

DR. WISTAR'S BALSAM OF WILD CHERRY.

COUNTERFEITS. OLD VIRGINIA AGAIN!

Albemarle Co., Va. } March 21, 1847. Mr Seth W. Fowle—Dear Sir— I take pleasure in stating to you my experience in the use of Wistar's Balsam of Wild Cherry.

Consumptive Patients—Will please read the following statement from the Harrison Gazette:—The credulous are invited to read the following note from Rev. Mr. Coldron, whose character for truth and veracity is above suspicion.

It is no less a duty than a pleasure to state for the benefit of the afflicted, that I consider Wistar's Balsam of Wild Cherry a great blessing to the human race.

CAUTION.—To guard against a spurious imitation of Wistar's Balsam, put up in Philadelphia by one W. M. Spear, the genuine has the names of Henry Wistar, M. D., Philadelphia, and Sandford & Park on the fine steel engraved wrapper—without both of these names, it is positively COUNTERFEIT.

HENRY BLAKSLEY & Co., S. W. corner of 3d and Chestnut streets, sells the above medicine. Price \$1 per bottle.

and upon inquiry—observing strictly the above caution—may be found in every town throughout the State.

The Great POPULAR MEDICINE

Of the Day—Fast amount used per month—The numerous and wonderful cures it effects—Its magical effects upon Bilious Fevers and Ague—Great Excitement among the Doctors.

THE INDIAN QUEEN VEGETABLE Sugar Coated Pills are now admitted, on all hands, to be the most extraordinary and valuable medicine in general use.

They are mild and pleasant in their action, but searching and permanent in their effect, penetrating the remotest recesses of the blood, thereby infusing a new supply of vitality and nervous power into all the machinery of life.

And we find it difficult, with our large force of hands, and the late improvements in machinery, which we have adopted, to manufacture them fast enough to supply the demand in the thirteen western and southern States.

50,000 cases of Fever and ague, (1000 of which resisted all other treatment; 4,500 cases of bilious fever;

5,300 cases of weakness & general debility; 2,500 cases of various chronic diseases; 1,000 cases of weak stomach and loss of appetite;

800 cases of dyspepsia; 1,200 cases of rheumatism; 1,000 cases of female complaints; 1,200 cases of ague, or enlarged spleen;

1,500 cases of liver complaint; 500 cases of scarlet fever; 400 cases of typhus fever; 300 cases of sore throat.

This must appear almost incredible, but the numerous letters from physicians, agents and those who use the medicine, from all the western and southern States, satisfy us that this is a moderate estimate, and that our medicine is rapidly taking the place of the various sugar coated counterfeits, which are afloat, and the numerous tonic mixtures, made wholly of quinine, which are imposed upon the public by manufacturers who live, nobody knows where!

Dr. Bragg's famous Sugar Coated Indian Queen Vegetable Pills, are of two kinds—the Cathartic and Tonic. The Tonic Pills are peculiarly adapted to the quick and permanent cure of Fever and ague, Torpor of the Liver, and General Debility. It is in fever and ague, chills, fever, &c., that they achieve their greatest triumphs.

The prejudices of physicians against their use are at last giving way to the play of reason, and the convictions of every day experience which they derive from their patients and friends who use them.

Doctors are now almost every day sending orders from every part of the country, for a supply of the Pills, to use in their practice.

Jefferson City Steam FERRY BOAT.

THE subscriber would inform the public that he has in successful operation a splendid new Steam Ferry Boat, now plying constantly between the wharf at Jefferson City and the opposite shore.

He has procured good and substantial floats, or landing boats, and horses, wagons, &c., may at all times cross the river with ease and security, and in the short time of two minutes and a half.

The roads leading from Hannibal and St. Charles, in the direction of Arkansas and Texas, are now in excellent condition, and as the route by Jefferson City is forty or fifty miles nearer than any other, the facilities of a good Steam Ferry Boat at this point renders it the most desirable for crossing the Missouri river.

There will be no detentions, and the utmost care will be taken to prevent any accidents.

Dr. E. EASTERLY'S Medicated Strengthening Plaster

THIS plaster has been prepared under the immediate eye and superintendence of an old physician, who is a graduate of the University of Pennsylvania, and has had extensive practice for more than 30 years in treating the various diseases incident to this country.

He confidently recommends this Plaster, from a thorough knowledge of its virtues, to be superior to every Plaster now in use. By keeping up a gentle perspiration, it is admirably adapted for Pains or Weakness in the Breast, Side, Back or Limbs; also, for the Gout, Rheumatism, Enlargement of the Spleen, Liver Complaint and Dyspepsia, and for Coughs, Colds, Asthma, Difficulty of Breathing, Oppression of the Stomach, &c.

To all persons predisposed to Consumption, or who are subject to violent coughs and colds, they are particularly recommended—as they give almost immediate relief, and for pleasantness, safety, ease and certainty, they are decidedly superior to most other remedies.

Persons afflicted with any of the above diseases will find Dr. Easterly's Medicated Strengthening Plaster much superior to any other ever before offered to the public. Physicians, druggists and dealers in Medicines, will find it to their interest to keep a supply of these valuable Plasters on hand to accommodate their patrons.

SMITH'S TONIC SYRUP Or Vegetable Febrifuge, A speedy, safe and certain cure for AGUE & FEVER, Chill-fever, Dumb-Ague, Intermittent Fevers, and all the various forms of Bilious diseases.

THIS valuable medicine is undoubtedly the safest and surest remedy ever discovered for the cure of the above named diseases. It not only breaks the chill, but removes the cause from which the disease originates. Its operation is both general and special. While it acts generally upon the whole system, as a most powerful alterative, purifying the fluids, freeing the solids from all morbid secretions, and re-invigorating and bringing up all the vital energies to a standard of permanent health, it at the same time exerts a specific influence upon the liver, digestive organs and lymphatic and glandular systems, exciting them to beneficial activity, removing all morbid matter, qualifying the circulation, restoring their proper and necessary secretions, thus accomplishing a complete renovation from disease, and restoration to sound and permanent health.

Those who are suffering with the prostrating AGUE & FEVERS common in the West and South—those whose constitutions have become enfeebled by the use of mercury, quinine, or other violent medicines, should resort at once to the use of this VALUABLE MEDICINE.

It has cured and will cure the most obstinate cases. Travelling with the circulation it pours its healing current through every vein and artery of the human body. The whole animal economy is made to undergo a thorough radical change. Even the mind partakes of the healthful process, and life, that before appeared one dreary waste, begins again to seem worth possessing.

Pamphlets respecting this Valuable Medicine, can be obtained of the Agents gratis.

CAUTION! As there are many spurious preparations of similar name hawked about the country, and sold on the reputation of the reputation of the genuine

SMITH'S TONIC SYRUP. We therefore beg leave to caution the public against imposition, as we cannot hold ourselves responsible for the effect which may result from the use of spurious articles.
