Few Arrests Made by Officers Despite Many Hold-Over Celebrations.

Frank Slater appeared in police court this morning to answer a charge of disorderly conduct, the police having nabbed him on Second avenue late last night, and in spite of the cold he wore no hat. Magistrate Smith released him and the police fitted a "caddy" on his head. He is a Davenport slater.

Fred Steiner told Police Magistrate Smith that he made no resolutions yesterday and that therefore he had none to break. He was fined \$1 and costs for being drunk.

Too, it is of excellent quality and an officer of the company stated this morning that never was a better grade of the frozen product harvested near this city. Work will continue south of town for the next ten days, when the houses will be filled and the men will go to Moline, where they will spend two or three weeks harvesting the crop there. HEART and HOME PROBLEMS MRS. ELIZABETH THOMPSON

Dear Mrs. Thompson: I and some more boys between the ages of 17 and 19 wish to start a "frat."

- (1) How are we to go about it? (2) How can we obtain a Greek letter name and know its meaning? (3) Please give me some preferable for our by-laws.

INQUISITIVE. (1) All the organizing that is necessary consists in electing a grand master, vice grand master, secretary and treasurer and adopting some sort of a constitution.

(2) There are Greek proverbs or expressions in the back of the dictionary. Find one that you like and take the first letters of the words for your "frat" name.

(3) Go to the public library and get a book on how to form clubs. In such a book are copies of constitutions that are very closely followed in forming such an organization.

Dear Mrs. Thompson: (1) As I was pouring the water from boiled meat I spilled some on a silk crepe dress. Would you please tell me what would take it out?

(2) Please tell us a good name for a society of young girl converses. CHUMS.

(1) Equal parts of chloroform or ether and alcohol is the best all around cleaner I know. If the goods is either white or black or so light that there is no danger of fading the mixture is improved by a dash of ammonia.

(2) A good name for such a club is the Sunshine or Sunbeam club. For the work of such an organization is to brighten the lives of people whom they meet.

Dear Mrs. Thompson: (1) I am 21 year of age. Am I too young to keep steady company. (2) I own an automobile. When I take my girl riding is 12 o'clock too late to stay out?

A JOLLY SPORT REDHEAD.

(1) Some people of twenty-five appear to have acquired very little sense. If a man is normally developed it would be all right to go with a girl regularly.

(2) Your second answer tends me to believe you are not sufficiently developed morally to go with a girl at all. No decent girl would stay out till 12 o'clock in an auto unless there was

a crowd alone, or she was returning from an entertainment.

Dear Mrs. Thompson: Have been going with a young man four months. Would it be proper to give him a nice birthday present? Would jewelry do? I have never received a present from him.

It would be most unconventional to make the man a present, and it would be extremely bad taste to give him jewelry.

I love them that love me; and those that seek me early shall find me. By me princes rule, and nobles, even all the judges of the earth.

Riches and honor are with me; yea, durable riches and righteousness. I lead in the way of righteousness, in the midst of the paths of judgment.

That I may cause those that love me to inherit substance; and I will fill their treasures.
