

### ARMY MEN NAMED TO JUDGE TEAMS

Head Officers of Woodmen Receive List of Officers Who Will Act at Toledo.

### ALL DOUBT IS NOW ENDED

Was at First Believed That Trouble With Mexico Would Mean None Would Be Available.

An indication that the United States war department does not fear immediate hostilities with Mexico comes in the form of an official communication received at the head office of the Modern Woodmen of America, giving names of the army officers who will score the Foresters' teams participating in the drill contest at the Toledo head camp.

It was at first believed that there would be no army officials available to be judges in the contest. However, the communication ends all suspense on the part of the heads of the society. The following have been named to conduct the scoring: Lieutenant Colonel E. Fuller, Fort Leavenworth, Kan. Colonel D. A. McCarthy, U. S. A., headquarters Chicago.

Colonel J. E. Normoyle, Washington, D. C. Colonel W. P. Burnham, Fort Leavenworth, Kan. Colonel H. A. White, U. S. A., Texas City, Texas. Captain R. E. Smyser, Fort Leavenworth, Kan. Major Milton F. Davis, Cornwall-on-Hudson, N. Y. Major G. R. Spaulding, Fort Leavenworth, Kan.

### Will Go On Record.

The scores made by the various high teams will go on record in the war department. Also members of the various teams who show up well will be noted by the judges, their names and addresses secured, and placed on file in the war department for future reference. In case the government needs them, they can then be reached without great trouble.

Cyrus Rinck, general messenger boy for the directors here, is slated over his recent appointment as head of the pages at the Toledo camp. He will appear in the Ohio metropolis in uniform.
