

MOLINE'S SECTION OF THE ARGUS

OPPOSITION TO SEWER DROPPED

Milwaukee Road and C. O. Lovejoy Cease to Complain Against Project.

SOME TROUBLE EXPECTED

Many Citizens and Federal Government Oppose Erection of Septic Tank in East End of City.

With the objections of the Milwaukee road and of C. O. Lovejoy disposed of, the last opposition to the immense water main and sewer projects of the east end of the city have disappeared, and beginning today the city is advertising for bids for the two projects. Date for the opening of the bids has been set for 10 o'clock in the morning of May 12.

According to the advertisements, three bids will be allowed each firm. The sewer and septic tank comes under one bid, a separate bid being required on the motors and pumps. The third bid is for the water main installation.

Expect Opposition.

The unusual feature to the whole enterprise is the opposition that is expected to the installation of the septic tank, which has been included in the sewer project. The opposition has so far appeared from two forces, the federal government and groups of citizens residing in that vicinity represented by the People's bank. From the city authorities today came the information that they believe the opposition of the government will be withdrawn, and the opposition of the citizens will probably be overcome in a manner satisfactory to all concerned. Estimates on the cost of the enterprise as prepared by the city engineer, are approximately \$119,000 for the sewer and \$108,000 for the water main.

BELGIAN MILITARY BAND CELEBRATION

American patriotism of the Belgian-American Military band of Moline is to be displayed in real fashion Thursday, May 21, when a monster parade will be held, headed by a beautiful United States flag, which was made especially for the occasion by the American Regalia company of Rock Island, at a cost of \$100. The emblem which is said to be the most gorgeous specimen turned out by the local company, will be dedicated with appropriate ceremony after the parade. A banquet will be served in the evening.

FINE NEW STATION TO COST ABOUT \$10,000

According to the plans for the new fire station in the bluff district, authorized by the voters recently when they gave consent to the issuance of \$34,500 worth of bonds, the station will be located on the city property next the elevated tank and will face Fifteenth street.

With the exception of being 10 feet

less in length the new station will be identical with the station in the east end of the city, which cost \$12,000.

LARSON WOULD BE JUDGE OF COUNTY

Seeks Nomination on Republican Ticket at September Primaries.

The first in the field seeking the office of Rock Island county judge, which has been vacant since the elevation of R. W. Olmsted to the circuit court, is Nels A. Larson of this city, who seeks nomination on the republican ticket at the September primaries.

Following is Mr. Larson's official statement: "I wish to announce to the voters of Rock Island county that I am seeking the nomination for the office of county judge on the republican ticket at the primary election to be held for that purpose September 9, 1914."

R. S. Bell, probate judge, has been acting county judge since Mr. Olmsted's advancement. Mr. Larson is a Moline lawyer and a staunch member of the republican party.

SELLS MEDICINE WITHOUT LICENSE

Mrs. Sarah Jenkins Faces Serious Charge Brought Against Her by State.

For practicing medicine without a license, writing prescriptions and otherwise performing the regular duties of a physician, Mrs. Sarah Jenkins faces a serious charge brought against her by the state of Illinois. She has been summoned by Police Magistrate Frank Gustafson to appear before him Saturday morning. State's Attorney Floyd Thompson is prosecuting the case.

Local physicians have complained to the office of the state's attorney regarding this practice of Mrs. Jenkins without a license and action has been taken against her. She lives at 1837 Fourteenth street.

USES KNIFE ON UNCLE; HE FLOURISHES A GUN

Everett Allen and his niece of East Moline were both arrested on a charge of disorderly conduct by the police on complaint of neighbors, and will face police court trial this afternoon. The quarrel occurred at the home, Eleventh street and Fifteenth avenue, and the uncle claims the niece cut him with a butcher knife. He then secured a revolver and threatened her, the result being that neighbors overheard the trouble and sent for the police.

LODGE NOTES.

St. George lodge, No. 28, Knights of Pythias, held a well attended meeting last evening and further arrangements for the big event that all members are looking forward to, were discussed. May 15th is the date and a large class of candidates is to be initiated. Sixteen applications were received last night. Invitations have been extended to Rock Island, Mercer county and Davenport members of the K. of P. order to attend the initiatory meeting here.

Local members of the Knights of Columbus will have the pleasure of meeting the chief officer of that order April 30. Supreme Knight James A. Flaherty will arrive in Davenport on that day and the members of the various K. of C. lodges in the tri-cities will give a supper in his honor at the Davenport hotel, followed by an elaborate reception.

Simionides lodge, No. 52 Tribe of Ben Hur initiated two candidates at last night's meeting. The lodge is enjoying a steady growth and applications for membership are received at every meeting.

Indications are that Noehl lodge, No. 288, Order of Vasa, will pass the 200 mark in membership at this evening's meeting. Important business will come up before the lodge at this session and the last step in completing the fast growing organization will be taken.

The Swedish Olive lodge No. 583, I. O. O. F. order, conferred the third degree on two candidates last evening. The lodge is working to reach the 600 membership mark before the season closes. June 1st. Four applications for membership were received at last night's meeting and several more are in sight.

