

DAYTONA BEACH and SEA BREEZE

MRS. J. L. WILCOX, Editor - DAYTONA BEACH

DAYTONA BEACH

Mrs. Kreneger and Mrs. Schweizer, of Chicago, are located in the J. L. Wilcox cottage on Seabreeze avenue. Mesdames Kreneger and Schweizer spent last winter at the Surf Crest, and are enjoying meeting former acquaintances.

Miss Dorothy Hubbell, of Saratoga, N. Y., and Miss Pearl Spaulding, formerly of New York City, pleasantly entertained the New Seaside Inn guests Sunday evening by singing "Lullaby" and "Happy Days," in a very praiseworthy manner. They were encored, and sang "Sunbonnet Sue," and "The Lord is My Shepherd."

The net proceeds of the ladies bazaar held Saturday resulted in the princely sum of \$500.00, which will be utilized for the M. E. church.

The dance given at Keating's casino Monday evening under the management of Messrs. Fairfax, Ludlow and Win Shoemaker was much enjoyed by about twenty couples.

Miss Alice Daugherty is conducting an interesting dancing class at the Surf Crest. The pupils meet twice a week.

Misses Willson, Ruth Coates, Ruth Keating and Lois VanValzah gave a delightful fudge party at the Daytona Beach Hotel last Tuesday evening. The party was one of the most enjoyable of the season, music forming a pleasing variation.

The Epworth League entertained Friday evening at the parsonage.

Two called meetings were held this week, when plans were discussed relative to enlarging the M. E. church by the addition of a room on the west side.

Mr. John MacRae returned this week from Key West, and will remain a few days. He will likely be accompanied on his trip next week to the keys, by Mrs. MacRae, who will be away a couple of weeks.

Mr. Max Fowler, of Frankfort, Ind., assisted in running the Cherokee this week, large crowds going each trip.

Mr. and Mrs. T. W. Hallett, of Carson City, Mich., are late arrivals in the city.

Ex-Senator Cherry celebrated a happy birthday this week, several guests being present, among them Mr. and Mrs. Gage.

Mr. and Mrs. McCann and mother, Mr. and Mrs. George Sweeney and family enjoyed a pleasant cruise on the river Tuesday, going as far as the inlet.

Mr. and Mrs. A. Grove, of Franklin, Ind., are guests in the city, and are enjoying meeting Mrs. and Mrs. Fowler, of the same place.

Mr. and Mrs. B. D. Best and daughter, Louise, of Walnut Hill, Cincinnati, O., relatives of Mr. and Mrs. Uriah Hambrick, are expected arrivals this week.

Mrs. Todd, who is again occupying her pretty residence on Seabreeze avenue, has further embellished her property by the addition of cement walks, under the management of Contractor Dana

Fuquay. Electric lights also form a prominent feature.

We are glad to note the rapid advancement in building cottages and the installation of electric lights, cement walks, planting of fruit trees, and a gradual improvement in lawns all over the peninsula. We have a climate unexcelled, and every kind of amusement, fishing, boating, drives over lovely thoroughfares, boating every day in the year, everything to make you happy, and glad that you are basking in the rays of old Sol, whose brightness never dims in the Sunny Southland.

Capt. Horace Holland returned this week from one of his most successful ventures with a fishing party, having Mr. and Mrs. Daque and friend on board the Wide Awake. Seventeen fine bass were caught, ranging from three to seven pounds. Several other parties were also taken, the fine weather being admirable for the outings.

Mrs. Hambrick, of Georgetown, Ky., and Mrs. Petion, of Paris, France, have been enjoying the balmy days on the river and pier, partaking of the fascinating sport of angling, and have thus far eclipsed the daily efforts of their persistent husbands. Whiting, trout and crabs are among the fish brought homeward.

Miss Dorothy Hubbell, Mrs. Dr. Hubbell and son Delmar, and daughter Esther, of Syracuse, N. Y., guests of the New Seaside Inn, joined the excursionists on the Cherokee Thursday, for the Tomoka trip.

Captain Ellenwood took a large party, including guests from the several hotels on the Tomoka trip Tuesday. A number were disappointed at the north bridge, as there were 105 on board, and so were unable to stop for them. Hereafter the Yankee Doodle will also be utilized when necessary. The Dixie, a larger boat, is now taking the place of the Yankee Doodle at the ferry. Tourists enjoy the ride on the water to and fro across the river and the courtesy of the captain, Mr. Hayden, has much to do with the large crowds that take advantage of the pleasant ride.

The orphans, of the Orphans' League Home, who gave such an interesting musicale at the Collonnades, and New Seaside Inn, were at the Daytona Beach Hotel Monday evening, and a large audience enjoyed the concert. Much talent was displayed in the young children, who are the children of many gifted actors and actresses.

Tourists are coming in rapidly from the south, and most of them expect to remain for the races. All of the hotels are supplied with a good quota of guests, and rooms are hard to get in convenient localities.

