

# MOLINE'S SECTION OF THE ARGUS

## WORKED FOR ONE FIRM 46 YEARS

**JAMES ROSEBOROUGH, VETERAN MACHINIST WITH WILLIAMS, WHITE & CO. DEAD.**

**Was an Early Settler and For Years Was Prominent in Outdoor Athletics in This City.**

James Roseborough, a pioneer resident of Moline and for 46 years employed at Williams, White & Co., as machinist, died at 4:30 Monday afternoon at his home, 1223 Fifteenth street. He had been ill with diabetes for two years.

Mr. Roseborough was born Oct. 15, 1847, in Drogheda, Ireland, and came to Moline with his parents when but two years of age. He had lived here ever since and was unmarried. Forty-eight years ago he entered the employ of Williams, White & Co., and learned the trade of machinist. He remained in the employ of that firm till illness compelled his retirement two years ago.

Mr. Roseborough was a member of Erie lodge No. 319, A. F. & A. M. He was in the early days of the city quite prominent in athletics and outdoor sports, having been one of the leading members of the Sylvan Boat club and later of the Highland Gun club. As an oarsman he participated in many races in the days when there was an intense rivalry between the triathletes in this form of sport.

Surviving members of his family are three sisters, Mrs. Mary Healy, Mrs. James Murphy and Mrs. W. J. Woodson, and two brothers, William and Thomas, all of this city. His father, the late Thomas Roseborough, died in 1882 and his mother in 1905.

The funeral will be held at 2 o'clock Thursday afternoon, with services at the home and interment in Riverside. Members of the family ask that no flowers be sent.

Mrs. Peter E. Lind, death came to the relief of Mrs. Peter E. Lind, a well known resident of the city, at 2 o'clock Monday afternoon. She had been an invalid since last summer and had been suffering with bronchitis trouble for more than a year. The end came at the home, 1216 Seventh avenue, where she had lived since 1871.

## HAVE DARK HAIR AND LOOK YOUNG

**Nobody Can Tell When You Darken Gray, Faded Hair With Sage Tea.**

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair, and is splendid for dandruff, dry, itchy scalp and falling hair.

A well known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks lustrous, soft and abundant. Harper House pharmacy.—(Adv.)

**MELLOW AS MOONLIGHT**  
**CASCADE PURE WHISKY**  
Connoisseurs prefer Cascade for its rich mellowness—no physicians prescribe it for its unvarying purity.

## CARLSON TO RUN? ALMOST ADMITS IT

**SAYS HE IS GOING TO USE COUPLE OF YOUNG EAGLES IN HIS CAMPAIGN.**

**First Bona Fide Candidate for Commissioner Appears in Person of Harry M. Halsey.**

Admission that he would be a candidate for reelection this spring slipped inadvertently from the lips of Mayor M. R. Carlson today. Later he tried to create the impression that he spoke only in fun but his protestations failed to make much of an impression. Until now the mayor has refused absolutely to commit himself on this subject.

The mayor today received a couple of young eagles from R. Dana Bergin, formerly of Moline and now at Clayton, N. M. While the birds were being inspected at the city hall Commissioner Ed Ericson casually inquired what his honor intended to do with them.

Quickly and spontaneously came the reply, "Use 'em in my campaign." Later, learning that there was a reporter present the mayor endeavored to crawl out of it.

A sure enough candidate for commissioner, the first to make his appearance, showed up today in the person of Harry M. Halsey, who has acted as superintendent of construction on the new high school which has now been practically completed. Mr. Halsey took on the necessary petitions and placed them in circulation.

Otto Hintz, engineer at the city water pumping station, also inquired at the city clerk's office in regard to petitions, but decided to wait till the date of the election is settled. It is certain that he will be a candidate for commissioner.

Mayor Carlson's accidental announcement is the only one made so far bearing upon the mayoralty. It is supposed that Commissioners E. L. Eastman and C. V. Johnson will be candidates for reelection, though they have not publicly said so. What Commissioner Ed Ericson purposes to do is not known.

