CHRISTMAS
Poem
by **UNCLE JOHN**

WHILE the general run of holidays is merry in their way, there's nothin' quite so joyous as the good, old Christmas day. There's charms about Thanksgiving that a feller can't deny—and there's forty sorts of thunder in the Fourth of July. . . . Then, we can't ignore our birthdays, though they roll around too fast, which sets a man to figgerin' mebbe which will be the last. . . . Till early in December, as the statement strikes yer eye, that to do yer shoppin' early is the safest way to buy. . . . Then the children ketch the spirit, either fast or second-hand.—O, it's heaven—or mighty nigh it—when "Old Santy" leads the band! . . . And we dream of basted turkey every time we shet our eyes, and the dressin' and cranberries—an' the mince-meat in the pies! . . . Shucks! I ain't got style to write it—nor the fittin' words to tell of my fond anticipations of the merry Christmas bell. . . . Every heart is playin' music, aged or youthful—great or small. . . . Seems like persiflage to holler, "MERRY CHRISTMAS, ONE AND ALL!"

Wm. King who was seriously injured in a mine accident at Raton a few weeks ago is reported improving nicely and will be able to be moved to his home in a few weeks.
