WAGNER'S REVIEW

Business Summary.
New York, Sept. 22.—New York City's bank share in \$100,000,000 gold pool expected to be \$45,000,000.
American Glass Works, Richmond, resumes operations after six weeks' shut-down.
Specie reserve in German reichsbank last week increased 41,000,000 marks and circulation notes decreased 58,000,000.
Rivers and harbors bill recommended by senate to be sent to \$20,000,000.
Union Pacific hauls 1,000 more cars of wheat out of Nebraska in first 15 days of September than last year, same time.
Morning Grain Letter.
Chicago, Sept. 22.—The Wall Street Journal prints a report that every tailor in Germany is working on army clothes for a winter campaign. Ca-

partly of steel plants is given an around 50 per cent.
The Examiner prints some reports indicating cattle breeding and finishing being hindered in south and southwest by high money rates. An immediate or early opening of the New York cotton and stock exchanges is not indicated by the financial and war news, although the allies appear to be progressing. Russia is slowly mastering out Austria. United States visible supply of 36,000,000 is 12,000,000 below last year, but interior mills hold far more than this difference.
Comments of the Herald indicate belief in more wheat hesitation, though general feeling is bullish. Corn export demand failed on Monday, and the wheat visible increase of 5,000,000 was calming. The Tribune says the break buying of wheat on Monday was excellent and some shutting down of northwest mills should not surprise. Turning to the receipts we find wheat large, oats normal and corn small. Interior mills are undoubtedly heavily supplied.
Some fresh bull news is required, if wheat is to reach new ground this week. December wheat at \$1.15 is up 12 cents. A rally should follow any moderate early dip in the grain. Recent shorts are probably well covered.

Drift of the Weather.
Minnesota, Illinois, Missouri, Wisconsin and Iowa—Fair tonight and tomorrow; cooler tonight; light frost, probably in Minnesota, tonight.

NEW MEXICAN CASH ISSUE

Paper Currency to Amount of 130,000,000 Pesos Carranza Plan.
Mexico City, Sept. 22.—Itoque Estrada, private secretary to First Chief Carranza, said today the government has decided to issue 120,000,000 pesos of new paper currency. Estrada desired to emphasize that this is not a new debt assumed by the government, as the chief object is to convert various issues of constitutionalist money now in circulation.

ONE MILLION WOMEN ASK WILSON TO BRING PEACE

Washington, Sept. 22.—A remarkable appeal to President Wilson to lead a movement to end the European war has gone to the White house. It was laid before the president by Mrs. Carrie Chapman Catt of New York, president of the International Woman Suffrage Alliance, with headquarters in London, and Mme. Rosika Schwimmer of Hungary, secretary of the alliance.
The total of those for whom the appeal was made was not less than 1,000,000 women of 13 countries. Two of the leaders were wives of cabinet members, Frau Elma Munch being the wife of the Danish minister of war, and Mme. Randi Blehr the wife of the minister of the interior for Norway.
The appeal embodied spontaneous requests from woman suffrage associations in nearly all the countries now at war as well as from many other neutral nations on the continent.
Mme. Schwimmer came from Hungary through the fighting zone in order to bring the appeal in person to the president of the United States.

PLAN ILLINOIS DRY FIGHT

Foes of Saloon to Wage Campaign for National Prohibition.
Washington, Sept. 22.—A statewide campaign in Illinois in behalf of national prohibition from Oct. 5 to 11 inclusive, followed about two weeks later by one in Michigan, will be the anti-saloon league.
Every section of Illinois will be visited and special rallies held in the larger cities with from 15 to 50 meetings at the same hour in Chicago. Only a tentative program for the Illinois campaign has been arranged, but it is intended that it shall exceed in scope any campaign for any purpose ever held in that state.
Arrangements will be made for practically every pastor in Illinois to preach on the subject of prohibition Sunday, Oct. 4. Following the sermons, petitions will be signed and not less than 200,000 signatures to them are expected to be sent to the Illinois members of congress urging them to support the prohibition resolution now pending before congress.