Going back to the story of the young eagles, they were captured by Mr. Bergin himself. He caught one and was arranging to ship it to Moline when a second one got into his trap; he sent both.

Mayor Carlson decided that he had no particular use just now for young eagles, so he arranged to send them to one of the Davenport parks, where they will be cared for as best the national bird. By the time "hotter feeding" can be discontinued the weather will be warm enough, the mayor figures, to put them in Prospect park, which he intends to be their eventual abiding place.

## DEERE PLOW COMPANY BOWLERS CAPTURE TWO

John Deere Plow company bowlers captured two games last evening from the People's Power company, the contests being staged as part of the Manufacturers' league series. The scores: John Deere Plow Co. Lindberg 149 171 125—455 McManis 138 160 159—457 White 182 123 156—461 Pressel 139 150 144—433 Renaud 169 115 177—461 Totals 797 719 751—2387 People's Power Co. Schafer 164 125 144—433 Nuesel 139 151 163—453 Schwarting 144 158 158—460 Normoyle 113 191 138—442 Tabors 195 177 177—549 Totals 755 692 770—2327

## IN MOLINE LODGES

S. George lodge, Knights of Pythias, Monday evening listened to the report of the by-laws committee. The committee which has charge of the moving picture exhibition to be given at the Elvethaux next Wednesday evening reported a heavy advance sale. The story of Damon and Pythias will be told graphically in pictures.

Moline lodge No. 4, uniformed rank of the I. O. O. F., has secured quarters on the second floor of the Skinner Annex and will open them formally Thursday evening. Several candidates will also be initiated. Both active and passive members are included in the lodge, which is in a thriving condition.

## PETERSON OUT IN NORTH STAR B. A.

**RESIGNS AS RECORDER AND JOHN A. SWANSON IS CHOSEN AS HIS SUCCESSOR.**

**Change the Outcome of a Fight Begun at the Triennial Meeting Last Year at DeKalb.**

G. L. Peterson, elected chief recorder of the North Star Benefit association at the triennial meeting in DeKalb, presented his resignation at a meeting of the board of directors at the head offices in this city Monday afternoon and it was accepted at once. John A. Swanson was chosen to succeed him. Today Mr. Peterson was being checked out of office and Mr. Swanson was being checked in.

Mr. Swanson has long been connected with the Landre grocery store. He has resigned his position there and will give all his time to his new work. He is well versed in the affairs of the North Star association, for years having been recorder of Moline observatory No. 1.

The change in the chief recorder's office is the outcome of a fight over the place at the meeting last year. Dr. J. F. Myers of Rock Island, chief astronomer, was a candidate for reelection and John A. Swanson was on the same ticket with him as candidate for chief recorder. Mr. Myers and all the others on the ticket with him except Mr. Swanson were elected. Mr. Peterson alone winning out among those arrayed in opposition. Friction in official circles is presumed to have influenced Mr. Peterson finally to resign.

Active in the Work. Mr. Peterson has been active in the work of the benefit association for 15 years, or since it was organized. He served as its first recorder, filling that office six years. From 1905 to 1907 he was chief astronomer and then he resigned to devote his attention to the affairs of the Rock Island Tropical Plantation company. At Galesburg in 1911 he was returned as recorder, being re-elected in 1914.

Mr. Peterson refused to comment on the cause which led up to his resignation and Dr. Myers was likewise uncommunicative on the subject today.

## WILL NOT FORCE ANY PAVING JOB

**LOCAL BOARD HAS ENOUGH TO DO, ANYWAY, THE MEMBERS AGREE AT MEETING.**

That the Moline board of local improvements will have all it can do in putting through paving which the property owners have petitioned for and will have no time to work against the protests of the people, was the statement made today by Commissioner Ed Ericson. His statement was upheld by Mayor Carlson and Engineer Lyle Payton, the other members of the board.

