 The sacred concert given by the

 Island in the near future.

 tinues to draw large houses and to give

 atre. The company concludes its en-

 The first thing a wife will say to her
 husband when she wants to clean house
 is, "now where will I buy wall paper, or
 who will I get to do the work." The wise
 husband will say "at Sutcliffe's, he has all
 the new patterns and latest designs, and
 sells cheaper than any other dealer west
 of Chicago."
 The Davenport Democrat says of the
 entertainment to be seen at the Baptist
 church this evening: "The 'Battle
 of Shiloh' at Armory hall was given to an
 appreciative and critical audience. It
 was the general verdict of all present
 that it was a grand entertainment; noth-
 ing of the kind has ever been seen out-
 side of the grand panoramas in the large
 cities.
 C. F. Grammerstorf, late of Moline,
 has just finished refitting and furnishing
 the sample room formerly occupied by
 William Drensen at 1812 Second avenue,
 and tomorrow morning will have his
 grand opening. Mr. Grammerstorf has
 fitted it up with some of the handsomest
 and most elaborate fixtures in the three
 cities, and will conduct a first class sam-
 ple room in every respect. All kinds of
 liquid refreshments will be served and
 the new proprietor will give the business his
 personal attention. All are invited to call.
 W. H. Gibson arrived home this morn-
 ing accompanied by Tommy Ryan, the
 140 pound champion pugilist of the
 world, and "Farmer" Burns, the wrestler
 who defeated Tom McInerney, of Cincin-
 nati, O., in one of the greatest wrestling
 matches ever witnessed in Chicago.
 Burns has challenged any man in the
 world for \$250 or \$500 a side. They
 will probably give an exhibition in the
 city in a short time. Good judges of
 sparring consider Ryan to be as clever a
 man as Jack Dempsey.

LOST A WINNING GAME.

The Twin Aggregation Drops the First of the Quincy Series.

Good Work Both at the Bat and in the Field Falls to Win for the Locals—A Hoodoo Some-where.

The standing of the clubs is given below:

| Club | Games Played | Won | Lost | Per Cent. |
|--------------------|--------------|-----|------|-----------|
| Joliet | 12 | 11 | 1 | .917 |
| Peoria | 11 | 7 | 4 | .636 |
| Evansville | 12 | 7 | 5 | .583 |
| Rockford | 9 | 4 | 5 | .444 |
| Quincy | 9 | 4 | 5 | .444 |
| Terre Haute | 10 | 4 | 6 | .400 |

| Rock Island-Moline | 13 | 3 | 10 | .231 |

The home team met defeat again yesterday and this time at the hands of the boys who hang out about the Illinois Soldiers' home. Baxendale and Zeis was the Twin-City battery, and the youngster held the Gem City down to five hits while our boys made a total of six hits off Parvin, the Quincy twirler. It was one of the best games that has been played in the league this season, three errors being made in the game, only one of which was credited to the home team. It is a singular fact that wherever the home team plays their opponents invariably get their runs in the beginning of the game. Yesterday Quincy got its three runs in the first two innings, being unable to score after that. They play there again today and tomorrow, and on Monday open with Jacksonville at home. The rainy weather has greatly retarded the work on the grand stand and grounds and it will be doubtful if the former will be completed in time for the opening game. It will be sufficiently so, however, to seat the people and the bleachers will also be in shape. The Twin-City will in all probability put up a good article of ball when they get on the home grounds, and everyone should turn out and give the boys a reception that will make them feel that their efforts to play winning ball are appreciated. The following is the summary of yesterday's game:

Quincy.....1 2 0 0 0 0 0 0-3
 Rock Island-Moline.....0 0 0 1 0 0 0 0-1
 Batteries—Parvin and Summers; Baxendale and Zeis. Errors—Quincy, 2; Rock Island, 1.
 Earned runs—Quincy, 1; Base hits—Quincy, 4; Rock Island, 6. Two base hit—Godar. Passed balls—Zeis, 2. Wild pitch—Parvin. Time—1:45.

AROUND THE BASES.
 Breathes there a crank with soul so dead
 Who never to himself hath said,
 "Whene'er disposed to fume and fret;
 "The boys will get there yet."
 —New York World.

Isn't it time the management was selecting a ladies' day when the latter can go and enjoy the game?
 Manager Brackett, of Terre Haute, is after Pitcher Flood. The Hoosier towns are both signing new men almost every day.

The First Wards defeated Totten's nine again yesterday by a score of 14 to 5. Batteries, Goldsmith and Knowlton and Shields and Totten.

Arrangements are being made for a reception and parade to be given on Monday when Jacksonville will be here to open the home grounds.

The Twin-City's played good ball at Quincy yesterday, and ought to have won, but the hoodoo still hangs over them or else the Gem City's bunched their hits.

Evansville has signed O'Rourke who played short for Fort Wayne last year, and also Stein lately released by Louisville, who will look after the third bag. First Baseman Wentz is acting manager since the resignation of Manager Shel-hasse.

The High Schools and the Hot Tomatoes played a game at the Hopfields yesterday that resulted in a score of 23 to 21 in favor of the latter. Long and Noftsker was the battery for the High Schools and Baker and Hussey for the Tomatoes. Wonder if Seare broke his tomale record by coaching the winners.

Pastry Without Butter.

Light, flaky and digestible pie crust and all kinds of fine pastry can be made with Dr. Price's Cream Baking Powder without butter or with one half the usual portion, if preferred, or with a small quantity of lard or other shortening as desired. Pie crust made in this way is more wholesome and digestible besides being more economical and easier prepared in addition to saving all the butter if desired. One-third the flour is also dispensed with, and the crust is rolled that much thinner, the raising qualities of Dr. Price's Powder swelling it to the requisite thickness. Those who enjoy the appetizing qualities of the delicious home made pie will rejoice to know this secret.
 Dr. Price's Cream Baking Powder is the only powder that contains the white of eggs.

Dr. Price's Cream Baking Powder is reported by all authorities as free from Ammonia, Alum, or any other adulterant. In fact, the purity of this ideal powder has never been questioned.
