

Delay Means Disappointment

Easter Is But a Few Days Away

Place your order tomorrow or Monday and your Suit will be ready for Easter Sunday.

Go into any clothing store in town tomorrow. See what they offer you at \$25 to \$40. Note particularly the weight of the fabrics. Examine the garments closely. Then come in and look me over. I have half a thousand bolts of fine wools to show; wools that would cost from \$2 to \$3 per yard more if I bought them at today's market. I know what your decision will be. If you are going to wear a new suit Easter morning, don't delay, but come in tomorrow or Monday and make your selection. IF YOU DON'T COME IN WE BOTH LOSE.

Here's My Guarantee

I guarantee that my tailor-made Suits and Overcoats at \$20 up to \$28.50 are the equal of any ready-made Suit or Overcoat that you can buy at \$30 to \$40 or your money back.
