The Rev. G. C. Davis, the district missionary, is in the city assisting in the revival meeting at Bethel church.

Mrs. Mary Spear is on the sick list this week, and her host of friends hope to see her well again soon and at her post of duty, as poor brother Spear is looking pretty melancholy.

The following persons were elected delegates to the Sunday school and League Conventions, which convene at Winter Park next month: W. S. Spear, Arthur Moore, Jacob Thompson, Misses Hallie Q. Phillips, Grace Sammie, Lela Overstreet, Clara M. King and Willa W. Nelson and Mrs. E. B. Baker and J. P. Thompson.

Mr. Herring, of Florid City, brother of B. D. Herring, is in the city on a visit to his relatives and friends. He is trying to console B. D. while Mrs. Herring is away spending a while with her relatives at Miami.

Mr. Jefferson Sammie is on the sick list and has been for some days, and he and his grey mule are missed off the streets of the city.

The Rev. Bacon made his monthly trip to his church at Ft. Reed last Sunday. While there, he had the unpleasantness to witness the shooting and killing of one of his most reliable and trustworthy officials of his church, Mr. Stackhouse, who was murdered Sunday and buried Monday.

Miss Mary Ruffins and her friend, Miss Annetta Howthorn, left Monday for a visit to Tampa.

Several of the schools of the county began last Monday, and the remainder of them will begin September 20. As in most cases the terms are not more than four months, some plans should be devised by patrons and teachers to extend the terms to at least six months.

Mrs. Rosa Hadly left last week, and she is supposed to have gone to Jacksonville on a visit to friends.

Dr. C. S. Long, of Winter Park, passed through the city en route to Glenwood Monday afternoon, where he held the quarterly conference for Presiding Elder Perrin.

Most of the delegates have returned from the Grand Court of the Heroines of Jericho, which was held in Orlando last week. They report a stormy time, and yet a victory for those who stood for the right and for true manhood and womanhood. It was plainly shown that one man cannot be czar over twenty thousand Masons of Florida their wives and daughters. Dr. J. R. Scott and Mrs. S. L. King were re-elected to the satisfaction of their host of friends, and their re-election means continued prosperity for the order.

Mesdames Agnes Johnson and M. F. Robinson are spending the week in Tampa, taking advantage of the excursion rates.

Mrs. Ellen Hall, mother of Mrs. Spear, returned home last week to Lake City, where she will remain until the winter season begins.

The *Lincoln Bulletin*, edited by Dr. D. A. Perrin, of Tampa, is out this week again, full of good things.

A lodge of Knights of Pythias was organized last Friday night at Oak Hill by Captain S. G. Baker and Lieutenant Arthur Moore. They drove through the country to Daytona, and went from there on the train, set up the lodge and caught the train that night, returning to Daytona, and drove to DeLand by 6:30 Sunday morning. Following are the officers of the new lodge, which is known as the Star of the East Coast: J. H. Thomas, C. C.; J. W. Dixon, V. C.; C. W. Manor, prelate; John Henderson, M. of E.; N. T. Johnson, M. of F.; A. Tomlin, K. of R. & S.; William Jones, M. at A.; Samuel Hines, I. G.; T. Foster, O. G. John Harris, M. of W.

There are some thrifty people at Oak Hill. They are preparing to build a hall and church, which will be a great credit to them. J. H. Thomas and A. Tomlin subscribed for *The News* and promised to induce others to do the same.

A very delightful reception was tendered Miss Elia A. Spann, of Silver Springs, last week at the residence of Mr.

THE SECRET OF LONG LIFE.

A French scientist has discovered one secret of long life. His method deals with the blood. But long ago millions of Americans had proved Electric Bitters prolongs life and makes it worth living. It purifies, enriches and vitalizes the blood, rebuilds wasted nerve cells, imparts life and tone to the entire system. Its a godsend to weak, sick and debilitated people. "Kidney trouble had blighted my life for months," writes W. M. Sherman, of Cushing, Me., "but Electric Bitters cured me entirely." Only 50c. at all druggists.

and Mrs. Arthur West. The following persons were present: Misses Leota King, Mamie Howard, Dinah Brailsford, Eva Crayton, Olivia Smith, Eva Lawson, Alice Turner, Alma Jackson, Lydia Monroe, Annie Wilson, Willa M. Phillips, Hallie Q. Phillips, Mrs. Washington, Lewis Johnson, Howard Merritt, Sterling Robinson.