A bevy of the younger society element gave a pleasant surprise party the 19th, in honor of Miss Elsie Coates, at her home on Seabreeze avenue. Misses Sallie Hol-

land and Irene Keating were the charming entertainers, and the evening soon drifted away as happily as wedding bells. A marshmallow roast on the beach completed the event. The guests were Misses Irene Esch, Irene Keating, Sallie Holland, Ruth Stewart, Jennie Dresser, Gladys Wannacott, Maud Mallory, Mattie Johnson, Annie May Wilson, Violet Middleton, Aline Aman, Margaret Johnson, Messrs. Seymour Mason, Roland Barze, Jack and Alfred Strother, Cothran Keating, Stanley Pettipher, Tom and Charles Wilder, Albartus H— and Archie Yelvington.

Five of the New Seaside Inn guests went to Palm Beach on the excursion on the Constitution this week.

Mr. and Mrs. John McLeister and daughter Elizabeth, of Columbus, Ohio, are spending several weeks here at the VanValzah.

Mr. Judson A. Wright, Mr. J. R. Day and Mr. O. P. Moore, arrived this week, from Miami, and have taken rooms at Mr. W. H. Freeman's cottage on Peninsula Drive, and at the Pinehurst. All will be favorably remembered as genial tourists of last winter.

Mr. Jenner and party, of Illinois, have rooms at Mr. W. H. Freeman's cottage.

We are not the council, but would suggest that the small excavation near the Yankee Doodle dock on the north side of the cement walk be filled before somebody happens to get hurt. We were waiting for the transit across the river when a lady fell and came near sustaining serious injuries. Filling this ditch may save the city several dollars in a future damage suit, also the spanish bayonets which extend over the pavements should receive careful attention with a pruning knife, before someone loses an optic in surveying our scenic beauties.

Rev. Barze expects to have the assistance of Bishop Fitzgerald at the Sunday morning service at the M. E. Church.

Mrs. Loretta Ward and Mr. Frank Pertlick, of Iowa, after a pleasant few weeks here, are now stopping at the Gables in Daytona.

Speaking of the rapid growth of Daytona Beach and the hustling work of Contractor S. H. Gove, we think his men beat the world's record Monday afternoon, in the construction of a three-room house, doors, windows and all complete in exactly three hours. Mr. H. H. Strother was foreman of the job.

THE CRIME OF IDLENESS.
Idleness means trouble for any one. It's the same with a lazy liver. It causes constipation, headache, jaundice, sal-low complexion, pimples and blotches, loss of appetite, nausea, but Dr. King's New Life Pills soon banish liver troubles and build up your health. 25c. at all druggists.

PORT ORANGE.

Mrs. Garsny and her two children and sister, Miss Van Pelt, arrived Saturday from Chicago and are stopping at the Port Orange House. They used to be frequent visitors here with their parents in years gone by.

We had a very sudden death in our town Thursday of last week. Mr. Reifsnider, who has been ailing for some time, passed away Thursday, morning and was laid to rest in Port Orange Cemetery Friday. He leaves a wife and one son to mourn his loss.

Mr. Lyon has begun building a concrete wall along the front of Mrs. Lyon's lot on Dunlawton avenue.

Miss Whipple, manager of the Actor's Child League of New York City, is traveling in Florida with a troupe of children, who give concerts in aid of the league. They gave a concert in Ridgewood Hall Saturday evening. The little folk certainly are fine performers in their various lines. Ridgewood Hall was full and all went away delighted with the entertainment.

Mrs. H. H. Knappe was hostess of the card party last Tuesday.

WASHINGTON'S PLAGUE SPOTS lie in the low, marshy bottoms of the Potomac, the breeding ground of malaria germs. These germs cause chills, fever and ague, biliousness, jaundice, lassitude, weakness and general debility and bring suffering or death to thousands yearly. But Electric Bitters never fail to destroy them and cure malaria troubles. "They are the best all-round tonic and cure for malaria I ever used," writes R. M. James, of Louellen, S. C. They cure Stomach, Liver, Kidney and Blood Troubles and will prevent Typhoid. Try them, 50c. Guaranteed by all druggists.

P. P. P. Cures Rheumatism

Read what Nicholas Lang, the largest retail grocer in Savannah says about P. P. P.

F. V. LIPPMAN, Savannah, Ga.,

Dear Sir—
For many years I consumed much medicine, and in fact tried every means in my power to get cured of that terrible disease, rheumatism, which had undermined my health. I visited Hot Springs, Ark., without gaining relief, and at last in sheer desperation I took P. P. P. (Lippman's great remedy), and was in a short time entirely cured. In the eight years since that time I have not had a symptom of rheumatism.

P. P. P. did the work to my entire satisfaction and made a quick and permanent cure.

Yours truly,
Nicholas Lang.
