OUTHIT BROOKLYN WINS OFF BRUINS BY 4 AND 1 SCORE

Inability to Connect With Pfeiffer's Slants When Blows Meant Runs Is Cause of the Defeat.

McCONNELL IS HARD LUCK GENT

New York Giants Keep Up Drive, Making It 22 Wins in a Row, But Fail To Gain in Race.

New York, Sept. 27.—It's just no use talking. Big George McConnell can't win a game for the Giants. His inability to hit Jeff Pfeiffer with men in scoring positions was the main reason ascribed for the loss of the fifth game of the series to the Dodgers yesterday. The score was 4 to 1, and just about represents the ratio of effectiveness of Dodgers' hitters in a pinch as compared with that of the Cubs.

Over in Philadelphia McConnell pitched good enough ball to win. The Tinx failed to get a run for him and he lost; yesterday they did get one, but had either Wilson, Yerkes or Saler been able to pinch off a hit on three occasions, McConnell might have won; the Tinx might have had three of the five games played instead of two and Phillies might be heading the National league race today by a margin of two points.

Giants Keep Going.

New York, Sept. 27.—The Giants continued their drive yesterday, making it 22 in a row and hanging up another major league record for successive victories, when they defeated the Cardinals by the score of 6 to 1.

But the tough luck about the Giants' successive victories is that they are unable to force any runner to the pennant or to get out of the bottom position in the first division. After yesterday's victory they were six and one-half games behind the leading Robins, five and one-half games from catching the Phillies and three games from grabbing third place away from the Braves. In fact, they slumped half a game in their race for third position, for while they were defeating the Mount City tribe Stallings' outfit twice humbled Jimmy Callahan's band of Pirates. Score: R. H. MISS BJURSTEDT IS BEATEN IN NET MATCH

Boston, Sept. 27.—Miss Molla Bjurstedt, national women's tennis champion in singles, was eliminated as a competitor in the doubles in the women's open tennis tournament at the Longwood Cricket club yesterday. Paired with Miss Eleanor A. Sears of this city she was defeated by Mrs. A. A. Shurtleff of Boston and Mrs. H. H. Smith of Philadelphia, 2-6, 8-4, 6-4. In the singles Miss Gwendolin Brandon of New York, who scored an unexpected victory yesterday over Miss Marion Fenn of this city, continued her success yesterday by defeating Miss Florence Ballin of New York in straight sets, 8-6, 10-8.

HOSE TO TACKLE CLEVELAND NEXT

Rowlands Predict Four Victories Over Indians—Pray That Yankees Will Stop Red Sox.

Chicago, Sept. 27.—That Chicago will win four games from Cleveland was the prediction last night by Manager Rowland of the White Sox. That New York will trim Boston, beginning today, was his fervent hope, the conjunction of the two meaning a pennant for Chicago. The Sox leave for the riddled stronghold of the Indians last night. They departed with firm determination to make a clean sweep in the series, so now it is up to the Yankees and the Athletics to make good their jobs.

President Comiskey apparently shares the confidence of his team so far as the Cleveland games are concerned, as he refused point blank to discuss the city series yesterday.

"Why should I talk of games at home when we still have a chance for the pennant?" was his query. As the interrogator of the second could advance no good reason the subject was dropped and the fans are left to do their own guessing in regard to annual civic strife.

Mr. Comiskey added that he had not seen or talked with President Weeghman about any home games, but he became interested when the subject of a Sox-Giants series was broached. "I have heard some talk of a series of that kind," said Mr. Comiskey, "but no one has approached me in regard to such games. It would undoubtedly be an interesting series but there are so many obstacles in the way that I do not see how the two teams could meet. If Brooklyn wins the pennant it would of course be out of the question as would not invade any part of Greater New York while Mr. Ebbets' team was contending in a world's series."

BEANED AN UMPIRE; HELD TO GRAND JURY

Toledo, Sept. 27.—Charged with assault with intent to kill George Johnson, American Association umpire, Jacob Scholkey, 24 years old, was indicted by a grand jury here yesterday. During the game with St. Paul at Swayne field on July 23 umpire Johnson was struck in the head by a pop bottle thrown from the stands and rendered unconscious. He was in a hospital two days, and it was feared for a time he could not recover.

