

### AUDIT TO COVER LAST FOUR YEARS

County Board Reconsiders Vote of Day Before and Will Check Up Only Outgoing Officials.

### REFUSE ROAD APPROPRIATIONS

Purchase 50 Nissen Levelers and Distribute Them Among Townships—Grand Jury Selected.

By a rising vote the board of supervisors yesterday afternoon reconsidered the vote of the day before concerning the audit of books of county officers.

On Tuesday the board, by a vote of 17 to 14, passed a resolution that the S. E. Sims company be given the contract for an audit of all county officers from the last check taken in 1910 to 1914, the work to cost \$1,500. Yesterday afternoon Supervisor Fred Graflund, Moline, made a motion to reconsider the matter, as he thought it useless to investigate the records of L. M. Magill, former state's attorney, and O. L. Bruner, former sheriff.

### Two Accounts Closed.

The county has settled with Mr. Magill, and Mr. Bruner is deceased, so that regardless of what the audit would show concerning these two officers, the accounts were closed so far as the county is concerned. Mr. Graflund argued that under the circumstances it would be foolish to expend money on an audit of these officers and after the first vote was reconsidered by a rising vote, Supervisors Cunningham and Bauerfeld voting no, he offered a new resolution, providing that the audit cover merely the outgoing officials, namely, circuit clerk, state's attorney, recorder, probate clerk and coroner, and that for the term of their incumbency, from 1912 to 1914, the cost of which would be \$600. In 1915 an audit of the other officials is suggested.

### Supervisor Childs Argued That Inasmuch as the Budget System was to be Installed the Audit should Cover All Offices from 1910 to the Present Time.

Supervisor Childs argued that inasmuch as the budget system was to be installed the audit should cover all offices from 1910 to the present time. Supervisor Graflund's motion carried by a rising vote, 23 to 8.

### Refuses Road Aid.

The resolution of Supervisor Graflund asking that the county appropriate \$500 for the Rural road on condition that the sum of \$4,500 be raised by private subscription, was defeated 21 to 11, the roll call being as follows: Aves—Brunstrom, Childs, Corbin, Dalley, Elmfield, Exhom, Graflund, Kerns, Ogden, Schable, Stevers. Total, 11.

Nays—Bauerfeld, Cain, Cook, Cunningham, Elliott, Griswold, Lipton, Little, Obiweiler, Powell, Schroeder, Searl, Sleight, Stroehle, Thompson, Titterton, Trefz, Weckel, Wilcher, Woodburn, E. H. Young, Total, 21.

The question was raised that the road was not a public highway. This was refuted by Moline members of the board, but the point was not sufficiently clear to the majority and they voted against the appropriation.

### Buy Road Levelers.

Request from the Rock Island division of the Burlington Way, for an appropriation of \$1,000 was received and placed on file. On recommendation of the roads and bridges committee, 50 Nissen road levelers were purchased at \$3.75 each, to be distributed among the various townships, as follows, the seller having the right to place advertising matter from Rock Island county merchants on them: Cordova, 3; Coe, 4; Canoe Creek, 2;

### THE "COME-BACK"

### YOUTH IS KILLED BY FRISCO FLYER

Fast Passenger Train Runs Down Orrie Purcell of Muscatine on Tracks at Nahant Below Davenport.

### COMPANION IN NARROW ESCAPE

Pair Had Been Put Off of Interurban and Were Walking to City to Catch Freight Train for Home.

Orrie Purcell, 19 years old, was struck by a Rock Island passenger train at Nahant, just west of Davenport as he was waiting to catch a ride to his home in Muscatine on a freight train last night at 9 o'clock and was instantly killed. A companion, Harold Foster, also of Muscatine, saved his life by jumping. The body was removed to the Stapleton undertaking parlors in Davenport. Foster maintained that they did not hear the train until it was upon them.

