

NOTICE.—The new Steamboat Company beg leave to inform the public that they are having a boat built in Baltimore of a light draught of water, for the express purpose of plying betwixt Camden and Charleston, and to be here early in Sept. It is confidently believed that she will be able with ease to navigate the Waterway at any stage of the river. Merchants and others from the upper country, will find it to their interest to have their goods and produce sent through this channel, as the freights will be reasonable,—in no case whatever, will any additional charge be made for lighterage, nor any exertions or expense wanting to ensure regularity and despatch. She will ply in conjunction with the new steamer, "Camden," whose success this last season has put the navigation of the Waterway by steam beyond a doubt. Both boats will be able to accommodate passengers comfortably, being neatly fitted up, with the ladies and gentlemen's cabins distinct and separate.

SEPTEMBER. Specic Payments Resumed.

NOTWITHSTANDING the unexampled severity of the times, Sylvester is happy to say that he has continued (as ever heretofore,) to pay all prizes on demand,—and he has likewise the satisfaction of informing his patrons and the public that his good luck has in no wise forsaken his old Established office, having sold and paid during the month past several of the most splendid Capitals.—The number and brilliancy of the Prizes to be drawn in September cannot fail to attract the attention of all those who want cash,—and as the field for investment is rich and ample, we hope no time will be lost in sending for Tickets, which, it is to be hoped, will fill the holders' pockets with the needful.

BRONSON'S VEGETABLE PANACEA.

THE subscriber informs the public, that he has just completed the mixture of this valuable medicine. He takes pleasure in stating that he has made use of this PANACEA, successfully in a case of Scrofula, which he has been afflicted with more than THREE YEARS. On several occasions he applied to practical Physicians for aid, (North and South,) and received no benefit. He was, at length, prevailed upon by numerous acquaintances, to try the virtue of certain ROOTS and HERBS; and believing, that the Receipt would greatly benefit him, he took it, together with an old French Receipt: from which is manufactured the VEGETABLE PANACEA.

It is proper here to say, that the quality of some, or ALL the principal Roots, are well known to the Medical Faculty, by whom they are frequently used. For Scrofula or King's Evil, Ulcerated Sores, general diseases of the BLOOD, or the effects of Mercury; it has a decided salutary effect. For BOWEL COMPLAINT he would also recommend the use of the VEGETABLE PANACEA. Children are frequently attacked with this complaint: especially when teething. A few doses of the PANACEA will check the Bowels, and they become regular again. It has been tried by a great number of respectable individuals, and pronounced a "certain cure." He has tried it at different times in his own family, and it relieved the child immediately. This Medicine is simple in its operations; and has a pleasant taste.

The subscriber will keep a constant supply of the PANACEA at the different Drug Stores throughout the United States. Orders addressed to the subscriber, or to James R. M'Kain, will be promptly attended to.—The PANACEA may always be had at J. R. M'Kain's Drug Store, Camden, S. C.

PRICE ONE DOLLAR per bottle.

The Vegetable Elixir.

PREPARED BY
F. S. BRONSON.

IT is with great pleasure the subscriber informs the public that he has completed the mixture of the VEGETABLE ELIXIR. This medicine is composed of Roots which grow in this State. It is useless to enter into a detail of the value of this Medicine, (or any other Root medicine,) as it is well known that ALL ROOTS have valuable Medical properties. He would also state that there is not the least danger in the use of the ELIXIR. For the following named diseases, there is no medicine made or vended at the present time, better calculated to relieve the afflicted, than the VEGETABLE ELIXIR.

For Rheumatism and Consumption, the ELIXIR should be used internally and externally.
For Dyspepsia or Dysuria, he would also recommend the use of the ELIXIR, as he feels confident it will prove highly beneficial to those who use it.

To those who are afflicted with Pustules, Eruptive Distempers, and Venereal diseases, he particularly recommends the use of the VEGETABLE ELIXIR. Without the fear of contradiction, he recommends this Medicine as the BEST now in use—as it has proved successful in every case in which it has been used.

Orders addressed to the subscriber or Mr. J. R. M'Kain, will be promptly attended to. The ELIXIR may always be had at J. R. M'Kain's Drug Store, Camden, S. C.

PROSPECTUS OF THE Camden Commercial Courier.

THE Establishment of the COMMERCIAL COURIER was rendered necessary by the inconvenience to which our citizens have been subjected for the want of a public channel of communication which in a commercial community like Camden, is essentially necessary, and consequently the COURIER'S claim on the public is such as should ensure a liberal patronage.

The undersigned have spared no trouble or expense in obtaining the best workmen in order to render the Paper all the advantages that it will admit of, and affording satisfaction to its patrons. In political matters the Courier will take no part; the design being to publish a Paper adapted to the interest of ALL, which could not be effected by its entering into the arena of Politics—it will be confined principally to such matter as appertains to Commerce, Agriculture and Amusement.

The COURIER is published every Saturday morning at Three Dollars in advance, or Four Dollars if not paid until the expiration of the year. Persons wishing to become subscribers must address a letter (POST PAID) to

L. M. JONES & Co.

TO PRINTERS.
E. White & Wm. Hager,
RESPECTFULLY inform the Printers of the United States, to whom they have been individually known as established letter foundry, that they have now formed a co-partnership in said business, and an extensive experience, they hope to be able to give satisfaction to all who may favor them with their orders.

The introduction of machinery in place of the tedious and unhealthy process of casting type by hand, a desideratum by the European foundry, was by American ingenuity, a heavy expenditure of time and money on the part of our senior partner, first successfully accomplished. Extensive use of the machine-cast letter has fully tested and established its superiority in every particular, over those cast by the old process.

The letter foundry business will hereafter be carried on by the parties before named, under the firm of White, Hager & Co. Their Specimen exhibits a complete series, from Diamond to Sixty-four Lines Vica. The Book and News type being in the most modern style.

WHITE, HAGER & Co. are agents for the sale of the Smith and Rust Printing Presses, with which they can furnish their customers at manufacturers' prices; Chases, cases, composing sticks, Ink, and every article used in the printing business, kept for sale and furnished on short notice. Old type taken in exchange for new at nine cents per lb.

N. B.—Newspaper proprietors who will give the above three insertions, will be entitled to five dollars in such articles as they may select from our Specimens. at 23 E. WHITE & HAGAR.

NOTICE.—Such as are indebted to the estate of Mrs. Elizabeth Turley, deceased, are hereby notified that prompt payment must be made, and those who are creditors of said estate, will present their demands properly attested, and in proper time, to CHARLES L. DYE, Ad'mr.
