### Some Shirts, Fellows And No Mistake About It

Colors and patterns are great! You never saw any you'll like better! And in spite of such stumbling blocks as wholesale shortages and high prices, here's as big a stock as we've ever had to begin a Fall season.

#### Manhattan Shirts

In all the latest patterns and materials

\$2.50, \$3, \$3.50, \$4, to \$10

Eagle Shirts and other makes, \$1, \$1.50 and \$2.

#### THE FINEST STOCKS IN TOWN FOR NECKWEAR FANCIERS

Every man who understands correct dressing gives careful attention to his ties. They must harmonize quietly or strike a forceful though pleasing color note in his attire.

The rich patterns and exquisite colorings of our New Fall Ties will appeal to such a man. They're made with slide-easy bands that insure an even, snug fitting knot; the silks will not wrinkle easily and lose shape. You'll be glad to see that you can still get good ties for from 50c, 75c and \$1.

#### Men! Want to Save Money on Some New Underwear

This isn't ordinary "bargain" underwear—don't get that idea! The garments are brand new, perfectly made of good durable fabrics and have every feature that high class underwear possesses. But our prices aren't anywhere near as high as such grades will sell for in a month or so!

That's why you save money! We bought our stock long ago, when wholesale prices weren't anywhere near as high as they are now. We're giving you the benefit. We'll have to charge you more later on when we buy new stocks at higher wholesale prices.

Better get your Fall and Winter supply now—Here!

Union Suits, in medium and heavy weights, in wool, silk and wool, and cotton \$1.50, \$2, \$2.50, \$3 to \$10.