Lewis Jones and Alonzo Wilson, who have been spending awhile with friends at Ocala, have returned home, much elated over their trip.

DIDN'T UNDERSTAND HIM.

There was a circus in a Missouri river town, and a drummer, who was in a town four miles farther down the river, wanted to get to it, says an exchange. The steamboat had left and there was no rig to be had. The drummer went to the river and found a negro sitting in a skiff.

"That your boat?" he asked the negro.

"Yessir."

"Want to rent it?"

"Yessir."

"How much for the afternoon? I want to go up to the circus."

"'Bout four bits, boss."

"All right. Can you row?"

"What's dat?"

"Can you row?"

"No, sah. 'Deed, I can't do nuffin' lak dat, boss."

"Well, dodgad you, get in the stern there. You can do that, can't you?"

"Yassir."

The drummer took the oars, and after he had rowed about two miles against the current was tuckered out.

He threw down the oars, and said: "I can't pull this boat another inch. I don't care if I never get to that circus. You're a fine boatman not to be able to row."

The negro looked at the drummer with quizzical intelligence. "Does you mean you wanted me to pull dem oars, boss?"

"Sure I do. I asked you if you could row, and you said you couldn't."

"'Deed, boss," said the negro, "I thought you done ast me could I row—yeah lak a boat."

SULLY TAKES DEATH PACT.

It seemed to J. A. Stone, a civil war veteran, of Kemp, Tex., that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me, in spite of all remedies, for years. My weight ran down to 120 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds. For severe colds, obstinate coughs, hemorrhages, asthma, and to prevent pneumonia it's unrivaled, see and save. Trial bottle free. Guaranteed by all druggists."

COLLECTOR OF THE PORT LOCH OF NEW YORK IS WORRIED.

Aviation is advancing too rapidly to suit him. As long as diamonds and other gems come over in ships he can get along very well in the collection of the duties. But when smugglers get to sailing right over his head, with hundreds of thousands of dollars worth of gems in their pockets, what is he going to do? Manifestly smugglers in airships are not going to enter the country by way of the custom house.

DISAGREEABLE AT HOME.

Lots of men and women who are agreeable with others, get "cranky" at home. It's not disposition, it's the liver. If you find in yourself that you feel cross around the house, little things worry you, just buy a bottle of Ballard's Herbine and put your liver in shape. You and everybody around you will feel better for it.

Price 50 cents per bottle. Sold by all druggists.

REVOLTS AT COLD STEEL.

"Your only hope," said three doctors to Mrs. M. E. Fisher, Detroit, Mich., suffering from severe rectal trouble, "lies in an operation."—"then I used Dr. King's New Life Pills," she writes, "and wholly cured." They prevent Appendicitis, cure Constipation, Headache, etc. at all druggists.

BEWARE OF CONSTIPATION

It is the first or primal cause of many of our diseases. St. Joseph's Liver Regulator is an ideal treatment for constipation. It acts in a natural and easy manner (not by violent purging) and gently loosens the bowels, thus forestalling the long train of evils which result from the clogging of the system with offensive refuse. This remedy is a wonderful stimulator of liver, stomach and bowels, inducing and maintaining healthy, natural action. Price, liquid 50 cents a bottle; powders, 25 cents a box, five boxes \$1.00.

MONKEY IN CATTLE.

"No use of talking," drawled the trucked youth on the roadside fence, relates the Chicago News, "that actually is monkey in cattle." "In the stock-raising business, young man?" asked the tourist. "No, not exactly, but an automobile man over that spotted calf a few minutes ago, and the man with the big spectacles over his eyes got out and handed me a \$4 note."

"Five dollars!" That's not so much for a spotted calf."

"Yes, but, mister, the calf wasn't mine. Now, if I can only stand in front of another calf while he gets run over I'll be right in it, 'gosh!"

he called for as quickly as he desired. "See here, Central," he shouted, "I'll report you."

"You don't know who I am," was the calm reply.

"Well, I'll find out, and that blamed quick, too."

"I know you though," came in soft, sweet tones over the wire. "You're in the big office furniture building. I've seen your picture."

"You have," exclaimed the young man delightedly, and he mentally kicked himself for having been so rude to so sweet a girl. "Where did you see it? Was it in the Furniture Journal?"

"No," came the laughing reply, "in a lobster can."