The plans of the city engineer for the paving of Nineteenth avenue with asphalt and calling for the expenditure of \$75,780 were approved and 11 o'clock Friday morning, Feb. 12, was set as the time for hearing objections. The improvement is planned from Sixteenth street west to First street. A boulevard is contemplated to join with one on Eleventh avenue in Rock Island, so as to give a driveway between Prospect and Long View parks, this having been laid out as one of several boulevards the two cities contemplate laying.

Rock Island has arranged to pave Eighteenth avenue in that city from Seventeenth to Twenty-seventh street with brick. From Twenty-seventh street to Forty-sixth street the city owns but half of the avenue and so cannot finish the link till more territory is annexed.

Plans were approved by the Moline board for the paving of Twenty-third avenue between Eleventh and Thirtieth streets and a petition was granted for the beginning of proceedings for improving Fifteenth street A from Nineteenth to Twenty-third avenue.

## OFFICERS ARE NAMED BY DIRECTORS OF HOSPITAL

The Augustana hospital board of directors held the second annual meeting yesterday afternoon and reelected the old officers and committees. They are: President—Rev. A. F. Bergstrom, Moline. Vice president—Rev. J. A. Hemborg, New Windsor. Secretary—Rev. I. O. Nothstein, Rock Island. Treasurer—P. E. Westerlund, Orion. Executive committee—K. T. Anderson, A. G. Anderson, Rev. Bergstrom, F. A. Landee, C. H. Godehn and Rev. Hemborg. Auditing committee—F. A. Landee, C. H. Godehn, Rev. Bergstrom. Finance committee—F. A. Landee, K. T. Anderson, Rev. Bergstrom.

## STATES INDORSE REPUBLICAN PLAN

**REPRESENTATION IN NATIONAL CONVENTION PROPOSED BY COMMITTEE APPROVED.**

Washington, D. C., Feb. 2.—Secretary James B. Reynolds of the republican national committee today announced that the new plan of representation in the next republican national convention proposed by the republican national committee had been approved by states representing 290 electoral votes—some 25 more than necessary under the conditions made by the national committee—and will be put in effect when the committee meets to arrange for the next national convention.

Secretary Reynolds' statement says: "At a meeting of the committee, held in Washington in December, 1913, it was decided that the basis of representation should be changed, if republican state conventions in states representing a majority of the votes in the electoral college, which would be equivalent to the majority of delegates in the national convention, should authorize the change. At that time the following resolution was passed: 'Confident that the action of this committee, representing, as it does, the practically unanimous sentiment of the republican voters of the various states, will be ratified and be made effective. 'Be it resolved, That this committee shall issue the call for delegates to the national convention, to be held in the year 1916, to nominate candidates for president and vice president, in accordance with the following representation: 'Each state shall be entitled in each convention to four delegates at large; 'Two additional delegates at large for each representative at large in congress elected from any state entitled to one or more additional representatives in congress under the apportionment made in accordance with the last census, but in which state no new congressional district has been provided by law; 'One delegate from each congressional district; 'An additional delegate for each congressional district in which the vote for any republican elector in 1908,

or for the republican nominee for congress in 1914, shall have been not less than seven thousand five hundred (7,500); 'Provided, however, that the total number of delegates to which any state is entitled shall be chosen from the state at large if the law of the state in which the election occurs so prescribes; and 'Provided, further, that in the case of any state electing all representatives in congress from the state at large, such state shall be entitled to as many delegates, elected at large, as though the state were divided into separate congressional districts.' The resolution also provides for alternates; delegates from the District of Columbia, Alaska and the insular possessions; and the approval of the new system in such number of states as are entitled to cast a majority of the votes, in the present electoral college.

Mr. Reynolds' statement further says: "The states that formally ratified this plan, and the electoral votes they represent are as follows: 'Arkansas, 9; California, 13; Colorado, 6; Connecticut, 7; Idaho, 4; Illinois, 29; Indiana, 15; Maine, 6; Massachusetts, 18; Michigan, 10; Missouri, 18; New Jersey, 14; New York, 45; North Carolina, 12; Ohio, 24; Oklahoma, 10; Rhode Island, 5; South Carolina, 9; Tennessee, 12; Vermont, 4; Washington, 7; West Virginia, 5. 'There were, in addition to these, several states which were in favor of the plan, but which held no state convention during 1914.' The membership of the next national convention, in accordance with the above plan, has not yet been worked out in detail by states, as this requires a canvass of the votes in each congressional district, in order to determine the additional delegates to be allowed. The result by states will be made known later by the national committee.

