Prof. Richard Watson

has endeared himself to our entire people during his stay among us. We will hereafter number him among our boys, and he will always find friends and a cordial greeting in Batesburg. Richard has decided to cease teaching the young idea how to shoot and delve in search of legal lore. May his highest hopes be realized; and we trust at some day we shall be able to greet him as Judge Watson. When we get to be a Court house town, we hope to have him throw his shingle out on our streets. Long life and happiness to Richard Watson.

Only a few more days

and all of our sweet college girls and gallant college boys, will be home for vacation. We shall be glad to see them, one and all. Though they have wandered far from us, we believe they will be glad to get back once more to old Batesburg—the best and sweetest place on this green earth. Some of them will graduate; among the number will be, George Bates at Wofford, Misses Mary Gooden and Alben Cullum, at Greenville College for women, Miss Mattie Crouch at Winthrop, Miss Eva Padgett (while not of our town, still she is one of our old scholars, and we feel interested in her) will finish at G. F. College, and Miss Maude Kernaghan at the Columbia Female College. They will add much to the life of our town. In advance, we send greetings, assuring them of the hearty welcome that awaits each one. They are our boys and our girls.

THE HOME GOLD CURE

An Ingenious Treatment by which Drunkards are Being Cured Daily in spite of Themselves.

No Nauseous Gosses. No Weakening of the nerves. A Pleasant and positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by the use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and restoring the system to its normal condition. Sufferers from this disease, who have tried all other remedies, and who are unable to get any relief, will find in this "HOME GOLD CURE" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is absolutely guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.
