

## PENDER IS AGAIN COMMITTEE HEAD; IS NO OPPOSITION

Democratic County Body Organizes at Meeting at the Rock Island House.

A. B. JOHNSON FOR G. O. P.

East Moline Man Wins Out Over G. L. Peterson, E. D. Fisher Being Named Secretary.

The county central committees of the democratic, republican and progressive parties met this afternoon in Rock Island and organized for the year. The sessions are termed county conventions and are for the purpose of organizing for the year and selecting delegates to congressional and state conventions.

The democrats met at 2 o'clock at the Rock Island house. T. A. Pender presided and M. J. McEniry acted as secretary. Following the reading of the call, the roll was called and it was found that 30 of the new committee were present. Officers for the year were selected. T. A. Pender was the only candidate nominated for chairman and he was named unanimously by a rising vote.

Clarence Trevor, nominated at the primaries for county clerk, and Miss May J. Grant, nominee for superintendent of county schools, both announced their withdrawal. The filling of the vacancies was left to the officers of the county committee.

Three names were suggested for secretary. William Battles, Marx Harder and A. C. Edwards. Mr. Battles withdrew, and the first ballot taken gave Harder 20 and Edwards 9. Mr. Harder was unanimously selected. John Coburn, Moline, was named without opposition for treasurer.

Vacancies and ties on the central committees were then taken up and the following were named as from the various precincts:

Canoe Creek—John Liphardt, Hampton 2—Luke Church, Hampton 3—M. A. Wainwright, Coal Valley—Martin Slevers, Bowling—Frank McConnell, Drury—Harry Passmore.

## TURN HAIR DARK WITH SAGE TEA

If Mixed With Sulphur It Darkens so Naturally No body Can Tell.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grand, mother's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and mussy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifying and darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair.

## AUTO OVERTURNS; FOUR ARE BRUISED

Clyde Buffum, 904 Seventeenth street, and Louis Crandall, who resides near the corner of Twenty-fourth street and Eighteenth avenue, in company with two Davenport young ladies, all had a narrow escape from death when the machine driven by the first named Buffum plunged into a ditch and threw the occupants out on a road north of Davenport, at 8:30 o'clock last evening.

None was seriously hurt, although all sustained slight bruises. The car was damaged to the extent of \$300 and was taken to a garage in Davenport.

The party were driving on the road to Eldridge and had proceeded about three miles out of Davenport. Another car was approaching from the north and in endeavoring to give the oncoming machine roadway to pass, the Rock Islander ran too close to the edge of the ditch and the auto was overturned.

The occupants of the other car are not known. They did not stop.

## SHOCK OF DEATH OF HUSBAND AND SON BRINGS END

WAS MOTHER OF CORNELIUS

Electrocution of Officer Leads to Demise of Father and Mother Mourning for Both.

Mrs. Hannah Meenan, 58 years of age, widow of the late Frank Meenan, passed away suddenly at her home, 2702 Eighth avenue, yesterday morning at 10 o'clock. Up until Saturday she had been in the best of health and her sudden demise comes as a shock to her many friends in the city. About 10 o'clock in the evening she suffered a fainting spell and grew very weak. A physician was summoned and she recovered again.

Sunday morning she arose as usual and was feeling quite well. However, at 9:45 she was attacked with another sinking spell. A physician was again summoned, but she passed away before he arrived. Heart trouble, coupled with worry over the death of her husband, who passed away 11 months ago, and over the death of her son, Cornelius, better known as Bud, who was killed in the Rock Island Southern yards a little over a year ago while in the discharge of his duty as police man, is given as the cause for her death.

Mrs. Meenan was born in Ireland, June 23, 1856. She came to this country when a young girl with her sister, Mrs. Katherine Meenan, and had lived here since. Her maiden name was Hannah Byrnes and she was united in marriage to Frank Meenan in this city in 1875.

