ISLANDERS MEET HENDERSON TEAM

Knox County Independent Aggregation To Clash With Local Eleven Here Tomorrow.

VISITORS HAVE STRONG LINEUP

Two Squads Are Evenly Matched in Weight and Fast Game Is Looked for—Local Men Crippled.

Tomorrow afternoon at the Island City park the North Henderson team will come here for a clash with the Rock Island Independents. Although this is the first season North Henderson has been organized, it is said to have a heavy, strong and fast machine. The eleven is made up of stars from Galesburg, Alledo and Montmouth and the visitors should give the Islanders a hard fight.

The North Henderson team is fully as heavy as the Moline Indians, and the men are clean, well built and speedy. The team averages 175 pounds, the back field 181 and the line 171. They have won four games this year. Among the stars on the North Henderson eleven are H. Shaver, who played fullback on the Galesburg high school state championship team in 1908; Trego, star at Macomb Normal college for three years, and G. Shaver, former grid star at Galesburg, who is touted as one of the fastest sprinters and best punters in Knox county. Every man on the squad has had considerable experience on the gridiron and the team is well coached and has a wealth of formations and trick plays.

The game is to be called at 2:30 and competent officials have been secured.

At the present time the Independents are in some too good a shape, those on the hospital list at the present time being Murphy, fullback; Robb, halfback and end; Holm, end; Kolla, end; Sexton, end; and Benson, center. Murphy's leg is still weak from injuries received last week, and Holm is suffering from a similar injury. Kolla has a weak shoulder and Sexton is bothered with a painful bruise on his right elbow sustained in the Des Moines game. Robb's right leg is still in bad shape from last Sunday and Benson crushed two fingers while at work this week. However, it is expected that all of the cripples will be able to play at least part of the game tomorrow, with the possible exception of Murphy.

Coach Lee Litt and his brother Dick ran the Islanders through one of the best workouts of the season last night. The men are displaying great ability in open field work, and completed pass after pass last night in the semi-darkness and deceiving glare of the arc lights in the Twenty-fifth street playgrounds. Coach Litt stated today that he had not determined upon the lineup for the North Henderson game as yet and that he had several new stunts in mind to try out on the Knox county aggregation tomorrow.

The probable lineup for tomorrow's game and weights:

Rock Island	North Henderson
Holm, 160	Loquist, 155
Chandler, 185	Carlson, 165
R. Salzmann, 225	Swain, 200
Benson, 185	K. Lundgren, 160
Smith, 189	Shepherd, 190
A. Salzmann, 200	Moore, 220
Sexton, 160	Mathers, 155
Bredius, 140	D. Lundgren, 175
Cook, 165	Trego, 175
Davenport, 165	G. Shaver, 200
Robb, 185	H. Shaver, 170

Average weight—North Henderson, 179; Rock Island, 179. Line—North Henderson, 171; Rock Island, 187. Backfield, — North Henderson, 181; Rock Island, 167.

FULTON IS GREEN BUT HAS WALLOP

Experts Pass on Rochester, Minn. Giant in Chicago and Say He Looks Promising.

Chicago, Ill., Nov. 12.—A lot green, possessing a crowd right hand, but shy on ring knowledge. This was the verdict passed by the pugilistic experts who watched Mike Collins' husky heavy-weight, Fred Fulton, perform for the first time in Chicago at Gilmore's gymnasium yesterday. He drilled with Joe Herriek, Jack Moran and Fred Gilmore. Strange to relate, the lightest of the bunch gave the Rochester, Minn., fighter the most trouble.

All in all, Fulton appeared 50 per cent better than the Jew Willard when he first dropped the straw from his lips, shed his overalls for nightgowns and his boots for ring shoes a few years ago when he started his climb toward the heavyweight title at Bill O'Connell's school of muffs. What Fulton now lacks is bulk, compared to the Willard of those days; he more than makes up for it in confidence.

"Fulton has a lot to learn. Who knows?" An outsider can pick flaws in the work of any fighter, but for a green man Fulton looks good—better, in fact, than did Willard the first time I saw him," Gilmore said. "He took a couple of hard wallops on the jaw this afternoon and kept coming, which is a whole lot in his favor, while his right hand punch appears to be the goods. I like his style."

San Francisco, Cal., Nov. 13.—Miss Rhoda Leichter, the young artist who was reported as among the victims on the sinking of the steamship Ancona, is safe and in Rome, according to a telegram received here by her brother, Mark Leichter. The telegram states that Miss Leichter was not on the steamer.

French, local quarterback, made the Monmouth touchdown in the second period, running through a broken field after receiving a punt.

Carbondale, Ill., Nov. 12.—The Southern Illinois Normal football team crushed the Sturteff college squad of Alton, 73 to 9.

Iowa Falls, Ia., Nov. 13.—Pent college of Okaloosa won from Ellsworth yesterday, 7 to 2.

AUGIE TEAMS TO MEET NEXT WEEK

Freshmen Are to Tackle Independents Nov. 20 at Campus Field for School Title.

With but one high school in the vicinity in action Saturday, Nov. 20, the Rock Island high school seconds being booked for a skirmish with the Viola aggregation, tri-city gridiron fans are looking forward to the freshman-independent contest for the championship of Augustana on that date, the argument to be settled on the college campus. In the lack of inter-collegiate football at the Lutheran school interclass contests take the stage, and having put the academy out of the running by two decisive defeats the teams are primed for the struggle for the title.