The statement further says: "The official returns that have been compiled by the republican national committee show that on national issues the vote of the country in November was: Republican, 5,915,270; democratic, 5,752,588; progressive, 1,474,243." This compilation was made on the vote for United States senators and representatives in congress, and not on the vote for governors or other state officers.

## IF KIDNEYS ACT BAD TAKE SALTS

**Says Backache Is Sign You Have Been Eating Too Much Meat.**

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink. Harper House pharmacy.—(Adv.)

## CHANGE IN WARDS ON ELECTION EVE

**EAST MOLINE COUNCIL ADOPTS ORDINANCE REVISING BOUNDARIES.**

**Prospective Candidates for City Offices Are Considerably Exercised Thereby.**

Revision of the boundaries of the four wards of East Moline, provided for in an ordinance passed by the council of that city Monday night, necessitated a late session and resulted in much argument. Coming on the eve of an election, opponents pointed out that it would cause no end of uncertainty on the part of the voters and would considerably handicap some of the candidates who have already announced themselves. Nevertheless, the measure carried. Aldermen Lindeman and Williams opposing. Mayor Goodwin has not yet approved of it and it is not known whether he will do so.

Several prospective candidates were heard during the session. It was pointed out that the ordinance would divide the Belgian vote in the Third ward, some of it being cast hereafter in the Second ward. Frequent reference to the election laws of the state kept the city attorney busy and it was late before the final reading had been finished.

Object to Paving. A petition protesting against the proposed improvement of First avenue from Nineteenth to Twentieth street with paving was presented and was referred to the board of local improvements.

The report of the police magistrate showed that only \$16 had been added to the city treasury in fines collected during the months of November, December and January.

## VERGER'S CREDITORS MEET AT CITY HALL ON FEB. 15

Creditors of Meyer H. Verger, who has gone into bankruptcy, have been called to meet at the city hall at 10 a. m. Feb. 15, for the purpose of proving claims, naming a trustee and the transaction of other business. The meeting has been called by E. U. Henry of Peoria, referee in bankruptcy.

## AWAKE ALL NIGHT

Mrs. Phoebe Gregoire, of 17 Phillips St., Central Falls, R. I., says "My baby had the grip and would cough all night. Father John's Medicine was the best medicine for him. He could not go without it." Best for colds.

## Father John's Medicine

**For Colds and Throat and Lung Troubles. A pure food medicine. 50 years in use.**  
No alcohol or poisonous drugs.

## Book of Wonders COUPON

CLIP OUT THIS COUPON, bring or send it to this office together with 98 cents to pay for expense of distribution.

THE BOOK OF WONDERS, is the most valuable single volume you could possibly possess. It answers the thousands of questions that arise daily, and tells the stories of the marvelous wonders produced by man in a series of unusual and entertaining pictures, which talk to the mind as well as to the eye.

THE BIG BOOK, size 10 inches tall by 7 inches wide and 1 1/2 inches thick, weight 4 pounds, is printed upon superior paper from large, clear, easy-to-read type and contains 900 interesting, valuable, knowledge-giving illustrations. If you desire the book sent to you by mail or express, all charges prepaid, add 10 cents or \$1.08 in all, and fill in your name and address below. MONEY REFUNDED if readers are not satisfied.

## Why Wait? No Reason Say We

Why carry along winter's incurring debts? You probably have many places to pay and can do justice to none. Put them in one place. See us for what you need. Loans on furniture, pianos and live stock up to \$100.00. Payments weekly or monthly, as your income permits. Phone R. 1. 253.

## Reliable Loan Co.

212 People's National Bank Bldg. Rock Island, Ill.
