow morning, with services at 9 o'clock at St. Alphonsus church.

Mrs. Anna Christina Boeckel, 56 years old, believed to be the oldest resident of Scott county, died yesterday at the home of her daughter, Mrs. Lena Boeckel, 1219 Liberty street. A general weakening of the constitution, due to advanced years, is given as the cause of death. Coming here direct from Germany via New York in the year 1859, Mrs. Boeckel had made her home in Davenport. For a number of years she lived with a daughter in Eldridge, but for the past three and a half decades had resided with her daughter-in-law, Mrs. Lena Boeckel, 1219 Liberty street, at whose home death occurred. The deceased was born Dec. 31, 1817, in Guthrie, Ger-

many. She resided there until she had attained 37 years of age, when she emigrated with her husband to America. She came directly to Davenport. The two sons, born to the aged woman, died a few years ago, but there still survive her eight grandchildren and nine great-grandchildren. The grandchildren are Mrs. John Stevers of Everett, Wash., Ernest Boeckel of Walcott, Iowa, Mrs. W. C. Priestler of Davenport, Mrs. Alvin Davis of Davenport, Mrs. Jessie Leslie and Ernest and Walter Boeckel of Avoca, Iowa, and Mrs. Claudine Krieger of Shelby, Iowa. The surviving great-grandchildren are Roy, William, Harold, Ernest and John Stevers, Jr., of Everett, Wash.; Roma, Lillian and Allan Boeckel-Priester of Davenport; Clarence Ernest Boeckel of Walcott, and the three Leslie children of Avoca. Davenporters of 25 years ago will remember John B. Ruth, manager of the Standard Oil company here at the time. The Omaha Bee notices Mr. Ruth's death in Omaha, and gives the following details: John B. Ruth died Sunday afternoon, aged 77 years. He had been falling for two years past, but death was due to old age. Mr. Ruth was born in Pittsburgh, Pa., Oct. 7, 1836, and when a boy removed to Erie, Pa., which place remained his home until shortly before his coming to Omaha. His first wife, Mrs. Abigail Ruth, died in Omaha in 1901, and he was again married in 1909 to Mrs. Lizzie C. Morton of Omaha, who survives him. Mr. Ruth is also survived by two sons and a daughter, G. H. Ruth of Marshalltown, Iowa, one of the proprietors of the Marshall Oil company of Iowa, doing business in several states; H. G. Ruth of Flint, Mich., who is a salesman for the Standard Oil company in Michigan, and Mrs. Frank L. McCoy of Omaha. Mr. Ruth had been a soldier in the union army and was a member of the Grand Army of the Republic.

SUFFRAGISTS WIN IN ANOTHER TRIAL

Circuit Court Dismisses Suit in Tazewell County Attacking Recent Election.

NOTICE OF APPEAL IS FILED

Petitioners Contend Act Giving Ballot to Women is Unconstitutional.

Pekin, Ill., Jan. 6.—Illinois suffragists won another victory in Tazewell county yesterday when the circuit court dismissed two petitions seeking to have a recent election declared illegal because women had voted.

In the election the majority of the men voted against an issue of bonds for the erection of a courthouse. The women favored the new courthouse and their vote gave a majority for the proposition. Well and Barkley of Peoria, the contestants, based their attack on the election on the ground that the law granting women the right of suffrage was unconstitutional.

Of the two petitions filed one contained 11 signatures and the other six. Before the time set for hearing the case seven persons had withdrawn from one petition and four from the other, leaving both petitions without five names, the number required by law.

Three motions had been filed in the case—one by the state's attorney to have the case dismissed because it did not meet the requirements of the law, one by the contestants to have the order of the court allowing withdrawals of names from the petitions set aside, and another asking leave to consolidate the two petitions.

Judges Green and Nelhaus sat in joint session and the court denied the motions to set aside its ruling and to consolidate the petitions and allowed the motion of the state's attorney to have the case dismissed.

Notice of an appeal to the supreme court was given by the attorneys for the contestants.

MOLLYCODDLE LAXATIVES

CAN'T AND DON'T TOUCH THE VITAL SPOT—THE LIVER

Of the many laxatives on the market, many are useless. True, they may clear the intestinal tract, but they don't clean it because they don't stimulate the Liver and release the dammed-up Bile, which is the great poison-destroyer of the body. You take nasty salts, disagreeable oils or mineral waters, or any of a hundred other laxatives and laxative preparations, and with all your trouble, you get imperfect results.

These are simply mollycoddle laxatives, making a lot of bluff and bluster without accomplishing the desired purpose. No wonder you dislike taking a laxative. No wonder you put it off as long as possible.

The secret of prompt recovery from such troubles as bad breath, headache, dizziness, loss of appetite, constipation, biliousness, etc., is to release the dammed-up Bile. Merely washing out the intestines with salts, etc., will not release Bile.

Any physician or druggist will tell you that Calomel (Mercury) or Podophyllin (May Apple Root) are the two great recognized Liver regulators and Bowel cleansers. Calomel, so generally used, is a poisonous mineral, exhausting and dangerous to the system. Another laxative must be given to wash it out.

Podophyllin is the one perfect and harmless substitute for Calomel, and will be remembered by older people as the favorite remedy prescribed 20 or 30 years ago. It is harmless and very efficacious, but its bitter taste and griping, nauseating effects made it unpopular. For years chemists have experimented in an endeavor to take the bitterness, gripe and nausea out of Podophyllin, recognizing that it would then be the ideal Liver regulator. At last this has been done and given the world under the name PoDoLax. PoDoLax is a Podophyllin formula with all undesirable features taken out. PoDoLax is the perfect laxative for every member of the family—young or old. It should be in every medicine cabinet. You will thank us for explaining it after you have tried it. Get a bottle today and use it whenever the first symptoms of clogged Liver or Bowels appear. You take no risk. If not satisfied, you can have your money back.
