George Chip a Pug by Freak of Luck

George Chip as fighter and citizen.

Scranton, Pa., July 10.—George Chip, whose recent knockout victory over Billy Murray makes him again a contender for the middleweight boxing title, is a prizefighter on account of a freak of luck.

George would probably be a day laborer in a Scranton coal mine today and not a near champion, had he not mistakingly supposed that a man whom he hit in the course of an argument was dead. This caused him to catch the first train out of Scranton.

Chip was born on Aug. 25, 1888, to Mr. and Mrs. John Chipulonis, residents of North Scranton. At the age of 10 years he went to work in the breaker and when he became 14 he was promoted to mule driver in the Cayuga mine.

It was while doing this kind of work in the Cayuga in 1906 that he had a run-in with his boss in the mines. The boss threatened to fire him and he took a punch at the latter's jaw.

Chip wasn't taking any chances on being arrested and fearing that the man was dead, he escaped from the mines through a tunnel leading to the surface. He ran to his home a few blocks away from the mouth of the tunnel and after changing his clothes left town. The foreman was only stunned.

got in some heavy licks again and the home club was snowed under by a 3 to 2 count. A lanky pitcher by the name of James and "Shorty" Maranville were directly responsible.

CUBS HAVING TROUBLE OVER A NEW SHORTSTOP

Chicago, Ill., July 10.—Who signed Shortstop Derrick, late of the Baltimore Internationals, for the Cubs?

Manager Herzog of the Cincinnati Reds says he did. President Thomas of the Cubs says he did not; that no deal is under way between the West Siders and Herrmann's club, and that the Red manager had no authority to get the infielder for Chicago.

George reached New Castle early in 1907 at the age of 19 years. He didn't have a friend in the town or a nickel in his pocket. Having nothing else to do he went into Dime's gymnasium to watch the boxers at work. He told his hard luck story to Dime and was offered a chance to earn some change by acting as a sparring partner, which opportunity he accepted.

He fought his first fight in 1909 and won it in two rounds by a knockout. His opponent was George Gil. The bout was staged at New Castle. In that year he fought 14 fights and six of them were won by knockouts.

Chip was up against a lot of second raters in 1909, but the next year he went against such men as Tom McMahon, Buck Crouse, Bill Berger, Jack Dillon and others and gradually became recognized as a real scrapper.

It was in 1913 that Chip found a chance to fight a man who had a legitimate claim to the middleweight title. After Frank Klaus beat Billy Papke, the last holder of the title before Stanley Ketchell, Chip went after him.

Klaus and Chip met in Pittsburgh on Oct. 11, and Chip won by a knockout in six rounds. To prove that it was no fluke he gave Klaus a second battle and sent over a sleep-producer in the sixth round again. The last bout was on Dec. 23. Last winter Al McCoy of Brooklyn dropped Chip in two rounds for a knockout. Since that time Billy Murray has beaten McCoy twice. On July 4 Chip knocked out Murray in the 15th round and now stands ready to meet Jimmy Clabby for the middleweight championship of the world.

Witz and Outfielder Cy Williams from Chicago in exchange for Shortstop Derrick, who was purchased from Baltimore a few days ago for the express purpose of making this deal. "There will be no chance for Chicago to back out. I arranged this trade myself with Manager O'Day," Herzog is quoted as saying.

ANOTHER ENTRY IN ELGIN RACES

Elgin, Ill., July 10.—An additional entry for the Elgin road races of August 21 and 22 was received yesterday when Charles Erbstein filed with officials of the Chicago Automobile club the nomination of another car, bringing the total number of entries to date up to eight. Erbstein entered a second Marmon, to be driven by Lou Heinemann. The first entry made by Erbstein is to be piloted by either Cyrus Patschke or Howard Wilcox.

The second string to Erbstein's bow is the famous No. 21 that was driven into second place in the 1910 Vanderbilt by Joe Dawson, who lost the classic trophy by twenty-one seconds. The car also won the world's nonstop record at Savannah with a score of 277 miles, took the 1910 race for the Wheatley Hills trophy and also annexed the Cobe cup at Indianapolis the same year.

Heinemann is considered one of the cleverest dirt track pilots in the country and also is a past master at the road racing end of the game. His most recent appearance in this city was in the Hawthorne races of July 4 and 5, when he won one of the leading events and ran close to Louis Dishrow, Eddie Hearn and other cracks in other contests.

Heinemann will drive the Erbstein Marmon for the Elgin National trophy on the second day.

STATEMENTS OF RIVAL IN TONIGHT'S MATCH.

Dr. Roller—"I am in the pink of condition for this match and certainly believe that I will retain my title as American champion. If Demetral wins he will have to put up the greatest match of his career, and I shall be the first to congratulate him as the new champion if I am defeated. I am especially desirous of seeing the ladies at this match as it will be a clean, gentlemanly affair in every respect. It will, no doubt be a hard battle, but I shall come off victorious."

William Demetral—"I have trained diligently for this title tonight and expect to become the new American champion. I have met Roller before and realize that he is a wonderfully good man. I have also met and defeated Stanislaus Zhyazko in a handicap match and believe that fact is sufficient to show me the best man. If Roller defeats me I shall gladly extend my congratulations, but I do not expect the Seattle physician to win. This match will be a clean affair in every manner, and I'll guarantee that it will not hurt the taste of the most fastidious person."

As seen by the statements of the two rival grapplers in tonight's big title contest at Exposition park in Rock Island, when Dr. B. F. Roller of Seattle, Wash., will meet William Demetral, the celebrated Grecian wrestler, for the American heavyweight championship, both men are supremely confident of winning and the match should prove one of the best this vicinity has ever known.