When the freshmen buck the Independents for the crown it will be with an even break in the dope. Both teams have defeated the Augie academics, but the Independents piled up a total of 27 points, holding the academy boys to a goose egg, while the best the freshmen were able to negotiate was two touchdowns for 12 points. That gives the Independents the edge. But in the battles with Carl Anderson's high school warriors, the freshmen were able to trim the school boys 7 to 0, while the Independents were defeated, 12 to 7. That evens the count in the dope column. In weight the two teams are about even, but the Independents, composed nearly entirely of the champion freshman team of last season, has it on the class of 1919 in experience.

NORTH ENDS PLAY MOLINE RED MEN

Indians Face the Toughest Game of the Season With Fast Machine at Three-Eye Park.

The Moline Indians will defend their claims for the state title against the last Evanston North Ends tomorrow afternoon at the Three-Eye park in Moline. Last year the North Ends beat the Red Men 9 to 6 and the Rock Island Independents 7 to 0. The Indians came out of the gruelling Cahery and Taylorville contests without a cripple, and will present their strongest lineup to the Cook county demons. It was rumored today that Magerkuth and Wellendorf would be seen back in the Indians' lineup and that these stars will remain with the Moliners through the Evanston contest Sunday and the Independents' game the following week. Evanston has practically the same lineup this year as last. The North Ends have only dropped one game this year, being beaten by the Wabash A. A. (Ind.) by a score of 7 to 0.

FOOTBALL TOMORROW

At Rock Island—Independents vs. North Henderson.
At Moline—Indians vs. Evanston North Ends.
At Chicago—Cornell Hamburgs vs. Racine, Wis.

Chicago, Nov. 13.—Good roads organizations of Chicago asked Governor Dunne to include in his call for a special session of the legislature the question of validating the \$2,000,000 good roads bonds of Cook county, knocked out by the supreme court decision in the Ferguson case. The roads involved are in Cook county.

TWO CHICAGOANS GO TO ANTIPODES

K. O. Brown and Fred Gilmore, Middle and Welter Weight, to Engage in Fighting Game.

Chicago, Ill., Nov. 13.—Two of Chicago's leading ring gladiators are going away from here. At 7 o'clock tonight Fred Gilmore, welter-weight, and George Knockout Brown, middle-weight, will leave their parts, San Francisco bound. Next Tuesday night, on three hours after they arrive in Frisco, they will board a ship for Australia, where they will join Eddie McGooty and Jimmy Clabby in the colony of American battlers now earning fame and money in Snowey Baker's kingdom.

Arrangements for the trip were completed on a hurry up notice yesterday. Plans for the jaunt have been under way for several weeks, but the boys had not expected to leave before Nov. 23. Yesterday Tom Andrews, Baker's representative in America, wired Gilmore and Brown to leave at 7 o'clock Saturday on the Overland Limited. They said they would be ready.

According to a message from Baker there are several high-class welters in Australia and he has offered a championship belt to be given the winner of the tournament he has under way. Gilmore will be one of the leading lights in the meet. Brown will be matched with Clabby, McGooty and later with Les d'Arcy, the sensational Australian who has beaten both Clabby and McGooty.

CLAIM BOXING IS LEAST DANGEROUS

Peoria Journal Ricinales Recent Endeavor to Stop Fighting Game in Distillery City.

CITES FATALITIES IN OTHERS

Story States That Only Two Men Were Killed in Pugilistic Ring Last Year and Yet Is Held a Crime.

Citing numerous fatalities in other sports and claiming that prize fighting is not as brutal as its enemies claim it, the Peoria Journal on its sport page publishes a story ridiculing the interference of the ministerial alliance in the boxing game in the Distillery city. The story also further states that the ministers by agreeing to let the bouts be held in Peoria this week on promise that they would be the last, have permitted the boxing promoters to get "something on them."

Following is the story from the Journal:

"Fifty-nine men and boys in the United States were killed by base ball last year. Hundreds were injured. "Fourteen college trained athletes have been killed playing football this year. Hundreds have been injured; many maimed for life. "Half a dozen automobile race drivers were killed last year. Four times that number were injured. "Four basket ball players were killed last year and scores were injured. "At the present time there are three students of the Bradley Institute who are unable to participate in athletics owing to injuries sustained on the football field. Another has been able to play but little this year. Captain Goodfellow has a badly torn ligament. Others to the number of six in this one college alone have been out temporarily during the season on account of injuries.

"At Manual Training High school 40 men have been out at different times owing to injuries caused by foot ball. "At Central high school the same applies.

"Two men were killed last year and a score injured in boxing. "Now they rise up in all their dignity and refuse to permit clean, well trained, strong and healthy athletes to box 10 rounds. Ten rounds means 50 minutes of boxing with every fourth minute a minute of rest. In a football game they play 15 minutes, rest three, play 15, rest 10, play 15, rest three and play 15.

Claimed Least Dangerous.

"Yes, boxing is a crime. They say it is brutal. Perhaps? There's no use arguing with a fellow who has his mind dead set against clean sport, but it remains that of all sports boxing is the least dangerous.

"The last bout that will be held in Peoria under the present county administration was held last night. The lid is on now. The law was evaded last night. C. G. Clarke gave his consent to this law breaking, as did the I. E. L. and Ministerial association. In this local attorneys and sportsmen believe they have 'something on' the ministers and law enforcement people who tried to stop the boxing exhibition."