Memorial committees of the three Odd Fellow lodges of this city held a session last evening and made further arrangements for I. O. O. F. memorial day. Music will be one of the main features of the exercises in honor of the dead this year. Two bands will be secured for the parade and the Olive Maie chorus will sing.

To Entertain Delegates.

Members of the Moline Woman's club who have not been solicited to entertain any of the delegates during the convention and who would like to do so are requested to telephone Miss McEnry, who has charge of assigning the delegates. Cooperation would be greatly appreciated by the committee in charge as not all of those who are to attend the association meeting here next week have been taken care of as yet.

The mothers of this city, Rock Island and East Moline who wish to attend the convention can leave their children in the Sunday school room of the First Methodist church. Mrs. J. F. Huntton and Miss Ruth Montgomery will be the committee in charge there, and the children will be under the best of care.

THE CHARM OF MOTHERHOOD

Enhanced By Perfect Physical Health.

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Of course nearly every woman nowadays has medical treatment at such times, but many approach the experience with an organism unfitted for the trial of strength, and when it is over her system has received a shock from which it is hard to recover. Following right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results.

There is nothing more charming than a happy and healthy mother of children, and indeed child-birth under the right conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, and with ample time in which to prepare, women will persist in going blindly to the trial.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once children there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence. Advertisement.

will be admitted to the banquet of the association Wednesday evening.

CALLED THRICE TO SAME BLAZE

East Moline's Fire Department Finds Home Burning Worse Than Before Each Time.

East Moline's fire department was called out three times to the same blaze and each time left it thinking that they had succeeded in putting it out. By the third time, however, the house was a total loss.

The residence in question was the property of Edward Hayden and located on Twenty-second street at the corner of Seventh avenue. The first call came to the department and after a little trouble the small blaze was apparently extinguished with chemicals.

The department had hardly returned to the station, however, when another call was received from the same place. This time the company was held up by a slow freight train, and upon reaching the scene of the blaze they found the house in flames. It seems that it had not been extinguished the first time. Finally they succeeded in extinguishing it again, as they thought, and returned to the station. Another alarm from the same place came in and this time, the house was practically destroyed before the fire was under control.

The company finally left the scene of their labors fully determined that the blaze was really under control and would not break out again, for there was nothing left to burn. The furniture was almost all destroyed and the building is a total loss.

DECLARE WAR ON LOCAL SPEEDERS

Moline City Commission Declares to Cease Toleration of Reckless Drivers.

Mexico and the United States are not the only ones who can declare war, according to the Moline city commissioners, for the authorities of this city have reached a decision to cease tolerating speeders on motorcycles and automobiles in the future, and all offenders are to be arrested and heavily fined. Plans of the campaign against this evil calls for immediate and drastic action. Those first caught will not be warned, but will be assessed heavy fines as a warning to others.

Together with the announcement from the commission comes the information that the police department has purchased a motorcycle and will have a mounted policeman for the purpose of running down the speeders. This policeman will be clad in plain clothes and will scout about the city streets in search of violators of the city speed ordinances. It seems to be a regular habit to use various thoroughfares of the city as speedways, and for this reason the commission has taken this drastic action.

The purpose of the arrests will not be to see how many can be made in order to add revenue to the city's funds, but to place a ban on the reckless drivers in an effort to avoid accidents which have become so common within the past few weeks. Special attention will be paid to repeated offenses and fines will be extreme in these cases.

Plan Carnival of Nations. Preparations are rapidly nearing completion for the big social event at the local Y. M. C. A., Friday evening, to be known as the Carnival of Nations. It is to be held in the gymnasium, and customs of all the nations will be portrayed by those who take part.

Stars Defeat Athletics. In a hard fought contest at Deere park Sunday afternoon the Fourteenth Street Stars defeated the Young Athletics by a score of 16 to 14. The Athletics held their opponents to a score of 10 to 1, until the ninth inning when the Stars brought in nine runs, tying the score. In the tenth inning the

Saloon Changes Hands. Oscar Larson, who has been operating a saloon at 524 Fifteenth street for some time, has sold out his business to Oscar Bufe, who will take charge immediately. Larson will move to a farm at Port Byron, which he purchased several years ago.

Inquiries for Tom Quinlin. Chief of Police O. M. Bisant has received a telegram from W. H. Liggett, an undertaker at Camp Point, Ill., asking if he could give any information concerning one Tom Quinlin, whose body is being held at the morgue. A tramp giving the same name, applied for lodging at the police station here several weeks ago.

O'Connor Chicago Fire Chief. Chicago, Ill., April 28.—Thomas O'Connor is fire marshal of Chicago. He was raised from his position of first assistant marshal by Mayor Harrison last night in an appointment confirmed by the city council. Since the death of Marshal Seyferlich, O'Connor, at Mayor Harrison's direction, has been acting head of the department. His home is at 2454 South Park avenue.

CARLSON AGAINST BREWERY CONTROL

Mayor M. R. Carlson has announced himself as opposed to brewery control of the local saloons and if possible, he will make an effort to eliminate this so-called evil. Certain breweries control a large number of Moline's saloons, one of them having charge of as many as 46 in the announcement. Of this number the brewery owns outright about half of this number.
