

CHURCH SERVICES AND REUNIONS TO BE HELD IN CITY

Rock Island People Will Spend Christmas in the Temples of Worship and in the Home.

BUSINESS AT A STANDSTILL

Thousands Will Turn From Daily Task to Pay Homage to Christ on 1915th Anniversary of Birth.

With services in many of the churches and family gatherings Rock Island people tomorrow will celebrate Christmas. Wheels of commerce will hesitate and thousands will turn from their daily task and pay homage to the Prince of Peace on the 1915th anniversary of the birth of Christ.

Midnight services will be held tonight in two churches. St. Mary's church will be the only one of the Catholic denomination in this city to take advantage of the privilege extended to churches in the Peoria diocese of holding services at midnight. Prayers will be said at St. Mary's for a world peace and Father Peter Kluck will be assisted by three outside priests. Special music will be a part of the program. Tomorrow holy communion will be observed at 7:30 o'clock and high mass will be sung at 9:30.

Trinity Episcopal church will also hold midnight services tonight. Tomorrow at the Sacred Heart church mass will be said at 5, 7, 8:30 and 10:30 a. m. At St. Joseph's masses will be said at 7:30, 9:00 and 10:30.

Exercises Tonight. At 8 o'clock tonight Christmas exercises will be held at the German Evangelical church and at 9:30 tomorrow morning services will be held. Exercises will be held at the Edgewood Baptist church tonight and at the Swedish Lutheran church at 7 o'clock Sunday night.

The city hall, court house, stores, offices, banks, factories and board of trade offices will be closed tomorrow and the employees will be given a holiday.

The postoffice carriers and clerks are among those who tomorrow will be unable to leave their tasks. It is expected that the heavy rush of mail will continue through Christmas day at the postoffice and the carriers are scheduled to make one delivery throughout the city. It is thought that this will require the greater part of the day owing to the large amount of incoming mail anticipated. The stamps, registry and general delivery windows will be open from 7 till 10 o'clock in the morning.

Tree Kept Lighted

The municipal Christmas tree located in Market square was lighted again last night. The tree will be lighted tonight and tomorrow night also. It is expected that many families will follow the request of the civic department of the Woman's club and will place lighted candles in the window of their home tonight following the old English custom. Tradition is that the light leads the Christ Child into the home. The department stores will close at 7 o'clock tonight, but the majority of the other stores will remain open later to give the belated shopper the last chance to make his Yuletide purchases.

M. E. Sunday School Celebrates.

The First Methodist church last evening celebrated its usual "giving Christmas" and flour, coal, potatoes, other vegetables and clothing were given in large quantities. Twenty sacks of flour were contributed. Several of the classes presented their gifts in a unique manner. The Harriett Henderson class had fashioned a huge elephant which entered the auditorium in a most realistic manner, drawing a load of sacks of flour. The S. J. Ferguson class had an airship full of cans of pork and beans. There was also a pleasing drill with lighted candles given by one of the boys' classes. The perishable articles were distributed today to several charitable organizations and also to deserving individuals, but the coal, flour, potatoes and clothing will be kept by the church and distributed as cases where they are needed are found.

Mr. Edwards as Santa Claus at the Memorial Christian church created much fun for the children and each child in the Sunday school was presented with a box of candy. The donations of the school were piled around the huge tree which was electrically lighted. There was coal, flour, potatoes and other eatables which were divided among Rock Island charitable institutions today.

The children of the Central Presbyterian church presented an interesting Christmas cantata with H. C. Shaeffer in the role of Santa Claus. Gifts of candy were given to each member of the Sunday school. The school will provide Christmas baskets for several needy families out of the supplies brought to the church last evening.

At West End Settlement. The West End settlement had its Christmas celebration Wednesday and Thursday evening of this week. The 550 members of the settlement were remembered each with a half pound

The gifts were presented to the classes according to their age. The primary class received dolls and building blocks. The older children, received toy engines, sets of dishes, painting sets and work baskets. Thirty-seven dolls and 25 manure sets were given and members of one of the older girls' classes were given silver hatpins. FEW FOLKS HAVE GRAY HAIR NOW Druggist Says Ladies Are Using Recipe of Sage Tea and Sulphur. Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the air. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe. Nowadays we get this famous mixture by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides, it takes off dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance. MOLINE HOSPITAL WILL OPEN SOON

New Lutheran Institution Will Be Ready for Patients Latter Part of January.

Announcement was made today by Rev. A. F. Bergstrom, president of the hospital board, that the new Lutheran hospital in Moline will be opened the latter part of January. The date will be set as soon as it is definitely known when the furnishing of rooms will be completed. Only four of the 30 rooms remain to be furnished.

Painters are now at work and it is expected that the finishing will be completed within two weeks. The board president reports that one resident of Davenport responded handsomely, having agreed to furnish an entire ward at a cost of approximately \$450. His name, as well as those of all individuals and society donors of furnishings for the rooms, will be announced later.

Rev. Bergstrom declares that expectation is to start the school for nurses as soon as the hospital is opened to patients. Many applications, most of them from Moline and Rock Island, have been received from young women desiring to take the work and indications are that the hospital will have a class of at least 15 when school opens. Amelia Dahlgren, who will teach the class in addition to her other duties as superintendent and head nurse, will arrive in Moline from Chicago the first week in January.

DISSESSION IN PARTY.

Before the peace ship Oscar II. reached the other side there were reports of dissension among the peace delegates. When Mr. Ford reached Christiania he went in the background, it being said that he was ill. It was not until last night, however, that the unconfirmed report that he had quit the party reached this country.

Although full details have not been received, it would appear that he made his departure secretly and that most of the peace delegates, at the time they left Christiania for Stockholm were ignorant of the fact that he was not to go on with them. One Christiania dispatch said Mr. Ford had boarded a train from Christiania for Bergen yesterday at about the time his former associates were leaving for Stockholm. It was said Mr. Ford's sudden departure was due to the fact that his physician had ordered him to rest.

HENRY COUNTY MEAT IS SOLD IN MOLINE

Farmers of Henry county are not waiting until the Colona bridge over Rock river is built to come to Moline to trade. The bridge will mean a greater volume of commerce between Henry county and Moline, but in the line of meats, especially, Moline has already been relying on the farmers east of Rock river, declared one meat dealer of that city today. To show that Henry county farmers are alive to the benefits of trade with Moline he told the story of a farmer by the name of Hoppe living near Green River. Six members of this family were engaged Wednesday in preparing meat for Moline customers.