MEMBER OF GIANTS TO BOSS MILWAUKEE

Milwaukee, Sept. 27.—Owner A. F. Timms of the Milwaukee baseball team arrived home from New York yesterday and declared that he had been in conference with McGraw over Milwaukee's baseball prospects. He has arranged, he admits, to get a McGraw graduate as manager for the Brewers next year, but will not be able to announce the name of his new manager until McGraw completes some other deals that he has in mind.

WESTERNER BEATS EAST IN BIG MEET

Avery Brundage.

Avery Brundage, of Chicago, Ill., persuaded many that he is the leading light of all round athletic sport with his performance at a recent field meet at Weequahic park, Newark, N. J. The races were largely an East vs. West competition held under the auspices of the A. A. U. Brundage led six other competitors by a wide margin and repeated the victory he scored two years ago in Chicago.

BEN EARL TAKES COLUMBUS EVENT

Wins Arch City Stake, Stepping Mile Within Half Second of Two Minutes, Breaking Record.

Columbus, O., Sept. 27.—Within half a second of two minutes Ben Earl won the middle heat of the Arch City stake yesterday afternoon at the Columbus Grand Circuit races, and gave this event a new record for a single heat, the best previous time for a mile in it having been 2:02.4 by Frank Bogash, Jr., in 1913, and Peter Stevens in 1914. Ben Earl captured the event in straight heats.

Diameter, original favorite in the auctions, though both Ben Earl and Jay Ell Mack were backed heavily, set the pace in each heat, but was unable to come home with the rush that Ben Earl displayed after squaring away in the stretch. Twice Jay Ell Mack finished close to the Omaha horse.

Sir Anthony Carter stepped beside Diameter in the second heat, the first quarter with this pair lapped being being in 30.4 seconds. The half was reached in a minute flat. In half a minute more Diameter was at the three-quarters post. Just before reaching it, Sir Anthony Carter went to a break. All the way round, Ben Earl was a good third, with Jay Ell Mack right behind him. As Diameter turned home, Ben Earl moved up and Driver Childs gave his attention to stalling off Jay Ell Mack rather than the tiring Diameter.

Zomret, favorite for the 2:18 trot, had to score for the first heat in 10th position, and finished fifth to Ridgemark, the second choice. In the second mile, Zomret took the lead and was lapped by Ridgemark. Zomret stepped the half in 1:01.4, Ridgemark breaking before getting there. All through the last quarter Zomret came under restraint, but he took a record of 2:06.4. He won the next two heats easily.

OMAHA TO TAKE ON CHAMPIONS IN A. A.

Omaha, Sept. 27.—The Omaha club, winner of the 1916 pennant in the Western league, will play a series of games with the Louisville club, league leaders in the American association, beginning Oct. 4. A double-header will be played Oct. 7 and 8. The team taking the first four games will win the series. President Wilson will be asked to attend one of the games while he is in Omaha.

WORLD'S SERIES TO OPEN ON OCTOBER 7

Chicago, Sept. 27.—The world's series will open Saturday, Oct. 7, according to President B. B. Johnson of the American league and member of the national commission. No final action has been taken yet by the national commission, however, Mr. Johnson said today.

German Get Relief.

Yokohama, Japan.—About forty Germans in Yokohama and its vicinity have been made destitute by the war. Funds to help in their support are arriving regularly from the German government and are being distributed under the direction of George H. Scidmore, the American consul-general. The relief fund reaches about \$1,000 monthly. The poverty of the Germans results from loss of situation due to the war or the suspension of the business in which they were engaged.

Notice to Coal Dealers.
Sealed proposals will be received at the mayor's office until 10 o'clock a. m., Sept. 30, 1916, for furnishing the city with six-inch lump coal until June 1, 1917, for all departments of the city except waterworks pumping station. Bidder must state mine from which coal will be furnished.

BERRY, PENN STAR, IS KEPT ON BORDER

Howard Berry.

