

RELIEF CORPS PLANS BAZAR

Fine Entertainment Being Arranged by Ladies for Saturday, Nov. 22, at Auditorium.

A miscellaneous bazar and neutral nations' luncheon, will be given by the ladies of the Relief Corps, at the city hall auditorium, Saturday afternoon and evening, of Nov. 22.

Plans are now complete for one of the best entertainments of the year. All neutral countries of Europe will be represented by the various booths with lunches served accordingly to represent the respective nations such as Sweden, Spain, Holland, etc.

Everyone is cordially invited to come and bring their friends and walk down the thoroughfare of a cosmopolitan city, where the atmosphere will be strictly European. Committees in charge of the affair have been working diligently for the past few weeks and will continue to do so until the day of the event. They are now confident that they have something so far

from the ordinary, that it would be impossible for you not to enjoy yourself, and therefore are counting on you to attend.

It is Important for Women

to keep in perfect health. So much depends on their activity. The hand that rocks the cradle is the hand that rules the world, and its rule should be based on principles of health. The welfare of future generations is in women's keeping and she must herself be strong and healthy to rear healthy progeny. Many women never suffer from any serious organic illness, and yet are not really in perfect health. They are troubled with minor ills such as dizziness, headaches, hysteria, nervousness, etc., which harass them and deprive life of its zest and pleasure. Such women should know that

To Keep Healthy

they must see to it that their organs of digestion are in perfect condition. A clogged liver or a disordered stomach will always react on the vital organs and give rise to trouble. It is easy to correct the evils arising from indigestion. A dose of Beecham's Pills will pave the way, — a systematic use will bring perfect health. They have a wonderful tonic effect, purifying the blood, restoring the appetite and keeping the body up to the mark. If you would be well and happy you can be so