The son, Cornelius, met a tragic death on May 4, 1913, being electrocuted by a live wire in the yards of the Rock Island Southern in the west end of the city, while attempting to rescue a boy. The young man's father died in a few weeks, being overcome by grief.

Mrs. Meenan was a member of Fay Hayes camp 280, R. N. A. Sacred Heart church and Catholic Foresters, St. Margaret's court. She was well known throughout the city and leaves a large circle of friends.

Those left to mourn her passing are four daughters, Mrs. Florence Kent and Mrs. Rose Weil of Chicago, Mrs. L. W. Wright of Seattle, Wash., and Miss Elizabeth at home, two sons, P. F. and J. E. of Rock Island, one sister, Mrs. Katherine Meenan of this city and two brothers, P. J. and C. D. Byrnes, both of whom live in Ireland.

Kain of this city and Mrs. Anna Kohrs of Davenport.

He was then brought to Milan from Drury, where he had lived for 17 years.

## MEAT CAUSE OF KIDNEY TROUBLE

Take Salts to Flush Kidneys If Back Hurts or Bladder Bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure and makes a delightful effervescent lithia-water drink.

## TO CLOSE SALOON IS MAYOR'S MOVE

Schriver Offers Measure for Permanent Shutting of W. J. Hall Place.

ARREST TWELVE IN A RAID

Official Cites Manner in Which Joint Was Conducted as Reason for Action by Council.

Mayor H. M. Schriver this afternoon at the regular session of the city council introduced a resolution which revokes the license permanently for the saloon at 1924 First avenue.

The resolution is the result of a raid on the place by the police Saturday evening in which 12 people were nabbed. Hall, the owner, also was recently fined for having his saloon open on Sunday. The text of the resolution follows:

"Resolved, That the license issued to W. J. Hall to operate a saloon at 1924 First avenue be and the same is hereby revoked and the owner and keeper thereof is hereby ordered to keep same closed permanently, and the chief of police is hereby instructed to take possession of the license and order the owner and keeper of the saloon to remove curtains and screens so that a complete view of the interior of the barroom may be had from the street.

"The above action is taken on account of the keeper or manager of said premises running a disorderly house and a place for the congregating of lewd people in connection with said saloon."

Not to Allow Transfer.

Mr. Schriver in an interview this afternoon said:

"Hall was fined \$100 once before for keeping the place open on Sunday. The saloon will be closed permanently, and that means that it will not be transferred or given over to somebody else."

The six men and six women arrested in a raid Saturday night, this morning forfeited bonds which they had given to guarantee their appearance in police court for trial.

The time set for the hearing of their cases on a charge of disorderly conduct was 9 o'clock and after Justice of the Peace Kuehl found that an hour and a half had elapsed he forfeited the bonds, each of which was \$15.

The following were arrested in the raid by Captain Kramer and Officers Berry and Sullivan: May Jones, Daisy Smith, May Edwards, Grace

Davenport, Margaret Evans, Mabel Smith, George McDonald, Albert Deil, Ben Woster, Roy Seright, George Anderson and Staley Dore.

Carl Janke, who on circus day masqueraded on Second avenue as a traffic officer, was arrested Saturday night and was sent to the county jail for 20 days at a night session of the court. Commissioner Archie Hart arrested him on Seventh avenue on a charge of disorderly conduct.

WELL KNOWN AD MAN GOES TO TAKE PLACE IN IOWA

Mr. and Mrs. Fred Hillman left Saturday for Cedar Rapids, their future home. Mr. Hillman has been in charge of the advertising department at the M. & K. and he goes to Cedar Rapids to accept a similar position at Killian's department store in Cedar Rapids.

New York city owes about \$100,000, 000 in short-time securities bearing interest at some over 4 per cent. A powerful banking syndicate agrees to take care of the city's obligations by marketing new municipal notes bearing interest at 6 per cent. Many investors are so patriotic that 6 per cent will look good to them and thus the loan will establish firmly the credit of our largest city in a world crisis.