Howard Berry, Penn's all round athletic star and one of the strongest members of last season's football squad, is with the national guard on the Mexican border, and there is small hope that he will be able to return for the football season.

On the Sidelines

The Davenport A. C. held practice at the Davenport Three-Eye park last night, adopting the same tactics as the local Independents, that of using arc lights.

Though Herzog and Zimmerman, two of McGraw's heaviest hitters, failed to get a hit yesterday, the remainder of the New York team collected 15.

Felder Jones has made a new record in baseball. In seven games against the Chicago White Sox the manager of the Browns started each contest with a lefthander. And twice Jones' theory that a southpaw could tame the Rowlands held good. However, righthanders might have done a dinged sight worse—did, in fact, when they relieved the southpaws.

Manager Fohl of the Cleveland Indians has sent Pitcher Stanley Coveleskie to his home in Pennsylvania, and it is not expected that he will be back in harness this season. Overwork and a spell of sickness have put Coveleskie to the bad, and figuring on next year, Fohl thought it advisable to give the youngster a rest.

Charles Comiskey, owner of the Chicago American league club, Monday lost another of his park at True Lake, near Ashland, Wis. The animal, which was known as "Red," having been named in honor of Pitcher "Red" Faber, strayed from the park and pursued Basil Lawler, a farmer boy living near Butternut. Young Lawler's brother, the park's attendant, was carrying a rifle and he shot and killed "Red," prize of Comiskey's herd.

WOMEN TO CLASH FOR GOLF TITLE

Middle West To Be Represented in National Meet Which Opens Monday on Eastern Course.

New York, Sept. 27.—Pairings for the women's national golf championship, issued yesterday by Secretary H. P. Whitney, show that in the field of sixty players the west is more strongly represented than at any tournament held on an eastern course in recent years.

In the tournament, which will start on Monday at the Belmont Springs Country club, Waverly, Mass., Chicago will be represented by Miss Elaine Rosenthal, runner up to Mrs. Arnold Jackson in 1914; Miss Lurline Kaiser of Flossmoor, Miss Ernestine Pearce of Skokie, semi-finalist at Onwentsia last year; Miss Mildred Smith of Evanston, winner of two Chicago tournaments this year; Mrs. J. W. Douglas of Westmoreland, and Mrs. C. F. Braffette of Hinsdale.

Cincinnati will be well represented by Mrs. Fred C. Letts, Jr., the western champion; while both Miss Grace Semple of St. Louis and Miss Edith Chesbrough of San Francisco are strong players.

Miss Alexa Stirling of Atlanta is the strongest representative from the south. She was a semi-finalist last year, losing to Mrs. C. H. Vanderbeck, the present champion, who will not defend her title. Mrs. A. W. Gavin, the English player, who was runner up to Mrs. Vanderbeck last year, and Mrs. G. M. Martin, an American born player, who has lived in England a number of years, also are among the nominations. Mrs. Martin was runner up to Mrs. J. V. Hurd at Homewood in 1910.

The most prominent absentees from the east are Miss Harriot and Miss Margaret Curtis, both former titleholders; Mrs. Ronald H. Barlow of Philadelphia, and Mrs. Felner, formerly Miss Lillian B. Hyde of Brooklyn.

ZBYSZKO THINKS HE WILL DOWN STECHER

Chicago, Sept. 27.—If Wladek Zbyszko can tempt Joe Stecher when they meet at Comiskey park Sunday afternoon, it will be a winner-take-all affair. Zbyszko last night declared he will meet Stecher Saturday in the hope of inducing the wrestling wonder to let the entire purse go to the winner. Zbyszko says he is in better shape than he has been at any time in his career—even better than his brother Stanislaus. Other wrestling matches, boxing bouts and vaudeville acts will make up the program. The proceeds will go to the widows and orphans of Irish rebels killed in the recent riots.

Rail Lights in Finals.
Toledo, Sept. 27.—The Rail Lights yesterday broke even in the double-header with the Pitcairns of Pittsburgh, losing the first 1 to 0 and winning the second, 7 to 0. The victory eliminates the Pitcairns and gives the Rail Lights the right to play the Norwoods of Cincinnati for the national amateur baseball championship.