According to the story told by Foster, he, in company with Purcell and another young man, Albert Dresser, came to Davenport on a freight train Wednesday afternoon and later went to Rock Island. They returned to Davenport at 6 o'clock last night and boarded a D. & M. interurban car for Muscatine. Foster stated that Dresser was taken ill and that the conductor put them all off in west Davenport.

Dresser returned to Davenport, but Purcell and Foster jumped a switch engine, which stopped at Nahant. The pair then started walking the tracks back to Davenport with intentions of catching a freight, which left at 9 o'clock for Muscatine.

Purcell's skull was fractured and his body badly mangled. The remains will be taken to Muscatine for burial tomorrow or Saturday.

### NEW ASSISTANT TO LOCAL Y SECRETARY

Charles Atkinson, for the past four years general secretary of the Y. M. C. A. at Lake Geneva, Wis., has accepted the position of assistant general secretary at the Rock Island Y. M. C. A. Mr. Atkinson started in association work eight years ago at Janesville, Wis. where he served as assistant secretary for three years. Mr. Atkinson is a married man in his thirties and brings to his task in Rock Island a training and experience that will enable him to give great service in the enlarged development of the Rock Island Y. M. C. A. He will not arrive in Rock Island for several weeks, but he will be here prior to the opening of the membership campaign. He can be encouraged by the fact that a hearty welcome awaits him in Rock Island, where the Young Men's Christian association has so many friends.

At the meeting of the board of directors of the association Monday night, quite a number of purchases were authorized and considerable new equipment will be added to the already attractive features of the building. In order to take care of the increased demands of the physical department, 10 additional stall bars have been purchased and will be erected within the next few weeks. This will enable the physical director to handle twice as many men at one time. Perhaps one of the most important contracts authorized was the one which provides for a Bell telephone in every sleeping room in the building. This will put the Rock Island association in the strictly up-to-date building class and many expressions of approval have come from the dormitory men with whom the project has been under discussion for some time. The switchboard for handling this business will be one of the most modern type and is to be installed by the local telephone exchange. Mr. Brown, the new manager of the telephone company, is giving this his personal attention to the end that the very best possible service will be supplied.

### WILL GIVE LECTURE ON OVERLAND MOTOR

A. C. Johnson of the Overland Sales company of Rock Island has invited a number of friends to a lecture and moving picture show to be given tomorrow night at the Burtis opera house in Davenport by Henry H. Hower, who will talk on the Knight sleeve motor. Mr. Hower uses illustrations in his lecture and explains every detail of the motor in entertaining fashion, free from technicalities. A film showing a woman operating the Overland and close up views and cartoons of John H. Willys and the Overland plant will also be presented.

### EMANCIPATION DAY CROWD TO BE LARGE

Indications are a large crowd will be present at Surburban island tomorrow night when the Emancipation day celebration is held. Congressman Hull called of Iowa will be the principal speaker. City Attorney J. K. Scott will give an address and it is probable that McCoochie also will be able to attend and make a speech. A barbecue will follow the speaking. Special street car service will be provided so that the crowd may remain as late as 1 o'clock.

### DRIVES CAR INTO A CROWD AND IS FINED

A man giving the name of R. Fick was arrested by Patrolman John Kinney in the loop last night when he drove his automobile into a crowd boarding a street car. He was fined \$10. He paid.

### PLEASURE SEEKERS CROWD LOCAL PARK

Officials of the Heinz Carnival company are pleased with the reception accorded their show by tri-city people. Last night found Exposition park crowded. The different attractions received liberal patronage. The Heinz company offers many novel entertainments, different from the shows usually staged by carnival organizations. Riding devices are operated which have proved themselves real thrillers. With the intention of purchasing the

Allman Brothers shows, Mr. Heinz left for Lancaster, Pa., the early part of the week. He will return to Rock Island this evening. The Allman shows are among the best in the carnival world and their addition to the Heinz shows will effect a combination that will make into a reality a long cherished dream of Mr. Heinz.
