**NEAR DEATH BY SMOTHERING**

But Husband, With Aid of Cardui, Effects Her Deliverance.

Draper, N. C.—Mrs. Helen Dalton, of this place, says: "I suffered for years, with pains in my left side, and would often almost smother to death.

Medicines patched me up for awhile but then I would get worse again. Finally, my husband decided he wanted me to try Cardui, the woman's tonic, so he bought me a bottle and I began using it. It did me more good than all the medicines I had taken.

I have induced many of my friends to try Cardui, and they all say they have been benefited by its use. There never has been, and never will be, a medicine to compare with Cardui. I believe it is a good medicine for all womanly troubles."

For over 50 years, Cardui has been relieving woman's sufferings and building weak women up to health and strength.

If you are a woman, give it a fair trial. It should surely help you, as it has a million others.

**Varied Causes of Suicide.**

Causes of suicide vary. In the Oriental patriotic and religious reasons present themselves. In the west the causes are of a more personal nature. There are many classes into which cases may be divided. For example, the lonely, the sick and incurable, the unemployed and financially embarrassed, victims of nervous diseases.

**Home and Heart.**

My home is as much of nature as my heart embraces. If I only warm my house, then that only is my home. But if I sympathize with the sounds and silences of nature, and share the repose and equanimity that reign around me in the fields, then are they my house, as much as if the kettle sang and fagots cracked, and the clock ticked on the wall.—Thoreau.
