How Strange Things Sometimes Happen

"I want to write you to let you know that I have taken two more doses of May's Wonderful Remedy, and have gained 10 pounds in the last two weeks, although I am thinner around the waist than before, because the bloating in my stomach has all gone and I am feeling like a boy again. There never was anything in this world half as good as this medicine." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Bengston's drug store and druggists everywhere.—(Adv.)

You can buy Furniture the same way you bought U.S. Liberty Bonds

At no time during the war did the United States Government encounter any difficulty in disposing of Liberty Bonds. Everyone responded eagerly to the call to purchase these bonds, and did not hesitate to take advantage of the Government's deferred payment system.

The simplest and easiest kind of payment was used. Every purchaser of a Liberty Bond received credit for the full amount of his purchase. This made it particularly easy for the people to acquire Liberty Bonds, and it is this same convenient payment plan which enables you to buy any amount of furniture at our store.
