Price is Only One Cent
When you travel you choose the road that you consider the most business, for it prevents worry, saves time and money. The store necessities, for it is a matter of the utmost serious consideration, prescribed by your physician. Often you must travel with you. **DRUG STORE PROTECTS YOU IN QUALITY.**

Prescription Safety
We realize that prescription work is the most important work we do. In every possible way and by every mechanical means at our command we have endeavored to see that it is done right. Drugs of supreme excellence, absolute purity, full strength and freshness are the only kind that enter your prescription. A registered pharmacist selected for experience and trustworthiness is in charge of the drug department. He knows the importance of his work and follows out carefully and consistently the instructions of your doctor. Your best surety of purity is the Young & McCombs label on your prescription. Prescriptions filled while you wait.
